Raised By Puppets Only To Be Killed By Research:

Raised by Puppets, Only to be Killed by Research Andrei Codrescu, 1989 **Zombification** Andrei Codrescu, 1995-02-15

The world is undergoing zombification. It was gradual for a while a few zombies here and there mostly in high office where being a corpse in a suit was de rigueur. The worst part about zombies raging unchecked is the slow paralysis they induce in people who aren't quite zombies yet. Never at a loss for a trenchant comment or off beat imagery. National Public Radio's Andrei Codrescu has long been considered an eloquent if often sardonic expert on the absurdities of American culture. The essays in *Zombification* all taken from this poet's popular commentaries for NPR were broadcast during the late 1980s and early 1990s a period that witnessed the collapse of Communism radical changes in American politics and society and the birth of new nations. These large subjects along with lively riffs on dozens of topics both timely and timeless both everyday and strange are treated with Codrescu's inimitable wit insight and candor. Included here are *Seven Embryos for Seven Lawyers* *Dali in Vegas* *Culture Vultures* and *Casserole Widows* and other classics **The Devil Never Sleeps** Andrei Codrescu, 2000-04 Embracing cell phones cable access and cyberspace the ubiquitous Devil of secular culture embodies the true evil facing us today banality. **BOOK JACKET** *Andrei Codrescu and the Myth of America* Kirby Olson, 2014-09-17 This is one of those times a time choked in the weeds of academic and civilian formalism. To put it mildly most of what we see in print in North America is unbearably trivial and singularly devoid of courage. Andrei Codrescu. The Disappearance of the Outside Known to the general public as a radio commentator on National Public Radio. Romanian born essayist and poet Andrei Codrescu has developed a variety of voices throughout his career. Transylvanian humorist on NPR surrealist poet in his many volumes of poetry academic essayist in his philosophical writings and historical novelist. Taking seemingly everyday events in seemingly mundane places Codrescu is able to link the random details into a larger whole leading his readers and listeners to conclusions very different from those they first imagined. This work explores Codrescu's writings and how they are a part of the surrealist tradition. It examines the ways in which his poetry essays and novels are influenced by his upbringing in Communist Romania and the liberal attitudes he encountered upon moving to the United States and draws comparisons between Codrescu and other surrealists. An interview with the author is also included. *The Muse Is Always Half-Dressed in New Orleans* Andrei Codrescu, 1995-05-15 In twenty six essays Codrescu turns his skeptical amused gaze to such topics as Plato's effect on American sex the cultural meaning of Ed McMahon baseball's literary underpinnings his own conception in a Romanian darkroom a cuisine under the Ceausescu dictatorship as well as to larger subjects including the suicide of communism American culture and politics and his adopted city of New Orleans **New Orleans, Mon Amour** Andrei Codrescu, 2004-01-04 A lovely collection of essays by the NPR commentator about his beloved adopted city both before and after Hurricane Katrina. Publishers Weekly NPR commentator Andrei Codrescu has long written about the unique city he calls home. How apt that a refugee born in Transylvania found his place where vampires roam the streets and voodoo

queens live around the corner where cemeteries are the most popular picnic spots the ghosts of poets prostitutes and pirates are palpable and in the French Quarter no one ever sleeps Codrescu's essays have been called satirical gems subversive funny gonzo and wittily poignant here is a writer who perfectly mirrors the wild voluptuous character of New Orleans itself This retrospective follows him from newcomer to near native first seduced by the lush banana trees in his backyard and the sensual aroma of coffee at the caf down the block Codrescu soon becomes a Window Gang regular at the infamous bar Molly's on Decatur does a stint as King of Krewe de Vieux Carr at Mardi Gras befriends artists musicians and eccentrics and exposes the city's underbelly of corruption warning presciently about the lack of planning for floods in a city high on its own insouciance Alas as we all now know Paradise is lost but here Codrescu also writes about how the city's heart still beats even after 2005's devastating hurricane New Orleans Mon Amour is a portrait of an incomparable place from a writer who manages to be brilliant and insightful tough and seductive about American culture The New York Times Book Review Finely honed portraits of a fabled city and its equally fabled inhabitants The author who has called the Big Easy home for two decades shows how like some gigantic bohemian magnet New Orleans attracts some of the world's most talented self indulgent freaks Codrescu finds himself quite at home there He expertly weaves pages of New Orleans history through his stories of personal discovery and debauchery Readers can't help coming away from reading it without an abiding hope in the ability of ordinary people under the worst circumstances rising to whatever challenges they face Publishers Weekly

Hail Babylon! Andrei Codrescu, 1999-06-19 The popular NPR correspondent offers a thrill seeking coast to coast ride through nine multi sensual American cities New York Baltimore New Orleans Little Rock San Antonio Albuquerque Las Vegas and Portland Oregon 9 photos

The Dog with the Chip in His Neck Andrei Codrescu, Mary Sheepshanks, 1997-10-15 In this collection of essays Codrescu focuses his keen eye on America in the age of the chip He confronts the convulsions of our post ideological world at a time when the advent of cyberspace and the caffeinating of America have occurred simultaneously With poignancy and trenchant humor he takes us on a roller coaster tour of our dramatically changing country

Baseball and the American Dream Robert Elias, 2016-04-15 A fascinating look at how America's favorite sport has both reflected and shaped social economic and
