**Did Jesus Rise from the Dead?** Matthew Levering, 2019-02-07 The Resurrection of Jesus is at the very root of Christian faith without belief in Jesus Christianity dies In this thought provoking work Matthew Levering defends the credibility of the claim that Jesus rose from the dead Drawing on the work of N T Wright Levering shows that the historical evidence vindicates this assumption and reveals that the Gospels were backed by eyewitnesses who were living and telling their stories even during the time of the writing of the Gospels The author also emphasises the importance of evaluating the Old Testament to validate Jesus Resurrection By highlighting the desire both in the ancient world and now to make the Resurrection more comprehensible by spiritualizing it Levering argues that the fact that the disciples themselves did not do this provides a further clue to reliability Finally the author addresses the question of why Jesus does not continue to show himself in his glorified flesh after his resurrection which is often seen as a strong case for scepticism However he shows that Jesus entire mission is predicated upon helping us to avoid cleaving to the present world over God He is leading us to where he is the kingdom of God the beginning of the new creation at the Father s right hand By developing these arguments for the historical reality of Jesus Resurrection this ground breaking study expertly draws together historical and theological reasons for believing that Jesus Resurrection happened

**Did Jesus Really Rise from the Dead?** Carl Olson, 2016-04-11 Major feature films such The Passion of the Christ and Risen and books such as Bill O Reilly s Killing Jesus raise many questions about one of the greatest controversies in history what really happened to the crucified body of Jesus of Nazareth Using a popular question and answer format this book examines the historical evidence concerning the fate of Jesus Did Jesus really die on the cross If so what became of his body Was it stolen Misplaced Is the resurrection a cleverly devised plot to found a new religion Did the disciples of Jesus hallucinate Is the Resurrection of Jesus a myth developed decades later after the original disciples experience of Jesus was distorted by a subsequent generation Or did Jesus rise from the dead as he promised and as his disciples came to believe and sacrifice their lives to proclaim Carl Olson carefully weighs the evidence with in depth analysis Whether you are a believer a skeptic or something in between be prepared to have your thinking challenged by this provocative and insightful book

[Did Jesus Rise From the Dead](#) William Lane Craig, 2014-06-01 Seems reasonable perhaps Jesus was comatose Or perhaps his body was stolen Or maybe the women arrived at the wrong tomb they were grieving after all it would have been an honest mistake There are any number of explanations Dr William Lane Craig uses well documented historical facts to explore the evidence that surrounds the days

following Jesus crucifixion Without assuming the Bible says so Did Jesus Rise from the Dead presents positive religious cultural and historical evidence for the reality of the resurrection while breaking down the six most common hypotheses used to explain the unusual events that unfolded from the moment Christ breathed his last Thoroughly researched yet deftly digestible Did Jesus Rise from the Dead belongs in the library of any apologist skeptic or seeker **Raised from the Dead** Don Forss,2003-12 The mystery really begins when Terry is murdered and Toni is left for dead Toni survives but someone still wants her dead but no one knows why The man she had lived with for 5 years all of a sudden isn't the person she knew As Toni is running for her life today she discovers nothing was as it seemed She does know that the love they shared was not a lie and that kept her going Who was Terry Williams Joseph Casio or Jules Le Breton Why would anyone have three names The law firm of Breaux Bailey and Demas handles millions of dollars of assets just handed to Toni They are the only ones that are who they seem How do you go from having a few thousand dollars to half a billion and running for your life in a matter of days Survival is paramount as is finding who killed Terry and left Toni for dead Rise of the Dead Prince Brian A. Hurd,2014-12-05 Of the three princes of Valahia two are heroes but the third Meier is anything but Gloomy and pale he holds the affections only of his family and the ancient court jester Crocus His fate is suddenly changed when Valahia is thrown into a bloody war and Meier is finally put to the test However much to the surprise of all Meier unlocks a hidden gift for strategy and soon becomes a hero in his own right Suddenly loved by all his new found happiness is short lived for soon after a mysterious plague ravages the land taking countless lives including his own Yet Meier alone awakens with dark powers beyond his understanding The land falls into chaos further when the dead begin to rise and attack the living leaving only Meier to travel where no living thing can venture With only the help of a raven he must learn the ways of the darkest magic his sole defense against the master of death that awaits him ahead Here is the story of an unexpected hero a prince who conquered death to become the last hope for the living **The Englishman's Greek Concordance of the New Testament; being an attempt at a verbal connexion between the Greek and the English texts, etc. [By George V. James Cochrane (of Cupor-Fife.),1869 **When the Dead Rise** Christian Livermore,2021 A survey of the motif of the revenant showing how medieval themes and motifs persist today The proliferation of books and films about the undead those literally returning from the grave in modern popular culture has been commented on as a recent phenomenon but it is in fact a storytelling tradition going back more than a millennium It drew on and was influenced by Christian eschatology gathered momentum in medieval ecclesiastical chronicles such as those written by Caesarius of Heisterbach and then migrated into imaginative literature famously in John Lydgate's Dance of Death and art But why did revenant stories and imagery take such a hold in the Middle Ages And why has that fascination held on into today's world This book offers a history of these revenant narratives demonstrating how modern horror is haunted by past

literature and exploring the motif of the risen dead as a focus of cultural anxiety and literary effort The author examines the long arc of revenant tales from antiquity and the Middle Ages through the Reformation and into modernity tracing their uncanny similarities and laying bare the rich traditions of narrative theme motif supernatural belief and eschatological fears and preoccupations the Middle Ages through the Reformation and into modernity tracing their uncanny similarities and laying bare the rich traditions of narrative theme motif supernatural belief and eschatological fears and preoccupations the Middle Ages through the Reformation and into modernity tracing their uncanny similarities and laying bare the rich traditions of narrative theme motif supernatural belief and eschatological fears and preoccupations the Middle Ages through the Reformation and into modernity tracing their uncanny similarities and laying bare the rich traditions of narrative theme motif supernatural belief and eschatological fears and preoccupations

### **Raised From the Dead Reinhard**

Bonnke,2014-01-01 In 2001 as Reinhard Bonnke debated whether or not to move his ministry to America he did something he had never done before he prayed for a sign to confirm that God truly was calling him to go to America God was about to answer that prayer A few days later a woman brought her husband to the Nigerian church where Bonnke was preaching in hopes that his partially embalmed body would be raised from the dead after three days in a coffin Although Bonnke was unaware of this and never even prayed for the man the woman s husband lying in the church basement began to breathe again during the sermon In front of thousands of witnesses this man who still couldn t move because of rigor mortis was raised back to life After his message Bonnke was besieged by a crowd yelling He s breathing He s breathing This incredible miracle now detailed for the first time is part of a movement of God birthed in a small African church and stretching around the world to America It is the beginning of a work of God that will confirm His word to Bonnke America shall be saved

### **The "Man Christ Jesus"**

Stephen Oliver Stout,2011-06-17 Does the Apostle Paul have any use for the person of Jesus presented in the Gospels Critical

scholarship thinks not but this book argues that Paul not only mentions more than seventy specific details of the historical Jesus but he also commends the character of Jesus and echoes His teachings repeatedly in his letters and sermons in full agreement with the Gospel accounts Stout examines Paul's intriguing description of the Man Christ Jesus 1 Tim 2:5 and suggests that this title fulfills the OT expectation of God appearing in human history as a man In his incarnated humanity the Man Christ Jesus accomplished salvation in the historical events of his life and death and in his resurrected humanity he appeared to Paul on the Damascus Road rooting Paul's Christology deeply in human experience Furthermore Stout shows how Paul rests his concept of salvation on a neglected aspect of his doctrine that the entire church is associated with the historical events of the life death and resurrection of Jesus an association which also unites his church with one another in fellowship and service This book then demonstrates that Paul's gospel rests upon Jesus as a man of history who brings salvation into human history in his life death and exaltation as the Man Christ Jesus Raised from the Dead According to Scripture Lidija Novakovic, 2014-05-29 The New Testament writings allow only limited access to the interpretative traditions that lie beneath the claim that Jesus resurrection took place according to Scripture This book investigates the underlying principles of scriptural arguments in relation to Jesus resurrection and the unstated interpretative moves that govern the selection and combination of texts relating to it Novakovic's working hypothesis is that the Davidic tradition supplied the primary scriptural categories for the claim that Jesus was raised from the dead according to Scripture This tradition was appropriated through two major thematic trajectories resurrection as the fulfillment of Davidic promises and resurrection as the messianic enthronement We can also identify several related thematic trajectories such as the concept of the resurrection as the beginning of the new creation resurrection as the prophetic authentication and resurrection as the messianic rebuilding of the temple Each thematic block is based on a specific use of Scripture for the purpose of explaining the significance of Jesus resurrection **The Bible Text Cyclopedia: a Complete Classification of Scripture Texts in the Form of an Alphabetical Index of Subjects.
