of the Korean War*

*Edited by
W. D. Ehrhart and Philip K. Jason*

Retrieving Bones Stories And Poems Of The Korean War

Paul M. Edwards

Retrieving Bones Stories And Poems Of The Korean War:

Retrieving Bones William Daniel Ehrhart, Philip K. Jason, 1999 Many of the twelve stories and fifty poems assembled in *Retrieving Bones* have long been out of print and are almost impossible to find in any other source The editors have enhanced this collection by providing maps a chronology of the Korean War and annotated lists of novels works of nonfiction and films In a detailed introduction Ehrhart and Jason discuss the milestones of the Korean War and place each fiction writer and poet represented into historical and literary contexts Historical Dictionary of the Korean War Paul M. Edwards, 2010-06-10 The Korean War has often been regarded as a forgotten war although that is certainly unfair It was if anything a rather crucial war within the ambit of the Cold War started by North Korea in 1950 and although the bulk of the fighting was over by 1954 peace has never been concluded and the two sides still face off over the demilitarized zone On the other side of the zone is South Korea which has since become a very prosperous and democratic country while North Korea has achieved relatively little So that war is certainly not forgotten by the Koreans And given the large number of deaths and casualties it is still remembered by many in the United States and other allies as well as China and the Soviet Union This *Historical Dictionary of the Korean War* now in its second edition does much to jolt our memory and inform us about the war This is done first in a lengthy chronology tracking the war but also the path to war and what happened after The introduction covers the war as a whole trying to make sense of it The dictionary section provides all of the necessary details on significant persons places and events battles and other engagements military units and material as well as the political economic and social background There are also maps and a list of acronyms This is really the ideal source for information in addition to which it also has an extensive bibliography WLA , 1999 The Action and Adventure Cinema Yvonne Tasker, 2004-08-19 Addressing areas such as genre film history and style action and spectacle stars and bodies action auteurs and the film industry the reader covers both Hollywood and also European and Asian action cinema *Remembering the Forgotten War* Philip West, Suh Ji-moon, Donald Gregg, 2015-02-12 In contrast to the many books that use military diplomatic and historic language in analyzing the Korean War this book takes a cultural approach that emphasizes the human dimension of the war an approach that especially features Korean voices There are chapters on Korean art on the war translations into English of Korean poetry by Korean soldiers and American soldier poetry on the war There is a photographic essay on the war by combat journalist and Pulitzer Prize winning photographer Max Desfor Another chapter includes and analyzes songs on the Korean War Korean American and Chinese that illuminate the many complex memories of the war There is a discussion of Korean films on the war and a chapter on Korean War POWs and their contested memories More than any other nonfiction book on the war this one shows us the human face of tragedy for Americans Chinese and most especially Koreans June 2000 was the fiftieth anniversary of the outbreak of the Korean War this moving volume is intended as a commemoration of it

The Madness of It All W.D. Ehrhart, 2010-07-27 I cannot begin to count the number of times over the past 37 years that

I have wished I had never heard of Vietnam let alone fought in the Vietnam War That experience has haunted my days It has troubled my nights It has shaped my identity and colored the way I see the world and everything in it from the Preface W D Ehrhart called one of the great poets and writers of nonfiction produced by the Vietnam War by The Nation here presents 43 essays whose topics include not only the Gulf Vietnam and Korean wars the conflict between Israel and Palestine war and journalism and American war poetry but also junk mail the Internet the IRS tugboats drawbridges race relations the justice system health care small town life in America nicotine addiction the bravado of youth honesty and American culture the rhetoric of national mythology and presidential isolation among others **Dead on a High Hill** W.D. Ehrhart, 2014-01-10 A new collection of Bill Ehrhart's essays 25 of them written between 2002 and 2012 on subjects ranging from the Vietnam War failures of American policy makers to life in 21st century Vietnam the trenches of the Western Front the mountains of Korea the sands of Iraq from the value of one's name to the cowardice of Congress mountain gorillas in Rwanda the journalist Gloria Emerson teaching poetry to teenagers on the famous Wilfred Owen and the obscure Robert James Elliott These essays explore the fallacies of history the madness of war the craft of poetry the profession of teaching and the art of living *The Cambridge Companion to War Writing* Catherine Mary McLoughlin, 2009-07-16 This Companion covers British and American war writing from Beowulf to Don DeLillo **The Cambridge Companion to War Writing** Kate McLoughlin, 2009-07-16 War writing is an ancient genre that continues to be of vital importance Times of crisis push literature to its limits requiring writers to exploit their expressive resources to the maximum in response to extreme events This Companion focuses on British and American war writing from Beowulf and Shakespeare to bloggers on the War on Terror Thirteen period based chapters are complemented by five thematic chapters and two chapters charting influences This uniquely wide range facilitates both local and comparative study Each chapter is written by an expert in the field and includes suggestions for further reading A chronology illustrates how key texts relate to major conflicts The Companion also explores the latest theoretical thinking on war representation to give access to this developing area and to suggest new directions for research In addition to students of literature the volume will interest those working in war studies history and cultural studies The American Novel of War Wallis R. Sanborn, III, 2012-10-16 In song verse narrative and dramatic form war literature has existed for nearly all of recorded history Accounts of war continue to occupy American bestseller lists and the stacks of American libraries This innovative work establishes the American novel of war as its own sub genre within American war literature creating standards by which such works can be classified and critically and popularly analyzed Each chapter identifies a defining characteristic analyzes existing criticism and explores the characteristic in American war novels of record Topics include violence war rhetoric the death of noncombatants and terrain as an enemy
