NEMESIS LIVES AGAIN

JOHN GARDNER
INTRODUCTION BY OTTO PENZLER

Return Of Moriarty

Janet G. Husband, Jonathan F. Husband

Return Of Moriarty:

The Return of Moriarty John Gardner, 1974 It is the turn of the century and far from perishing during the struggle with Sherlock Holmes at the Reichenbach Falls Professor James Moriarty is alive and well and about to realize his plans to establish crime syndicates in the major cities of the United States But suddenly he is called back to London where his vast criminal society has been overrun by a rival concern led by the shadowy Sir Jordan Jack Idell or Idle Jack a supposed gentleman hoodlum acting on behalf of criminal elements in France Italy Spain and Germany

The Return of Moriarty John Gardner, 2021-11-15 Now back in print after forty years The first novel in John Gardner's bestselling series of Victorian crime thrillers pitting Sherlock Holmes against the Napoleon of crime Professor James Moriarty Once again the game is afoot What really happened in Switzerland between Moriarty and Sherlock Holmes in 1891 And why is Holmes now in London at 221B Baker Street curiously uncooperative with Scotland Yard's inquiries Furthermore why has Moriarty planned a grand meeting with the international crime syndicate These are the questions that make up the larger mystery of the sinister Professor Moriarty's return

The Return of Moriarty Jack Anderson, 2025-10-07 After Professor Moriarty survives Reichenbach Falls and Sherlock Holmes dies Moriarty finds himself caught up in a locked room mystery Holmes couldn't solve This time it's up to Moriarty to crack the mystery perfect for fans of Sherlock Holmes ingenious retellings like the ones by Anthony Horowitz and Laurie R King Upon escaping from Reichenbach Falls his empire in ruins criminal mastermind James Moriarty takes the identity of wealthy inventor Hugo Strahm and embarks on a dark pilgrimage to the cliffside manor of Schloss Alber in Bavaria When medical student Clara Mendel returns to Schloss Alber she finds her childhood home on the verge of ruin A deadly feud over a priceless heirloom has thrown the Alber family into chaos while its walls play host to an unusual cast of characters the obstinate Lord Alber his strange and beleaguered children their cantankerous butler and of course their mysterious new guest Hugo Strahm When one of them is poisoned at dinner it's the first act in a spiraling criminal conspiracy in which any and all of them are suspects Working with the sharp and inquisitive Clara the former crime lord attempts to solve the mystery whilst trying to keep his true identity concealed Yet despite taking on the role of detective Moriarty does not share Sherlock Holmes's methods nor his interest in justice Only one thing is certain for James Moriarty dying at the hands of Sherlock Holmes would have been an elegant end The question of what comes next is far more complicated This cleverly plotted mystery is a faithful and inventive take on the Sherlock Holmes legacy paying homage to Arthur Conan Doyle's signature style while adding its own devious tricks to the story that is destined to become a must read classic for Sherlock Holmes fans

The Return of Moriarty Jack Anderson, 2025-11-06 An outstanding historical murder mystery Guy Mopuss Come for the title stay for the domestic hijinks that'll give the archcriminal a run for his money Kirkus Reviews Sherlock Holmes is dead But his nemesis is not James Moriarty is severely wounded his organisation has been dismantled and Sherlock Holmes is dead Fleeing to recover desperate to rebuild his empire Moriarty must assume a new

identity Months after Sherlock's death aspiring doctor Clara Mendel returns to Schloss Alber after a six year absence The vast estate which hangs high upon the cliffs of Bavaria is home to the noble Alber family A priceless sword on which the family's wealth and reputation depends has been stolen from the grave of the intended heir Clara's step father Lord Alber has placed his trust firmly in his esteemed new friend a Mr Hugo Strahm to find the sword and prevent the noble family's ruin Once they have spent more time together Clara becomes intrigued by Strahm's formidable intellect finally she has an equal at Schloss Alber But Clara isn't naive She knows the secrets a great house like Schloss Alber can hide And as she spends more time in Mr Strahm's company she begins to suspect him of hiding his true identity Can she really trust him to find the missing sword The start of a fiendishly inventive and enjoyable new historical mystery series Jack Anderson's Moriarty Mystery books see Sherlock Holmes iconic villain re-invented for a whole new generation of readers The Return of Moriarty John E.
