P. Lovecraft, **Hell's Half-Acre** Susan Jonas,2022-03-01 One of NPR s Books We Love New York Times Book Review s The Best True Crime of 2022 Rich in historical perspective and graced by novelistic touches grips the reader from first to last Wall Street Journal A suspense filled tale of murder on the American frontier shedding new light on a family of serial killers in Kansas whose horrifying crimes gripped the attention of a nation still reeling from war In 1873 the people of Labette County Kansas made a grisly discovery Buried by a trailside cabin beneath an orchard of young apple trees were the remains of countless bodies Below the cabin itself was a cellar stained with blood The Benders the family of four who once resided on the property were nowhere to be found The discovery sent the local community and national newspapers into a frenzy that continued for decades sparking an epic manhunt for the Benders The idea that a family of seemingly respectable homesteaders one among the thousands relocating farther west in search of land and opportunity after the Civil War were capable of operating a human slaughter pen appalled and fascinated the nation But who the Benders really were why they committed such a vicious killing spree and whether justice ever caught up to them is a mystery that remains unsolved to this day Set against the backdrop of postbellum America Hell s Half Acre explores the environment capable of allowing such horrors to take place Drawing on extensive original archival material Susan Jonas introduces us to a fascinating cast of characters many of whom have been previously missing from the story Among them are the families of the victims the hapless detectives who lost the trail and the fugitives that helped the murderers escape Hell s Half Acre is a journey into the turbulent heart of nineteenth century America a place where modernity stalks across the landscape violently displacing existing populations and building new ones It is a world where folklore can quickly become fact and an entire family of criminals can slip through a community s fingers only to reappear in the most unexpected of places Abstracts of Gloucestershire Inquisitiones Post Mortem Returned Into the Court of Chancery ... Selcer,1991-01-01 Texas is a place where legends are made die and are revived Fort Worth Texas claims its own legend Hell s Half Acre a wild n woolly accumulation of bordellos cribs dance houses saloons and gambling parlors Tenderloin districts were a fact of life in every major town in the American West but Hell s Half Acre its myth and its reality can be said to be a microcosm of them all The most famous and infamous westerners visited the Acre Timothy Longhair Jim Courtright Luke Short Bat Masterson Wyatt Earp Doc Holliday Sam Bass Mary Porter Etta Place along with Butch Cassidy and his Wild Bunch and many more For civic leaders and reformers the Acre presented a dilemma the very establishments they sought to close down or regulate were major contributors to the local economy Controversial in its heyday and receiving new attention by such movies as Lonesome Dove Hell s Half Acre remains the subject of debate among historians and researchers today Richard Selcer successfully separates fact from fiction myth from reality in this vibrant study of the men and women of Cowntown s notorious Acre **Remnant of Hell** DON M.

RUSSELL,2014-04 From the beginning Muley Tatum is a thorn in Marshal Carson s side Muley is a hideous grinning character that kills for virtually no reason and he rides with whatever set of misfits he can persuade Most are of outlaw nature such as PossumTucker who escaped jail to re associate with the horrendous outlaw But there is also a pair of brothers trail riders up from Texas that follow the devious man in black looking for they don t know what perhaps a chance for something better than going back to herding cows in Texas Carson was instilled as a U S Marshal by President Grover Cleveland being solicited for the job by the Kansas governor and a territorial Judge to bring reasonable law and order to the Dodge City area following the antics of the Earps Luke Short Mastersons etc The trails Carson follows to corral the demented Muley Tatum are many all of them laced with death But uniquely Tatum has a generous kindheartedness toward women folk that came about when he was a youngster but it s a weakness that could get him killed **Payette National Forest** ,1988
