The Hanging Valley Peter Robinson, 2008-12-02 The fourth installment of Robinson's internationally bestselling Inspector Banks series It began with a faceless maggot ridden corpse in a tranquil hidden valley above the village of Swainshead Or did it really begin with the unsolved murder in the same area over five years earlier The villagers especially those who frequent the White Rose are annoyingly silent Among the suspects are the Collier brothers Stephen and Nicholas from the wealthiest and most powerful family in Swainsdale John Fletcher a local farmer Sam Greenock owner of the village's best guest house and his unhappy wife Katie who knows more than she realizes When the Colliers use their influence to slow down the investigation and the others clam up Inspector Banks heads for Toronto to track down the killer He soon finds himself in a race against time as events rush towards the shocking conclusion

Marilyn Barber, Murray Watson, 2015-03-20 Despite being one of the largest immigrant groups contributing to the development of modern Canada the story of the English has been all but untold In *Invisible Immigrants* Barber and Watson document the experiences of English born immigrants who chose to come to Canada during England's last major wave of emigration between the 1940s and the 1970s Engaging life story oral histories reveal the aspirations adventures occasional na vet and challenges of these hidden immigrants Postwar English immigrants believed they were moving to a familiar British country Instead like other immigrants they found they had to deal with separation from home and family while adapting to a new country a new landscape and a new culture Although English immigrants did not appear visibly different from their new neighbours as soon as they spoke they were immediately identified as foreign Barber and Watson reveal the personal nature of the migration experience and how socio economic structures gender expectations and marital status shaped possibilities and responses In postwar North America dramatic changes in both technology and the formation of

national identities influenced their new lives and helped shape their memories Their stories contribute to our understanding of postwar immigration and fill a significant gap in the history of English migration to Canada **Federal Reserve Bulletin**,1923 **The Provincial Statutes of Canada** Canada,1848 **A Necessary End** Peter Robinson,2013-10-22 A policeman is stabbed to death at an anti nuclear demonstration outside the Eastvale Community Centre in Yorkshire In a politically motivated move Detective Superintendent Richard Dirty Dick Burgess is pulled in from London to run the investigation With a long list of suspects and an old enemy breathing down his neck the odds are against Chief Inspector Alan Banks as he races to find the killer before Burgess and save his career Third in the critically acclaimed Inspector Banks Mystery Series
