Return Of The Ayatollah:

The Return of the Ayatollah Muhammad Hasanayn Haykal, 1983 Iran and the Islamic Revolution Dr King, John King, 2005-11-02 Iran is a country governed by Islamic principles which sometimes poses a challenge to the West This book answers key questions such as How did Iran become an Islamic Republic What caused the Iranian government's hostility toward the United States What role does Iran play in the Middle East and the rest of the world *Salman's Legacy* Madawi Al-Rasheed, 2018-06-01 A timely look at the personalities and factions contending for power in Riyadh as one princely order crumbles and another asserts itself **The Shah, the Islamic Revolution and the United States** Darioush Bayandor, 2018-12-02 The Islamic Revolution in 1979 transformed Iranian society and reshaped the political landscape of the Middle East Four decades later Darioush Bayandor draws upon heretofore untapped archival evidence to reexamine the complex domestic and international dynamics that led to the Revolution Beginning with the socioeconomic transformation of the 1960s this book follows the Shah's rule through the 1970s tracing the emergence of opposition movements the Shah's blunders and miscalculations the influence of the post Vietnam zeitgeist and the role of the Carter administration The Shah the Islamic Revolution and the United States offers new revelations about how Iran was thrown into chaos and an ailing ruler lost control with consequences that still reverberate today **The Lucifer Principle** Howard K. Bloom, 1997 Bloom draws an analogy between the biological material whose primordial multiplication began life on earth and the ideas or memes that define give cohesion to and justify human superorganisms **The Return of the Ayatollah** Mohamed Heikal, 1981

Uncommon Grounds Anthony Downey, 2014-09-30 In this groundbreaking book a range of internationally renowned and emerging academics writers artists curators activists and filmmakers critically reflect on the ways in which visual culture has appropriated and developed new media across North Africa and the Middle East Examining the opportunities presented by the real time generation of new relatively unregulated content online Uncommon Grounds evaluates the prominent role that new media has come to play in artistic practices and social movements in the Arab world today Analysing alternative forms of creating broadcasting publishing distributing and consuming digital images this book also enquires into a broader global concern does new media offer a democratisation of and a productive engagement with visual culture or merely capitalise upon the effect of immediacy at the expense of depth Featuring full colour artists inserts this is the first book to extensively explore the degree to which the grassroots popularity of Twitter and Facebook has been co-opted into mainstream media institutional and curatorial characterisations of revolution and whether artists should be wary of perpetuating the rhetoric and spectacle surrounding political events In the process Uncommon Grounds reveals how contemporary art practices actively negotiate present day notions of community based activism artistic agency and political engagement **History for the IB Diploma Paper 2 Causes and Effects of 20th Century Wars** Mike Wells, Nick Fellows, 2016-08-04 1 Introduction 2 The First World War 3 The Spanish Civil War 4 The Second World War 5 The Chinese Civil War 6 The Iran Iraq conflict 7

Exam practice Further Information Index **Evangelicals and Israel** Stephen Spector, 2009 Most observers explain evangelical Christians bedrock support for Israel as stemming from the apocalyptic belief that the Jews must return to the Holy Land as a precondition for the second coming of Christ But the real reasons argues Stephen Spector are far more complicated In *Evangelicals and Israel* Spector delves deeply into the Christian Zionist movement mining information from original interviews web sites publications news reports survey research worship services and interfaith conferences to provide a surprising look at the sources of evangelical support for Israel Israel is God s prophetic clock for many evangelicals irrefutable proof that prophecy is true and coming to pass in our lifetime But Spector goes beyond end times theology to find a complex set of motivations behind Israel evangelical relations These include the promise of God s blessing for those who bless the Jews gratitude to Jews for establishing the foundations of Christianity remorse for the Church s past anti-Semitism fear that God will judge the nations based on how they treated the Jewish people and reliance on Israel as the West s firewall against Islamist terrorism Spector explores many Christian Zionists hostility toward Islam but also uncovers an unexpected pragmatism and flexibility concerning Israel s possession of the entire Holy Land For evangelicals politics frequently mixes with faith Yet Spector argues that evangelical beliefs though often portrayed as unifying and rigid are in reality various and even contradictory Spector uses George W Bush s beliefs about the Bible as a sounding board for these issues and explores the evangelical influence on his Middle East policies *Evangelicals and Israel* corrects much of the speculation about Bush s personal faith and about evangelicalism s impact on American Middle East relations and provides the fullest and most nuanced account to date of the motives and theology behind Christian Zionism [How Armies Respond to Revolutions and Why](#) Zoltan Barany, 2020-03-31 An exploration of military responses to revolutions and how to predict such reactions in the future We know that a revolution s success largely depends on the army s response to it But can we predict the military s reaction to an uprising *How Armies Respond to Revolutions and Why* argues that it is possible to make a highly educated guess and in some cases even a confident prediction about the generals response to a domestic revolt if we know enough about the army the state it is supposed to serve the society in which it exists and the external environment that affects its actions Through concise case studies of modern uprisings in Iran China Eastern Europe Burma and the Arab world Zoltan Barany looks at the reasons for and the logic behind the variety of choices soldiers ultimately make Barany offers tools in the form of questions to be asked and answered that enable analysts to provide the most informed assessment possible regarding an army s likely response to a revolution and ultimately the probable fate of the revolution itself He examines such factors as the military s internal cohesion the regime s treatment of its armed forces and the size composition and nature of the demonstrations *How Armies Respond to Revolutions and Why* explains how generals decide to support or suppress domestic uprisings
