Return Of The Dove:

Return of the Dove Margaret Storm,1959 **Return of the Dove** Margaret Storm,1996 The Wrath, the Return, the Truth Daniel Osorio,2007-12 Osorio examines real events and current affairs and considers how they continue to shape the nation and the world This far reaching spiritual guide explores the condition of today s church and presents a vision for the future of mankind **The Sibylline Oracles** J. L. Lightfoot,2007-12-13 In this book J L Lightfoot throws a bridge between two mutually ignorant areas pagan oracles and Judaeo Christian studies The Sibyl was a legendary figure in Greco Roman antiquity who was credited with verse prophecies often of an apocalyptic character Lightfoot describes how she was taken over by Jews in the Hellenistic period and later by Christians as a vehicle for their own understandings of prophecy She explores what those understandings were and describes how the message was then clothed in the very distinctive and mannered pagan idiom that was the hallmark of Sibylline prophecy The volume contains an edition translation and commentary on the undeservedly neglected first and second books of extant oracles The commentary illustrates some of the ways in which biblical scriptures were represented and recast in an oracular idiom and pays particular attention to the oracle s most noteworthy feature its extraordinarily rich description of the Day of Judgement **The Chautauquan** ,1896 *New York Magazine* ,1993-11-15 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Return to the Root** Joyce Rupp,2021-10-08 Winner of a third place award for contemporary spirituality from the Catholic Media Association One of the Spirituality Practice 50 best spiritual books of 2021 For more than a decade bestselling author and international retreat leader Joyce Rupp has written a monthly newsletter offering personal reflections and inspiration from her heart to ours In Return to the Root Rupp expands on the best of those reflections to invite all of us who feel overwhelmed by busyness cut off from the Divine or adrift in the world to reach solid ground Through her reflections as well as new poems and prayers she guides us to see the essential what is at the root of our lives and what keeps us rooted so that we can feel at peace no matter the events of the world around us Rupp offers meditative uplifting reflections grown out of the seasons the Church s liturgical life and the small moments that adorn our days that escort us through the year With each reflection we shift beyond the immediate moment to see the timeless truths within including choosing to hold on to hope trusting how God speaks to us and how we experience the Divine and recognizing that there is always something for which to be grateful Whether we need to be reminded of important truths or to experience moments of tranquility in a life of nonstop distractions Rupp s Return to the Root offers us space to explore the beauty of the world and hold onto those things that sustain our beings and as the apostle Paul wrote keep us rooted and grounded in love Songs
