Return To Jerusalem:

Return to Jerusalem David Schlossberg, 2010-08-11 Return To Jerusalem recounts the events following the defeat of Israel by Babylon in 586 BCE The story follows the fortunes of two families through their exile to Babylon the defeat of Babylon by Persia and the subsequent return of the Jews to Israel The Jews rebuilt the city wall and re established the Temple in Jerusalem and Israel flourished for the next 500 years Many figures in the book are historical for example King Nebuchadnezzar of Babylon modern day Iraq and Cyrus and Artaxerxes of Persia modern day Iran Others are biblical personalities such as Daniel Ezra and Nehemiah The clash of Babylonian Persian and Jewish cultures attacks on Israel from warring neighbors and efforts by Jewish leaders to defend and protect their culture are issues which resonate today as they did 2500 years ago The Return from Babylon to Jerusalem C 536-450 BC Betty Banaszak, 2016-06-11 The Return is a sequel to its predecessor The Divided Kingdom which covers Israel s history from the time of Solomon to the Babylonian Captivity and includes all the written prophets of that period The Return picks up where Cyrus the Great and Darius the Mede conquer Babylon and bring in the new empire under the joint government of the Medes and the Persians God continues to move mightily in high places this time effecting the unprecedented liberation of all subjects to return peaceably to their homelands The timetable is perfect precisely seventy years later according to Jeremiah s prophecy in Jer 29 10 For thus saith the Lord That after seventy years be accomplished at Babylon I will visit you and perform my good word toward you in causing you to return to this place This Return is called the Restoration Period where God releases the Jews to return and restore all that has been destroyed because of their iniquities Against the backdrop of some of history s greatest rulers the Jews are graced with overwhelming subsidies to support the rebuilding of their cherished city Jerusalem and its fallen Temple Cyrus the Great Darius the Great Xerxes the Great and his son Artaxerxes Longimanus the Great all play key roles in the history of God s chosen people The Return covers the writings of Ezra Nehemiah Daniel the prophetic words of Haggai Zechariah and Malachi and the chilling account of Queen Esther who risks her life to staunch an empire wide attempt to annihilate her people The events of this Old Testament period foreshadow the Christian dispensation where the church is progressively released from her spiritual Babylonian captivity through the ministries of Luther the Wesley brothers the charismatic revivals of the 20th century with the restoration of spiritual gifts and ministries and the current emphasis on Christ s second coming The Restoration leaders and prophets focus on the celebration of Israel s third great feast the Feast of Tabernacles The moving of God s spirit today is centered on the fulfillment of this crowning moment where the sons of God who have matured in Christ will appear as the governors of the Millennial Reign of Christ and bring in an age of peace and harmony in the earth All this and more are covered in this scholarly yet easy to read volume of Biblical truth The 2 volume 8 1/2 x 11 edition is in larger print and the illustrations are clearer The single volume 6 x 9 Compact Edition is in smaller print and more portable Both volumes 738 pages **The Return from Babylon to Jerusalem C 536 BC-450 BC** Betty

The Breaking of the Image David Martin, 2006 Stacie E. Goddard, 2009-11-04 This book challenges the conventional wisdom that territorial conflicts in Jerusalem and Northern Ireland were inevitable Stacie Goddard's research shows that it was radical political rhetoric and not ancient hatreds that rendered these territories indivisible preventing negotiation and compromise and leading to violence and war The Sunday-school World, 1893 **The Search for Order** W.J. Dumbrell, 2001-10-29 The Bible's eschatological framework is spread across the table for all to see in The Search for Order showing the unfolding of God's total plan for history not just the last days In a world disordered by sin Scripture describes God's goal as a reordering of corrupted creation according to William J Dumbrell The author takes into account current positions as he looks for the big eschatological picture with the same thorough approach to biblical theology he brought to The End of the Beginning and Covenant and Creation In the resulting thematic survey students are allowed to draw their own conclusions about the Bible's overall position on the climactic scenes of history Ultimately they learn to conceive of eschatology less as an expectant construction of future events than as a theological approach to comprehending what God is doing today *History of the World from the Earliest Period to the Present Time* Evert Augustus Duyckinck, 1871 **The Orthodox Church in the Arab World, 700-1700** Samuel Noble, Alexander Treiger, 2014-03-15 All of the texts chosen for this volume are interesting in their own right but the collection of these sources into a single volume with helpful introductions and bibliographies makes this book an invaluable resource for the study of Arabic Christianity and indeed the history of Christianity more broadly Hugoye Journal of Syriac Studies Arabic was among the first languages in which the Gospel was preached The Book of Acts mentions Arabs as being present at the first Pentecost in Jerusalem where they heard the Christian message in their native tongue Christian literature in Arabic is at least 1 300 years old the oldest

surviving texts dating from the 8th century Pre modern Arab Christian literature embraces such diverse genres as Arabic translations of the Bible and the Church Fathers biblical commentaries lives of the saints theological and polemical treatises devotional poetry philosophy medicine and history Yet in the Western historiography of Christianity the Arab Christian Middle East is treated only peripherally if at all The first of its kind this anthology makes accessible in English representative selections from major Arab Christian works written between the eighth and eighteenth centuries The translations are idiomatic while preserving the character of the original The popular assumption is that in the wake of the Islamic conquests Christianity abandoned the Middle East to flourish elsewhere leaving its original heartland devoid of an indigenous Christian presence Until now several of these important texts have remained unpublished or unavailable in English Translated by leading scholars these texts represent the major genres of Orthodox literature in Arabic Noble and Treiger provide an introduction that helps form a comprehensive history of Christians within the Muslim world The collection marks an important contribution to the history of medieval Christianity and the history of the medieval Near East
