the War was Over Mark Mazower, 2000-11-12 This volume makes available some of the most exciting research currently underway into Greek society after Liberation Together its essays map a new social history of Greece in the 1940s and 1950s a period in which the country grappled bloodily with foreign occupation and intense civil conflict Extending innovative historical approaches to Greece the contributors explore how war and civil war affected the family the law and the state They examine how people led their lives as communities and individuals at a time of political polarization in a country on the front line of the Cold War s division of Europe And they advance the ongoing reassessment of what happened in postwar Europe by including regional and village histories and by examining long running issues of nationalism and ethnicity Previously neglected subjects from children and women in the resistance and in prisons to the state use of pageantry yield fresh insights By focusing on episodes such as the problems of Jewish survivors in Salonika memories of the Bulgarian occupation of northern Greece and the controversial arrest of a war criminal these scholars begin to answer persistent questions about war and its repercussions How do people respond to repression How deep are ethnic divisions Which forms of power emerge under a weakened state When forced to choose will parents sacrifice family or ideology How do ordinary people surmount wartime grievances to live together In addition to the editor the contributors are Eleni Haidia Procopis Papastratis Polymeris Voglis Mando Dalianis Tassoula Vervenioti Riki van Boeschoten John Sakkas Lee Sarafis Stathis N Kalyvas Anastasia Karakasidou Bea Lefkowitz Xanthippi Kotzageorgi Zymari Tassos Hadjianastassiou and Susanne Sophia Spiliotis *The Agony of Greek Jews, 1940-1945* Steven B. Bowman, 2009-10-07 The Agony of Greek Jews tells the story of modern Greek Jewry as it came under the control of the Kingdom of Greece during the nineteenth and twentieth centuries In particular it deals with the vicissitudes of those Jews who held Greek citizenship during the interwar and wartime periods Individual chapters address the participation of Greek and Palestinian Jews in the 1941 fighting with Italy and Germany the roles of Jews in the Greek Resistance aid and rescue attempts and the problems faced by Jews who returned from the camps and the mountains in the aftermath of the German retreat Bowman focuses on the fate of one minority group of Greek citizens during the war and explores various aspects of its relations with the conquerors the conquered and concerned bystanders His book contains new archival material and interviews with survivors It supersedes much of the general literature on the subject of Greek Jewry Jews in the Realm of the Sultans Yaron Ben-Naeh, 2008 Jewish society in the Ottoman Empire has not been the subject of systematic research The seventeenth century is the main object of this study since it was a formative era For Ottoman Jews the Ottoman century constituted an era of gradual acculturation to changing reality parallel to the changing character of the Ottoman state Continuous changes and developments shaped anew the character of this Jewry the core of what would later become known as Sephardi Jewry Yaron Ben Naeh draws from primary and secondary Hebrew Ottoman and European sources the image of Jewish society in the Ottoman Empire In the chapters he leads the reader from the overall urban framework to individual aspects Beginning with the physical environment he moves on to discuss their relationships

with the majority society followed by a description and analysis of the congregation its organization and structure and from there to the character of Ottoman Jewish society and its nuclear cell the family Special emphasis is placed throughout the work on the interaction with Muslim society and the resulting acculturation that affected all aspects and all levels of Jewish life in the Empire In this the author challenges the widespread view that sees this community as being stagnant and self segregated as well as the accepted concept of a traditional Jewish society under Islam Urban Muslim Migrants in Istanbul Frances Trix,2016-10-26 Some fled following World War II and travelled east by train to Istanbul with no more than a suitcase And yet 50 years later one of their migrant associations was second only to the Red Crescent in providing aid to the urban poor of Istanbul Frances Trix analyses the development of the oldest such association originally founded to welcome new migrants as they arrived from Skopje after World War II and shows how Islam is central to its structure and practices Her wide ranging study variously focuses on its leadership the growing role of women in the organisation and the importance of music and poetry in coping with exile In so doing she raises wider questions concerning the preservation and articulation of identity amongst migrant communities Urban Muslim Migrants in Istanbul is a rare ethnography of an Islamic urban group based on extensive archival research and interviews in various languages across Istanbul Skopje and Kosovo Trix s unique approach brings a human element to the study of forced migration conflict and trauma and it is an important book for academics and policymakers interested in the Balkans the Middle East Turkey and migration studies From Iberia to Diaspora Yedida K. Stillman,Norman A. Stillman,2023-12-14 This rich interdisciplinary collection of articles offers fascinating new insights into the history and culture of Sephardic Jewry both in pre Expulsion Iberia and throughout the far flung diaspora
