M. Barnes, 2005-04 Rax awakens no longer a mute but as a prophet in the name of none other than Gaea He says the Demonslayers must prepare A war that will shake the sun is about to occur that will decide the fate of not only the Demonslayers but the entire world Darkon must be prepared to become the leader of his people but he must be properly trained in the mind flow and be free from the looming shadow of insanity that its presence helped to create Krosten has found just the woman for the job Malynine the oracle of the Khurl clan Calic Matar s plans have reached fruition The Demonslayers have gathered the wayward children of the land All the better to incite the endless hordes in the Unifier s name The pantheons will have to realize that the final day has come unless they can forget their petty differences and stand together against this demonic threat Using elder magic the Unifier threatens to open a gateway to our world where he plans to lead his foul brethren to long awaited dominion over Earth Can even the gods stop him now Not if the armies of Hell can stop him first The All Mother cradles her favorite children once again in their ancient homeland Will they be staying or will they be heading for greener pastures Whatever did happen to all that was magical on Earth Well now you can find out as the elves dwarves and even the faerie finally recognize they have little remaining choice in the face of human advancement or human savagery Walk ye now beside the Demonslayers Earth s one time protectors because before you know it they will have disappeared
