The Return of the Magnificent Five Roy D Perkins, 2021-10-18 This is the story of five talking dogs all deceased The story deals with how these five canines raise hell while they are alive by stealing food wrecking stuff chasing other animals and skinny dipping and then pulling the same shenanigans after they die Four of the five dogs were abused by humans when they were alive Now that they are dead the tides have changed The dogs are telling the humans what to do In hell the dogs become correction officers over the humans In hell the dogs come face to face with those humans who abused them It's bad enough for the humans to be hell's prisoners it's much worse with the dogs being the prison wardens In heaven the Almighty assigns the dogs tasks to carry out on earth They accomplish their tasks without regard to pride ego vanity anger prejudice or greed The dogs can't be bought or conned by any of the humans they meet during their assignments They carry out their assignments with total objectivity The dogs will do anything that the Almighty tells them to do They know that

during and after their assignments there are banquets for pigging out items to wreck critters to chase and heated swimming pools Having immortal bodies the thrill of being injured killed or captured and executed is not there anymore however the Almighty sometimes improvises for them The main characters are five dogs Runner a greyhound the philosopher Danny a greyhound the spiritual leader Vinney a whippet a risk taking lunatic Doggie a treeing walker coonhound and cocker spaniel mix that will chase anything and Peanut Butter a puggle who is naive with four months of college This is a sequel to The Human World from a Canine Point of View *Perspectives on Midwifery and Parenthood* Rita Borg Xuereb,Julie

Jomeen,2023-01-01 The book *Perspectives on Midwifery and Parenthood* explores contemporary issues relating to parenthood and midwifery This book bridges a gap in the literature where it highlights the close and unique relationships that midwives nurses doctors other health care professionals and students enjoy with women and men during their transition to parenthood Midwives work in close contact with and address the diverse needs of women and men during one of the most critical life s transitions preconception pregnancy childbirth and early parenting and its long term implications on the psychosocial emotional physical and spiritual wellbeing of parents and infants The chapters cover the transition and preparation for parenthood midwives and parental fetal tie in pregnancy perinatal mental health maternal well being infertility repeated loss and surrogacy supporting early parenting following preterm birth adolescent pregnancy and early parenthood social challenges and parenthood including drug and alcohol use in pregnancy intimate partners violence migrants and transition to parenthood fathers transition to parenthood diversity of family formation LGBTQ parents breastfeeding the role of spirituality during pregnancy and midwifery and parenthood Each person is unique and so is the response to parenthood as the mother father and family embark on this new lifeworld a lifelong commitment The book is a compendium of contemporary research depicting the strengths opportunities and recommendations how midwives and other health care professionals can nurture optimal compassionate respectful person and family centred care during pregnancy and early parenting the transition to parenthood How to Make Your Child Smart and Intelligent? Dr. J.C.Lall, Dr.

S.B.Lall,2018-08-09 Many experts now believe that an average child s intelligence develops up to the ages of six to eight years as it does between the ages of 8 18 years Early years in child development are crucial for his or her smartness and intelligence A restricted or under stimulated environment may restrict the intelligence of a child Intelligence as a whole is a combination of book smartness and street environment smartness and is required for success in life This book contains valuable insight for development of smartness and intelligence and also explains how to increase it This is described in the form of a practical guide for parents which will help children at home school and later in life in a positive way

Grandparents Returning to Parenthood Tabitha Sage,2020-03-19 In this Inspirational story the author gives the reader an inside look into the many years of misery she experienced by her daughter s drug addictions Through it all she was able to find peace and reveals how she was able to recover Recovery from pain to peace She was not only was dealing with her own

grieve and emotions there was also the safety and well being of her three grandchildren at risk She gives us a glimpse into what she calls her roller coaster My rollercoaster was filled with shame fear anger betrayal and disappointments Her life was truly turned upside down and it caused a lot of pain to a lot of people including her three very young grandchildren who the author eventually adopted Suffering was controlling her life and she couldn't live with the pain anymore She refers to this point as hitting her rock bottom much like she hoped for her daughter to reach in order for healing to begin Reaching her rock bottom opened her up to different forms of healing and transformation She shares three tools that have contributed to her healing success and how these tools can be valuable to use with children as well By implementing changes shifts in acceptance forgiveness mind set and her perception on addiction took place within her leading her to peace and happiness The book is chuck full of resources encouraging one's own self discovery My vision is to create inspiration in others to find themselves again and find peace in this unplanned journey Through her daughter addictions raising her grandchildren who are now her children and her own grief she shares a heartfelt and inspiring journey of a grandmother finding herself and how she did it
