Return To X Isle:

The A-Men Return John Trevillian, 2011 Four years have passed since the destruction of the Phoenix Tower and with it the infamous A Men The once great Dead City is now a no go zone abandoned and forgotten Living in this nightmarish underworld Jack is a twisted shadow of his former self a lone survivor in a world of warring ganglords and their crazed disciples Yet something is stirring in the sanctuary of the near space starstations a realisation that its governing sentence is dying and the one thing that can save civilisation fell to earth a long long time ago From unrelentingly visceral to outrageously comic this is a harsh and poetic twenty second century noir fable Yet beneath the hardboiled action is a philosophical journey of one man s rebirth in a harsh and unforgiving world It s The A Men Only harder faster darker
