Returning To The Point Poetry:

Returning to the Point Dorothy Mahoney, 2001 With this second book of poetry *Returning to the Point* Dorothy Mahoney has revisited her childhood to explore rituals of the past From Soup at Six to Sunday Drives the landscapes surrounding her grandparents farm reveal early experiences with death and the illusion of childhood wishes Coming from the city there was something magical about the farm from her grandmother s ability to grow anything from bare cuttings to her grandfather s stuffed red fox and his violin As immigrants the farm was their second beginning the first was only a lengthening shadow This collection celebrates the land from Point Pelee to Bon Echo and extends to Mexico and Peru to explore the fragile link between hope and despair on the edge of Eden wondering as woodlots are cleared for development mice mysteriously die in the potting shed and far off in the Himalayas a man ponders the dwindling number of bees The burial customs of Madagascar frame the last link with the family s past as a spinster aunt s burial plot in Austria is no longer renewed but is instead resold and reused Eventually the farm is also sold transplanted raspberry canes refuse to grow All that was is gone This is a book about change and the struggle to accept what was and what remains returning to the point to salvage and reclaim

After the Point of No Return David Wagoner, 2013-05-10 Wagoner s words are a living link to the world enacting it so vitally that they feel like natural facts The Seattle Times In his twenty fourth book of poetry David Wagoner reflects on youth love regret and expectation versus reality Here a master writes at top form back dropped by life s curious moments and imagining Jesus as an untidy roommate or considering our final destination in *Beginner s Guide to Death* After the Point of No Return After that moment when you ve lost all reason for going back where you started when going ahead is no longer a Yes or No but a matter of fact you ll need to weigh on the one hand what will seem on the other almost nothing against something slightly more than nothing and must choose again and again at points of fewer and fewer chances to guess when and which way to

turn That s when you might stop thinking about stars and storm clouds the direction of wind the difference between rain and snow the time of day or the lay of the land about which trees mean water which birds know what you need to know before it s too late or what s right here under your feet no longer able to tell you where it was you thought you had to go David Wagoner is the author of two dozen books of poetry and ten novels A longtime teacher at University of Washington he was the editor at Poetry Northwest He lives in Seattle Washington

Exile and Return as Poetics of Identity in Contemporary Anglo-Caribbean Literature Eleonora Natalia Ravizza,2019-11-25 In contemporary Anglo Caribbean literature the dialectic interrelations of exile and return are essential for conveying meta reflections on literature and language as well as the role they play in the construction of personal and collective identities While this volume focuses on the specificity of a cultural area whose history is marked by colonialism diaspora slavery and racial conflicts it also raises epistemological questions surrounding the complexity of literature and its function in a world which is ever more composite hybrid and transcultural By developing a new systematic approach which combines post colonial studies theories of intertextuality and philosophy of language it explores how contemporary literary texts reflect elaborate and redefine the experiences of societies that are currently dealing with ever growing global interdependencies and newly formed cultural and semiotic context

The Cambridge Introduction to British Poetry, 1945-2010 Eric Falci,2015-11-12 The Cambridge Introduction to British Poetry 1945 2010 provides a broad overview of an important body of poetry from England Scotland Wales and Northern Ireland from the postwar period through to the twenty first century It offers a comprehensive view of the historical context surrounding the poetry and provides in depth readings of many of the period s central poets British poetry after 1945 has been given much less attention than both earlier British and American poetry as well as postwar American poetry There are very few single author studies that present the entirety of the period s poetry This book is unique for the comprehensive richness with which it presents the historical and literary historical scene as well as for its close up focus on a wide range of major poets and poems

The Work of Poetry John Hollander,1997 The Work of Poetry is organized into three parts Poetic Substance explores the nature of poetry and the poet with essays that cover the poet being and feeling at home in his or her work and the parallels between dreams and poetry *Beyond Return* Lucas Hollister,2019 In Beyond Return Lucas Hollister examines the political orientations of fictions which return to forms that have often been considered sub literary regressive outdated or decadent and suggests new ways of reading contemporary adventure novels radical noir novels postmodernist mysteries war novels and dystopian fictions

From beat scene poet to psychedelic multimedia artist in San Francisco and beyond, 1948-1978 G.Stern, **Return of the Gods** Owen Ware,2025 Why is mythology of vital importance for the romantics What role does mythology play in their philosophical and literary work And what common sources of influence inspired these writers across Britain and Germany at the turn of the nineteenth century In this wide ranging study Owen Ware argues that the romantics turn to mythology for its potential to transform how we see ourselves

others and the world Engaging with authors such as Schiller Blake Schlegel Coleridge Novalis and Shelley Ware shows why they believe that neither perception nor reason alone can sustain a vision of the unity of all things A new mode of cognition is necessary they claim one that revives the poetic origin of mythology and reveals our own mythmaking powers The first study devoted to the rise of mythology in the British and German traditions Ware s book investigates the romantics practices of reinterpreting old myths and inventing new ones Their shared aim is nothing less than to elevate the human imagination to higher stages of self development in which philosophy and poetry as well as intellect and imagination form an integrated whole Far from calling us to return to the past the romantics work on mythology points us to a future where we can live in harmony with the personal social and natural worlds we inhabit Combining intellectual history with philosophical analysis and literary criticism Return of the Gods offers a bold reflection on why mythology mattered for the romantics and why it still matters today **The Return of King Arthur and the Nibelungen** Maike Oergel,2010-10-13 No detailed description available for The Return of King Arthur and the Nibelungen

Returning To The Point Poetry: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Returning To The Point Poetry : Delia Owens' "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.

Returning To The Point Poetry Introduction

In today's digital age, the availability of Returning To The Point Poetry books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Returning To The Point Poetry books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Returning To The Point Poetry books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to

purchase several of them for educational or professional purposes. By accessing Returning To The Point Poetry versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Returning To The Point Poetry books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Returning To The Point Poetry books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Returning To The Point Poetry books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Returning To The Point Poetry books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Returning To The Point Poetry books and manuals for download and embark on your journey of knowledge?
