Returns Of Love A Christian View Of Homosexuality:

Two Views on Homosexuality, the Bible, and the Church Zondervan, 2016-11-29 Unique among most debates on homosexuality this book presents a constructive dialogue between people who disagree on significant ethical and theological matters and yet maintain a respectful and humanizing posture toward one another Few topics are more divisive today than homosexuality Two Views on Homosexuality the Bible and the Church brings a fresh perspective to a well worn debate While Christian debates about homosexuality are most often dominated by biblical exegesis this book seeks to give much needed attention to the rich history of received Christian tradition bringing the Bible into conversation with historical and systematic theology To that end both theologians and biblical scholars well accomplished in their fields and conversant in issues of sexuality and gender articulate and defend each of the two views Affirming represented by William Loader and Megan K DeFranza Traditional represented by Wesley Hill and Stephen R Holmes The main essays are followed by insightful responses that interact with their fellow essayists with civility Holding to a high view of Scripture a commitment to the gospel and the church and a love for people especially those most affected by this topic the contributors wrestle deeply with the Bible and theology especially the prohibition texts the role of procreation gender complementarity and pastoral accommodation The book concludes with reflections from general editor Preston Sprinkle on the future of discussions on faith and sexuality The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion

Evangelicals at an Impasse Robert K. Johnston, 2020-03-09 Biblical inspiration and interpretation in conflict Evangelicals assert that the Bible is the infallible source and sole authority for Christian beliefs and living This premise is currently under fire from social and cultural mores AND more importantly from differences of biblical interpretation Contradictory opinions have arisen on several issues What exactly does the Bible claim What is the rightful role of women in the church and at home How do Christians evaluate homosexuality is it always a sin What is the church's role in social ethics Evangelicals at an Impasse considers these burning issues and offers helpful guidelines Robert K Johnston seeks to bridge the gaps among the biblical writers the church fathers and contemporary humanity He offers an effective way for Christians and more specifically evangelicals to understand the Bible as it relates to theology tradition and culture Johnston considers the issues the facts surrounding them social practices the pros and cons on each question and provides striking insights in his conclusions conclusions NOT solutions Evangelicals and other Christians in fact anyone interested in religion in America will find this a fascinating and remarkable book

Homosexuality and the Judeo-Christian Tradition Tom Horner, 1981

Black Fire Reader Estrela Y. Alexander, 2013-04-26 This compendium of primary resources reflects the important but often overshadowed contribution of African American believers to the dynamic growth of the modern Pentecostal movement the

fastest growing segment of global Christianity The doctrinal statements sermons songs testimonies news articles as well as scholarly treatises included here allow black leaders scholars and laypeople to speak in their own voices and use their own language to tell us their stories and articulate the issues that have been important to them throughout the one hundred year history of this movement Among the constant themes that continue to emerge is their appreciation of an empowering encounter with the Holy Spirit as the resource for engaging the dehumanizing racial reality of contemporary America

Homosexuality FAQs - A Christian Perspective eBook Daniel Lim & Ian Toh, 2022-07-22 Homosexuality is not a recent phenomenon or a newly emerged issue It exists since the ancient time despite the suppression by tradition and culture It started to surface in recent years as technology and media have developed in racing speed The society has become more open and acceptive to the topic people started to reflect on the traditional thinking on human relationship voices and discussions regarding homosexuality are getting common The word homosexuality which merely means same sex relationship in the past has evolved to LGBTQ which covers Lesbians Gays Bisexuals Transgenders and Queers nowadays Although there are more discussions do we truly understand LGBTQ How should we discern the right and wrong From Christian perspective how should we see it and live with its community Does the Bible provide us the answer In the past when religions are confronted by issues of homosexuality and LGBTQ they would quickly jump into a conclusion such as sin against the nature promiscuity unclean etc On one hand religious communities subconsciously hold different attitudes and mindsets toward LGBTQ community on the other hand media coverage and celebrity influence exalt the revolution and advocacy of LGBTQ so that people or religious bodies who hold different point of views may be labeled as conservative old fashioned traditional conventional etc Over time a gap has formed between LGBTQ and religious communities Nevertheless before we decide between the right and wrong or give people a label of unrighteousness could we jump out of the endless quarrel opposition or criticism Could we adjust our perspective to understand to observe and to contemplate the matter so that we can better serve this community and walk with them with the love of Christ while we hold on to the law and principle of God Homosexuality FAQs A Christian Perspective is a wonderful guide for Churches It helps readers to understand the issue more comprehensively find out the viewpoints of the Bible and learn how to reach out and serve LGBTQ community This book clears doubts and confusions on LGBTQ through 10 questions in the first section It tries to rebut general arguments from objective and scientific perspective In the second section it discusses LGBTQ from biblical perspective through 16 questions Lastly the editors laid out 6 questions to discuss the relation between Christians and the society on LGBTQ issue Each answer begins with quick response to give readers the key concept then followed by elaboration and more supplementary information This structure is clear and easy to follow What I appreciate the most is that it does not merely lay out a pile of data and evidence but also shares ministry tips at the end of some answers so that readers can break through the frame of merely knowledge thinking and critique and more important they can learn how to bridge the gap between the LGBTQ and
