Revealing The Sacred In Asian And Pacific America:

Revealing the Sacred in Asian and Pacific America Jane Naomi Iwamura, Paul R. Spickard, 2003 First Published in 2003 Routledge is an imprint of Taylor Francis an informa company Revealing the Sacred in Asian and Pacific America Jane Iwamura, Paul Spickard, 2013-10-11 Asian and Pacific Islander Americans constitute the fastest growing racial group in the United States They are also one of the most religiously diverse Through them Asian traditions such as Hinduism Sikhism Confucianism and Buddhism have been introduced into every major city and across a wide swath of Middle America The contributors to this volume provide an essential inter disciplinary resource for the study of Asian and Pacific Islander American religion **Encyclopedia of Christianity in the United States** George Thomas Kurian, Mark A. Lamport, 2016-11-10 From the Founding Fathers through the present Christianity has exercised powerful influence in the United States from its role in shaping politics and social institutions to its hand in inspiring art and culture The Encyclopedia of Christianity in the United States outlines the myriad roles Christianity has played and continues to play This masterful five volume reference work includes biographies of major figures in the Christian church in the United States influential religious documents and Supreme Court decisions and information on theology and theologians denominations faith based organizations immigration art from decorative arts and film to music and literature evangelism and crusades the significant role of women racial issues civil religion and more The first volume opens with introductory essays that provide snapshots of Christianity in the U S from pre colonial times to the present as well as a statistical profile and a timeline of key dates and events Entries are organized from A to Z The final volume closes with essays exploring impressions of Christianity in the United States from other faiths and other parts of the world as well as a select yet comprehensive bibliography Appendices help readers locate entries by thematic section and author and a comprehensive index further aids navigation **Asian American Christianity Reader** Timothy Tseng, Viji Nakka-Cammauf, 2009-08-20 This textbook is an interdisciplinary collection of scholarly and religious articles about Asian American Christianity Its four sections contexts sites identity and voices offer in depth understanding of both Catholic and Protestant traditions practices theologies and faith communities It also highlights diversity and complexity across lines of gender generation denomination race and ethnicity in Asian American Christianity Asian American Politics Andrew Aoki, Okiyoshi Takeda, 2008 An introduction to the study of Asian American participation in US politics It covers historical and cultural context political behaviour and attitudes interest groups and parties elected officials and public policies that have an important impact on Asian Americans *The Politics of Asian Americans* Pei-te Lien, M. Margaret Conway, Janelle Wong, 2004-06-01 Through the perspectives of mass politics this book challenges popular misconceptions about Asian Americans as politically apathetic disloyal fragmented unsophisticated and inscrutable by showcasing results of the 2000 01 Multi City Asian American Political Survey *A Place at the Multicultural Table* Prema Kurien, 2007-06-19 Multiculturalism in the United States is commonly lauded as a positive social ideal

celebrating the diversity of our nation But in reality immigrants often feel pressured to create a singular formulation of their identity that does not reflect the diversity of cultures that exist in their homeland Hindu Americans have faced this challenge over the last fifteen years as the number of Indians that have immigrated to this country has more than doubled In A Place at the Multicultural Table Prema A Kurien shows how various Hindu American organizations religious cultural and political are attempting to answer the puzzling questions of identity outside their homeland Drawing on the experiences of both immigrant and American born Hindu Americans Kurien demonstrates how religious ideas and practices are being imported exported and reshaped in the process The result of this transnational movement is an American Hinduism an organized politicized and standardized version of that which is found in India This first in depth look at Hinduism in the United States and the Hindu Indian American community helps readers to understand the private devotions practices and beliefs of Hindu Indian Americans as well as their political mobilization and activism It explains the differences between immigrant and American born Hindu Americans how both understand their religion and their identity and it emphasizes the importance of the social and cultural context of the United States in influencing the development of an American Hinduism

From Arrival to Incorporation Elliott Barkan, Hasia R. Diner, Alan M. Kraut, 2008 The United States is once again in the midst of a peak period of immigration By 2005 more than 35 million legal and illegal migrants were present in the United States At different rates and with differing degrees of difficulty a great many will be incorporated into American society and culture Leading immigration experts in history sociology anthropology economics and political science here offer multiethnic and multidisciplinary perspectives on the challenges confronting immigrants adapting to a new society How will these recent arrivals become Americans Does the journey to the U S demand abandoning the past How is the United States changing even as it requires change from those who come here Broad thematic essays are coupled with case studies and concluding essays analyzing contemporary issues facing Muslim newcomers in the wake of 9 11 Together they offer a vibrant portrait of America's new populations today Contributors Anny Bakalian Elliott Barkan Mehdi Bozorgmehr Caroline Brettell Barry R Chiswick Hasia Diner Roland L Guyotte Gary Gerstle David W Haines Alan M Kraut Xiyuan Li Timothy J Meagher Paul Miller Barbara M Posadas Paul Spickard Roger Waldinger Karen A Woodrow Lafield and Min Zhou

The Changing World Religion Map Stanley D. Brunn, 2015-02-03 This extensive work explores the changing world of religions faiths and practices It discusses a broad range of issues and phenomena that are related to religion including nature ethics secularization gender and identity Broadening the context it studies the interrelation between religion and other fields including education business economics and law The book presents a vast array of examples to illustrate the changes that have taken place and have led to a new world map of religions Beginning with an introduction of the concept of the changing world religion map the book first focuses on nature ethics and the environment It examines humankind's eternal search for the sacred and discusses the emergence of green religion as a theme that cuts across many faiths Next the book turns to the

theme of the pilgrimage illustrated by many examples from all parts of the world In its discussion of the interrelation between religion and education it looks at the role of missionary movements It explains the relationship between religion business economics and law by means of a discussion of legal and moral frameworks and the financial and business issues of religious organizations The next part of the book explores the many new faces that are part of the religious landscape and culture of the Global North Europe Russia Australia and New Zealand the U S and Canada and the Global South Latin America Africa and Asia It does so by looking at specific population movements diasporas and the impact of globalization The volume next turns to secularization as both a phenomenon occurring in the Global religious North and as an emerging and distinguishing feature in the metropolitan cosmopolitan and gateway cities and regions in the Global South The final part of the book explores the changing world of religion in regards to gender and identity issues the political religious nexus and the new worlds associated with the virtual technologies and visual media

Asian American Religious Cultures Jonathan H. X. Lee, Fumitaka Matsuoka, Edmond Yee, Ronald Y. Nakasone, 2015-09-01 A resource ideal for students as well as general readers this two volume encyclopedia examines the diversity of the Asian American and Pacific Islander spiritual experience Despite constituting a fairly small proportion of the U S population roughly 5 percent Asian Americans are a widely diverse group with equally heterogeneous religious beliefs and traditions This encyclopedia provides a single source for authoritative information on the Asian American and Pacific Islander religious experience addressing South Asian Americans such as Indian Americans and Pakistani Americans East Asian Americans including Chinese Americans Japanese Americans and Korean Americans and Southeast Asian Americans whose ethnicities include Filipino Americans Thai Americans and Vietnamese Americans Pacific Islanders include Hawaiians Samoans Marshallese Tongan and Chamorro The coverage includes not only traditional eastern belief systems and traditions such as Buddhism Confucianism and Hinduism as well as Micronesian and Polynesian religious traditions in the United States but also the culture and religious rituals of Asian American Christians
