Revelation Divination In Ndembu Ritual:

Revelation and Divination in Ndembu Ritual Victor Turner, 2018-05-31 Drawing on two and a half years of field work Victor Turner offers two thorough ethnographic studies of Ndembu revelatory ritual and divinatory techniques with running commentaries on symbolism by a variety of Ndembu informants Although previously published these essays have not been readily available since their appearance more than a dozen years ago Striking a personal note in a new introductory chapter Professor Turner acknowledges his indebtedness to Ndembu ritualists for alerting him to the theoretical relevance of symbolic action in understanding human societies He believes that ritual symbols like botanists stains enable us to detect and trace the movement of social processes and relationships that often lie below the level of direct observation Revelation and Divination in Ndembu Ritual Victor Witter Turner, 1975 Drawing on two and a half years of field work Victor Turner offers two thorough ethnographic studies of Ndembu revelatory ritual and divinatory techniques with running commentaries on symbolism by a variety of Ndembu informants Although previously published these essays have not been readily available since their appearance more than a dozen years ago Striking a personal note in a new introductory chapter Professor Turner acknowledges his indebtedness to Ndembu ritualists for alerting him to the theoretical relevance of symbolic action in understanding human societies He believes that ritual symbols like botanists stains enable us to detect and trace the movement of social processes and relationships that often lie below the level of direct observation Revelation and Divination in Ndembu Ritual Victor Turner, 1975 Ritual Passage, Sacred Journey Richard P. Theory in Social and Cultural Anthropology R. Jon McGee, Richard L. Warms, 2013-08-28 Social and cultural anthropology and archaeology are rich subjects with deep connections in the social and physical sciences Over the past 150 years the subject matter and different theoretical perspectives have expanded so greatly that no single individual can command all of it Consequently both advanced students and professionals may be confronted with theoretical positions and names of theorists with whom they are only partially familiar if they have heard of them at all Students in particular are likely to turn to the web to find quick background information on theorists and theories However most web based information is inaccurate and or lacks depth Students and professionals need a source to provide a quick overview of a particular theory and theorist with just the basics the who what where how and why In response SAGE Reference is publishing the two volume *Theory in Social and Cultural Anthropology An Encyclopedia* Features Benefits Two volumes containing approximately 335 signed entries provide users with the most authoritative and thorough reference resource available on anthropology theory both in terms of breadth and depth of coverage To ease navigation between and among related entries a Reader s Guide

groups entries thematically and each entry is followed by Cross References In the electronic version the Reader s Guide combines with the Cross References and a detailed Index to provide robust search and browse capabilities An appendix with a Chronology of Anthropology Theory allows students to easily chart directions and trends in thought and theory from early times to the present Suggestions for Further Reading at the end of each entry and a Master Bibliography at the end guide readers to sources for more detailed research and discussion
