Revelations Of An Army Nurse:

Revelations of an Army Nurse Catherine Hagarty, 1981-01-01 **Revelation** Ned Ricks, 2005-02-14 Ricks captures Vietnam's dust, heat, and fog of war as only someone who was there can do. His book took me back in a heartbeat. It was so vivid I could almost SMELL it again. Ross Rainwater LTC Aviation USA Retired 1st Cavalry Division 1970-71 Set in the dust, heat, forests, and mud of Vietnam's Central Highlands, *Revelation* is a story drawn from actual historical events. The conflict, the action, is real. When Army Captain John Davis gets the chance at his own command during the latter days of the Vietnam War, he eagerly accepts the job. Unknown to him, the men of his new unit murdered the officer who had the command before him. These killers have not been identified or caught. Davis's new boss never even told him of the crime. Dealing with internal unit conflicts, external bureaucratic indifference, and his own fears and weaknesses, he must still carry on with the assigned mission. In a series of dangerous situations, Davis is at risk, but are these the hazards of war or more murder attempts? Will he ever be reunited with the woman he loves?

Secret Revelation Steve Bell, 2005-11 A violent impact with a car leaves Ellis Landis unconscious and bleeding on a dark desert road, and the driver is shocked to find the man naked with nothing more than a strange metal device clutched in his hands. The device, for some unexplainable reason, meant everything. After waking in the hospital, Landis finds he has lost his memory. As events continue to unfold around him, he senses his life is in danger. Doctor Elisha Sienna, guided by sinister military forces, tries to recover his memory and gain access to the earth-shattering secret that is locked in his mind. But she is not alone. A radical terrorist group, The Enigma, wants their key holder back. Again, the word exploded in his mind. Enigma, it meant everything and nothing all at once. The whole thing was an enigma, a riddle he had to solve. He was sure he was part of something bigger, something important, and that he and the device were at the heart of it. While fleeing from a set of bizarre experiments and violent torture, Ellis slowly recovers the dark secrets of his paranoid mind, secrets that could mean the difference between life and death for all humankind.

A Christmas Revelation Anne Perry, 2018-11-06 Perry's Victorian era holiday mysteries are an annual treat. The Wall Street Journal. In this intriguing, uplifting holiday mystery from bestselling author Anne Perry, an orphan boy investigates a woman's kidnapping and discovers there's more at stake than a disappearance. It wouldn't quite be Christmas without a holiday mystery decorated with all the Victorian trimmings as only New York Times bestselling author Anne Perry can render it. Now the tradition continues as mayhem is once again found under the mistletoe, and intrigue stalks the cobblestone streets and gaslit parlors of old London Town. Formerly a river urchin living on the banks of the Thames, nine-year-old Worm has never experienced a family Christmas. But thanks to a job at Hester Monk's clinic in Portpool Lane, he's found a makeshift family in kindly volunteer Miss Claudine Burroughs and curmudgeonly old bookkeeper Squeaky Robinson. When Worm witnesses the abduction of a beautiful woman by a pair of ruffians just days before Christmas, he frantically turns to Squeaky for help. A one-time brothel owner, Squeaky knows the perils of interfering in nasty business, but he can't bear to disappoint Worm or leave the boy to attempt a

rescue on his own What neither of the would be saviors expects however is that the damsel in distress already has her dilemma well in hand and is taking steps to bring her captors to justice for crimes far worse than kidnapping But the rogues as cunning as they are deadly are not to be underestimated The aid of cynical old Squeaky and hopeful young Worm just might make the difference between a merry triumph over evil and a terrible yuletide tragedy **Way of Revelation** Wilfrid Ewart,1922 *Revelation to Transformation* Paul White,2011-06-08 Most of us have become accustomed to the constant preaching and teaching of guilt and condemnation This slowly but surely pulls our eyes off of the loveliness of the finished work and onto the unfinished areas of our lives We know that we are flawed we don t need someone screaming at us to figure that out Our problem is not the absence of knowledge that we need help Rather it is the utter inability to help ourselves Calvary was God s intervention in all of our issues By relieving us of the punishment of sin He is freeing us from the weight of guilt and the fear of death The author of Hebrews said that when Jesus died He did so to deliver them who through fear of death were all their lifetime subject to bondage Hebrews 2 15 Jesus has delivered us from fear of eternal punishment by being punished in our place **Revelation** Dale Coleman,2019-03-20 Over the forty plus years of his adult vocation as an Episcopal priest Dale Coleman has wanted to write about his journey from the Salvation Army to the Episcopal Church He wished to be in a Christian church with elbow room that would allow questions true spiritual growth and faith seeking understanding Dale is fearless in looking at the Episcopal Church and especially his seminary days at a smells and bells traditional Anglican Seminary He writes boldly and freely about the boy he was and the man he has become placing his first allegiance in the Lord Jesus Christ Christians need to be honest and clear about their faith in the growing toxicity of our culture His first questions from his youth were Where did the Bible come from and how is it to be read and interpreted These and many other questions about the Christian church its faith and life are addressed in this book If you ve ever wondered about such matters this is the book for you **Revelation** Gordon Rumble,2010-04 The book of Revelation is exciting Yet too many today think it to be boring and hard to understand I think it is just the opposite If you take the book from a literal perspective the unveiling fits and it creates a perfect panorama of man s final days long with the text I have created a practical application for our lives today Revelation is relevant and it permeates the reader with God s last word to mankind His Son Jesus Christ The final invitation alone is worth the time spent to enjoy the book **Troubled Refuge** Chandra Manning,2017-07-25 From the author of *What This Cruel War Was Over* a vivid portrait of the Union army s escaped slave refugee camps and how they shaped the course of emancipation and citizenship in the United States Chandra Manning casts in a wholly original light what it was like to escape slavery how emancipation happened and how citizenship in the United States was transformed This reshaping of hard structures of power would matter not only for slaves turned citizens but for all Americans Integrating a wealth of new findings this vivid portrait of the Union army s escaped slave refugee camps shows how they shaped the course of emancipation and citizenship in the United States Drawing on records of the Union and

Confederate armies the letters and diaries of soldiers transcribed testimonies of former slaves and more Manning allows us to accompany the black men women and children who sought out the Union army in hopes of achieving autonomy for themselves and their communities It also raised for the first time humanitarian questions about refugees in wartime and legal questions about civil and military authority with which we still wrestle as well as redefined American citizenship to the benefit but also to the lasting cost of African Americans *Churchill's Revelation* Merrill Hardy,2019-02-06 It is Mid 1942 a young Italian officer s mentor German General Heinz Guderian has collapsed Luckily he finds a new one in the form of an exiled Admiral Avoiding disaster these two combine guile with obsolete castoff and makeshift weapons managing to stay one step ahead of their enemies and allies On land and sea they pursue Stalin s oil so shake Churchill s Empire that he turns for help to God and uncover deadly final solution secrets under Hitler s very nose That is until encountering a bureaucrat a Russian soldier playing dead and a German Air Force nurse in search of her missing brother
