Saunders,2021-03-01 What is a consistent theological meaning of the Son of Man in the Gospel of Matthew For a suitable response it is essential to analyze all thirty Son of Man logia in their relative literary contexts and in relationship to the gospel as a whole Also to bring out the uniqueness in Matthew s portrayal of the Son of Man a comparison with the other Synoptic Gospels aids the investigation This work argues that the answer lies in the role of the Son of Man in the first Gospel In Matthew Jesus the Son of Man functions as mediator of God s will to his genuine disciples As the Son of Man journeys through his earthly life climaxing in his death and resurrection Jesus mediates God s will through his message and works and by exhibiting active obedience to his Father in the heavens Jesus s genuine disciples learn how to emulate the Son of Man s character and ministry enabling them to continue it in their future mission At his parousia the Son of Man will mediate God s promised vindication and reward for his genuine disciples who have proven their fidelity to Jesus and God s will **Just**

Behind the Door Mary Leiker,2012-04-17 The author explains how May 16th 1999 changed her life forever She experienced the loss of two high school seniors and that evening the call came through to tell her that her son in Colorado had also been killed Her first born with his bigger than life personality was gone The words surreal and gut wrenching were her constant companions Exactly six months later her Mom had one heart pain went into a coma and died She had frequently told her Mary when the last leaf is gone from that tree I will be leaving She gave her the gift of time to emotionally survive her son s death Mary shares with you the recorded messages she has received for over a decade from her family on the other side to give you hope Through her experiences you will know that unconditional love and connection continue to exist when you believe in the possibility Our loved ones do not disappear into the cosmos after their death Their energy remains around us forever You can reconnect with your loved ones as she has and achieve peace and assurance that as her son has repeatedly told her Mom all is as it should be **My Cosmic Trigger** Matt Vaughn,2024-07-11 High strangeness denotes happenings so uncanny they are deemed utterly absurd It involves the intersection of multiple paranormal phenomena revealing an eerie undergirding of reality MY COSMIC TRIGGER is a deep dive into the subject covering its history theories and notable

researchers analyzing mechanisms behind this cosmic enigma The author s personal experiences provide a penetrating understanding of the phenomenon by demonstrating how and why extramundane weirdness manifests on a personal level helping people navigate their own synchromystic initiation with a sense of clarity fostering a constructive relationship with odd occurrences not a destabilizing one and enabling readers to successfully pull their own cosmic trigger **You Can**

Commentary on Matthew Saint Hilary (Bishop of Poitiers),2012 When the writing of Latin biblical commentaries was still in its infancy a young bishop from Poitiers in Gaul penned a passage by passage exposition on the Gospel of Matthew It is the first of its kind to have survived almost completely intact Published now for the first time in English translation Hilary s commentary offers a close look at Latin theology and exegesis before the Nicene Creed was considered the sole standard of orthodoxy Likely the earliest of Hilary s writings this commentary has none of the polemic against the Arians that figured so prominently in most of his later works Nonetheless there exists in this text an oft stated concern with those who interpreted the Incarnation as grounds for construing Christ as only a man rather than professing Christ as God and man Other noteworthy features of the commentary include Hilary s interest in the relation between Law and Gospel and his articulation of a Pauline based view of justification by faith In his view the importance of the Law before the Gospel was indisputable and necessary For Jews it was considered the way of redemption With the advent of Christ it became an eschatological guide directing all future believers into the grace that comes by faith Hilary s emphasis on God s righteousness conferred on a helpless race represents a far more pronounced application of Paul s thought than in any previous Latin writer

ABOUT THE TRANSLATOR D H Williams is professor of patristics and historical theology at Baylor University His publications include books and articles on early Christian thought and literature as well as studies that seek to integrate the ancient Christian legacy with contemporary theology He is the editor of The Church s Bible Commentary on Matthew

Revelation (THNTC) John Christopher Thomas, Frank D. Macchia ,2016 The book of Revelation is perhaps the most theologically complex and literarily sophisticated text in the New Testament In this commentary John Christopher Thomas and Frank Macchia make the brilliant but challenging text of Revelation more accessible and easier to understand on its own terms rather than as a futuristic prophecy In addition to their literary exegetical and theological analysis of the text they offer sustained theological essays on the book s most significant themes and issues accenting especially the underappreciated place of the Holy Spirit in the theology of the book **A Theology of Matthew's Gospel** Michael J. Wilkins,2025-10-07 A Theology of Matthew s Gospel develops the perspective that Matthew wrote his Gospel to identify defend and proclaim Jesus Immanuel God with us as the Davidic Messiah who fulfilled the OT expectations of humanity s redemption Matthew s Gospel establishes Jesus s identity as the heir to the promises of Israel s throne through King David and heir to the promises of blessing to all the nations through the patriarch Abraham 1 1 So this first Gospel offers evangelistic hope in Jesus s message of the gospel to Jews contending that they should turn to Jesus as their long awaited Messiah Matt 11 2 6 But strikingly Matthew s Gospel also offers evangelistic hope to Gentiles emphasizing that salvation through Jesus Messiah is available to all the nations 28 19 The book emphasizes the three horizons that comprise Matthew s gospel history theology and literature The first horizon focuses on Jesus s history ministry Here Matthew provides for us a record of God s activities in history in

the arrival of Jesus Messiah and the kingdom of heaven The second horizon develops Matthew s theological perspective for his audience s Here we attempt to understand and isolate Matthew s unique theological perspective of God s activities in Jesus Messiah This is a central focus emphasizing Matthew s theological perspective of the Old Testament Christology the kingdom of heaven discipleship the Church church Israel past present and future the death and resurrection of Jesus mission commission and eschatology eternity The third horizon emphasizes today s reader s engaging with Matthew s Gospel as literature Here we attempt to capture the significance of the perspective of today s reader s understanding of Jesus Messiah s activities in history and Matthew s theological perspective for the contemporary church In this book we view Matthew s perspective of God s activities in Jesus s unfolding earthly ministry The alternating sections of narrative and discourse provide for his readers Jesus s example to follow and Jesus s words to obey Therefore Matthew s Gospel is at least in a part a manual on discipleship to Jesus Messiah in the kingdom of heaven In the six Narratives Matthew reveals Jesus s true identity in his deeds and introduces themes that will lead to instructions to Jesus s disciples in the Discourses The six Narratives provide the example that Jesus s disciples are commanded to obey In the five Discourses Matthew records Jesus s instructions commands parables directives and prophecies that will guide his followers in their discipleship to Jesus until the end of the age Combined the narratives of Jesus s life provide Jesus s example to follow and the discourses give Jesus s instructions to obey and are the basis of our ongoing transformation to become like Jesus
