J. Ganser, 2005-10-06 Sister Water Revenge of the Dragon Lady John M. Bushby, 2016-08-21 In 1938 the tropical waters of the South China Sea and its myriad of islands are unknown to most Americans All the while Tokyo s militarists are working on how to seize those isolated atolls from which to launch their nation s aggression against the American held Philippines Reports of clandestine naval activity in those waters have reached Washington and US Navy flier Jack French is sent to the islands to investigate From the moment he steps aboard the China Clipper bound for Manila he is thrust into a world of danger and intrigue Who is more dangerous to him traitors Japanese spies German agents or the elusive Dragon Lady the gueen of Philippine crime Long before Pearl Harbor French is engaged in battle as he searches from island to island to uncover a conspiracy intended to bring war to this tropical paradise The San Francisco Mime **Troupe Reader** Susan Vaneta Mason, 2013-07-03 The San Francisco Mime Troupe Reader is a long overdue collection of some of the finest political satires created and produced by the Tony Award winning company during the last forty years It is also a history of the company that was the theater of the counterculture movement in the 1960s and that against all odds has managed to survive the often hostile economic climate for the arts in the United States The plays selected are diverse representing some of the Troupe s finest shows and the book s illustrations capture some of the Troupe s most memorable moments These hilarious edgy and imaginative scripts are accompanied by insightful commentary by theater historian and critic Susan Vaneta Mason who has been following the Troupe for more than three decades The Mime Troupe Reader will engage and entertain a wide range of audiences not only general readers but also those interested in the history of American social protest the counterculture of the 1960s particularly the San Francisco scene and the evolution of contemporary political theater It will also appeal to the legions of Troupe fans who return every year to see them stand up against another Canonization of Gods and Tribulation of Devils Lian Hongwen, 2020-04-13 Amongst the social or corporate Goliath gods there was a saying that a deity had committed a murder a thousand years ago The massacre over a thousand years ago was in fact a struggle between human cultivators and animal cultivators After a thousand years there would be another contest However the contest from a thousand years ago was even more bitter. Who would be the final victor in the battle between the Immortal Path's Ancestor and the Devil Realm's Ancestor This was heavenly tribulation Only a person with

heavenly destiny could survive this He was born into the world **The Lonely Soldier** Helen Benedict, 2010-04-01 The Lonely Soldier the inspiration for the documentary The Invisible War vividly tells the stories of five women who fought in Iraq between 2003 and 2006 and of the challenges they faced while fighting a war painfully alone More American women have fought and died in Iraq than in any war since World War Two yet as soldiers they are still painfully alone In Iraq only one in ten troops is a woman and she often serves in a unit with few other women or none at all This isolation along with the military s deep seated hostility toward women causes problems that many female soldiers find as hard to cope with as war itself degradation sexual persecution by their comrades and loneliness instead of the camaraderie that every soldier depends on for comfort and survival As one female soldier said I ended up waging my own war against an enemy dressed in the same uniform as mine In The Lonely Soldier Benedict tells the stories of five women who fought in Iraq between 2003 and 2006 She follows them from their childhoods to their enlistments then takes them through their training to war and home again all the while setting the war s events in context We meet Jen white and from a working class town in the heartland who still shakes from her wartime traumas Abbie who rebelled against a household of liberal Democrats by enlisting in the National Guard Mickiela a Mexican American who grew up with a family entangled in L A gangs Terris an African American mother from D C whose childhood was torn by violence and Eli PaintedCrow who joined the military to follow Native American tradition and to escape a life of Faulknerian hardship Between these stories Benedict weaves those of the forty other Iraq War veterans she interviewed illuminating the complex issues of war and misogyny class race homophobia and post traumatic stress disorder Each of these stories is unique yet collectively they add up to a heartbreaking picture of the sacrifices women soldiers are making for this country Benedict ends by showing how these women came to face the truth of war and by offering suggestions for how the military can improve conditions for female soldiers including distributing women more evenly throughout units and rejecting male recruits with records of violence against women Humanizing urgent and A Bibliography of Modern Arthuriana (1500-2000) Ann F. powerful The Lonely Soldier is a clarion call for change Howey, Stephen Ray Reimer, 2006 Annotated bibliography of the Arthurian legend in modern English language fiction not only in literary texts but in television music and art The legend of Arthur has been a source of fascination for writers and artists in English since the fifteenth century when Thomas Malory drew together for the first time in English a variety of Arthurian stories from a number of sources to form the Morte Darthur It increased in popularity during the Victorian era when after Tennyson's treatment of the legend not only authors and dramatists but painters musicians and film makers found a source of inspiration in the Arthurian material This interdisciplinary annotated bibliography lists the Arthurian legend in modern English language fiction from 1500 to 2000 including literary texts film television music visual art and games It will prove an invaluable source of reference for students of literary and visual arts general readers collectors librarians and cultural historians indeed by anyone interested in the history of the waysin which Camelot has figured in post medieval
