## **Reverence Renewing A Forgotten Virtue:**

**Reverence** Paul Woodruff, Betty S. Flowers, 2014 Reverence is an ancient virtue that survives among us in half forgotten patterns of civility and moments of inarticulate awe Reverence gives meaning to much that we do yet the word has almost passed out of our vocabulary Reverence says philosopher and classicist Paul Woodruff begins in an understanding of human limitations From this grows the capacity to be in awe of whatever we believe lies outside our control God truth justice nature even death It is a quality of character that is especially important in leadership and in teaching although it figures in virtually every human relationship It transcends religious boundaries and can be found outside religion altogether Woodruff draws on thinking about this lost virtue in ancient Greek and Chinese traditions and applies lessons from these highly reverent cultures to today's world The book covers reverence in a variety of contexts the arts leadership teaching warfare and the home and shows how essential a quality it is to a well functioning society First published by Oxford University Press in 2001 this new edition of Reverence is revised and expanded It contains a foreword by Betty Sue Flowers Distinguished Teaching Professor Emeritus at the University of Texas at Austin a new preface two new chapters one on the sacred and one on compassion and an epilogue focused on renewing reverence in our own lives Reverence Paul Woodruff, 2001-12-30 Reverence is an ancient virtue dating back thousands of years It survives among us in half forgotten patterns of behavior and in the vestiges of old ceremonies Yet Paul Woodruff says we have lost sight of reverence This short elegiac volume makes an impassioned case for the fundamental importance of the forgotten virtue of reverence and how awe for things greater than oneself can indeed must be a touchstone for other virtues like respect humility and charity Ranging widely over diverse cultural terrain from Philip Larkin to ancient Greek poetry from modern politics to Chinese philosophy Woodruff shows how absolutely essential reverence is to a well functioning society He tackles some thorny questions How does reverence allow not only for leaders but for followers What role does reverence play in religion Do some religions misuse reverence Must reverence be humorless In the process Woodruff shows convincingly how reverence plays an unseen part in virtually every human relationship Elegantly written thoughtful yet urgent Reverence is sure to reach out to a wide variety of people interested in the moral health of Western culture showing how our own intellectual and spiritual legacy can guide us more than we realize Becoming More Fully Human , The Will to Imagine J. L. Schellenberg, 2012-04-24 The Will to Imagine completes J L Schellenberg's trilogy in the philosophy of religion following his acclaimed Prolegomena to a Philosophy of Religion and The Wisdom to Doubt This book marks a striking reversal in our understanding of the possibility of religious faith Where other works treat religious skepticism as a dead end The Will to Imagine argues that skepticism is the only point from which a proper beginning in religious inquiry and in religion itself can be made For Schellenberg our immaturity as a species not only makes justified religious belief impossible but also provides the appropriate context for a type of faith response grounded in imagination rather than belief directed not to theism but to ultimism the heart of religion This new and

nonbelieving form of faith he demonstrates is quite capable of nourishing an authentic religious life while allowing for inquiry into ways of refining the generic idea that shapes its commitments A singular feature of Schellenberg's book is his claim developed in detail that unsuccessful believers' arguments can successfully be recast as arguments for imaginative faith Out of the rational failure of traditional forms of religious belief *The Will to Imagine* fashions an unconventional form of religion better fitted Schellenberg argues to the human species as it exists today and as we may hope it will evolve

**Bridging Theory and Practice in Children's Spirituality** Zondervan, 2020-04-21 *Bridging Theory and Practice in Children's Spirituality* explores the different contexts, methods and situations that influence and foster a child's spirituality and faith development Through a blend of theoretical understanding held in tension with practical application it equips those who are in or being prepared for the varied contexts where children are spiritually formed It represents a broad range of Christian expression writing from a Christ-centered perspective that furthers the conversation about the next steps in children's spirituality and faith development Moving beyond the basics of faith nurture and what makes for effective ministry this resource deepens our understanding of the practices in children's lives by bringing together the best of theory and practice and includes contributions from Dr Scottie May Wheaton College Dr Kevin Lawson Biola University Dr Erik Carter Vanderbilt University John Roberto Vibrant Faith Dr Dana Kenamer Pemberton Abilene Christian University Dr Shirley Morgenthauer Concordia University Chicago Dr Holly Catterton Allen Lipscomb University Dr Robert Keeley Calvin College and Calvin Seminary Dr Mimi Larson Wheaton College Lacy Finn Borgo Renovar Institute and others Pastors professors seminary students and children's ministry leaders and practitioners all believe that nurturing a child's spiritual development is important Yet often they are unsure about which current trends should be embraced This book will help equip these people with the grounding needed to evaluate trends and with specific suggestions for moving forward With short accessibly written chapters it helps pastors and leaders stay up to date with current trends and is an excellent resource for teaching in college and seminary classrooms
