

The Evolution of Italian American Studies in Italy¹

Mark Pietralunga

Florida State University

In his review essay of the second volume of the anthology on Italian American writings, *Italoamericana: Storia e letteratura degli italiani negli Stati Uniti 1880-1943*, Claudio Gorlier observes: "You will find it hard to believe, but there exists a literary culture in Italian by Italian emigrants to the United States, dating back to the first generation." (7)² This sense of astonishment concerning the existence of a literature in Italian by the early Italian emigrants to the New World appears to support the comments by Francesco Durante, the volume's editor, who states in his introduction that Italian critics and scholars have long neglected, or ignored, the patrimony of Italian American culture as well as the complexity and variety of the Italian American question. (4). Durante is quick to point out that today the situation regarding studies on emigration has changed rather dramatically. In fact, only in the last few years has there occurred a radical change in Italy's place on the stage of international migration. In his review of recent works on Italian Americans, Goffredo Fofi writes: "It is only recently that Italian Americans have become fashionable. They used to be of interest only when one of them was famous, either in films, politics, or sports, and only in those sports like baseball and boxing in which the rise to the top was particularly fierce." (28)³ Fofi adds that these Italian immigrants were once viewed from a distance with a mixture of smugness and amazement, because to "real" Italians, they did not appear to be one of them, but rather a strange hybrid that had to do only with the most poor, the most wayward, and the most ignorant: the Southerners and peasants (28). This essay attempts to offer a brief

¹ This is a modified version of an essay written for the forthcoming MLA volume *Teaching Italian American Literature, Film, and Popular Culture*, ed. by Edvige Giunta and Kathleen McCormick, New York: MLA. Much of the material on Italian American studies presented in this essay can be framed in a more general North American context.

² All English translations of Italian language quotations in this essay have been provided by the author.

³ Included among the books Fofi reviewed are: *Sinatra, Scorsese, Di Maggio e tutti gli altri* by Erik Amfitheatrof (Vicenza: Neri Pozza, 2004); *Piccole Italie, grandi schermi* by Giuliana Muscio (Roma: Bulzoni, 2004); and *Materia prima* by Mary Caponegro (Roma: Leconte, 2004).

Review Of Italian American Studies

Pellegrino A D'Acierno

Review Of Italian American Studies:

The Review of Italian American Studies Frank M. Sorrentino, Jerome Krase, 2000-01-01 This collection of articles examines the complex nature of identity in the Italian American community Sorrentino and Krase have constructed a volume that covers topics of diverse interest such as the development of Italian American literary studies and the integration of a uniquely Italian American sensibility into a larger and dominant idea of European American culture As an erudite examination of contemporary studies being done on one of the largest ethnic groups in the United States this work is an essential addition to the ongoing and contentious debates about the nature of ethnicity identity assimilation and acculturation in the United States

Italian American Experience in New Haven, The Anthony V. Riccio, 2009-01-08 Using interviews and photographs Anthony Riccio provides a vital supplement to our understanding of the Italian immigrant experience in the United States In conversations around kitchen tables and in social clubs members of New Haven's Italian American community evoke the rhythms of the streets and the pulse of life in the old ethnic neighborhoods They describe the events that shaped the twentieth century the Spanish Flu pandemic the Great Depression and World War II along with the private histories of immigrant women who toiled under terrible working conditions in New Haven's shirt factories who sacrificed dreams of education and careers for the economic well being of their families This is a compelling social cultural and political history of a vibrant immigrant community

The Italian American Heritage Pellegrino A D'Acerno, 2021-12-12 First published in 1999 The many available scholarly works on Italian Americans are perhaps of little practical help to the undergraduate or high school student who needs background information when reading contemporary fiction with Italian characters watching films that require a familiarity with Italian Americans or looking at works of art that can be fully appreciated only if one understands Italian culture This basic reference work for non specialists and students offers quick insights and essential easy to grasp information on Italian American contributions to American art music literature motion pictures and cultural life This rich legacy is examined in a collection of original essays that include portrayals of Italian characters in the films of Francis Coppola Italian American poetry the art of Frank Stella the music of Frank Zappa a survey of Italian folk customs and an analysis of the evolution of Italian American biography Comprising 22 lengthy essays written specifically for this volume the book identifies what is uniquely Italian in American life and examines how Italian customs traditions social mores and cultural antecedents have wrought their influence on the American character Filled with insights observations and ethnic facts and fictions this volume should prove to be a valuable source of information for scholars researchers and students interested in pinpointing and examining the cultural intellectual and social influence of Italian immigrants and their successors

The Italian American Experience Salvatore J. LaGumina, Frank J. Cavaoli, Salvatore Primeggia, Joseph A. Varacalli, 2003-09-02 First Published in 2000 Routledge is an imprint of Taylor Francis an informa company

Italian Americans Eric Martone, 2016-12-12 The entire Italian American experience from America's

earliest days through the present is now available in a single volume This wide ranging work relates the entire saga of the Italian American experience from immigration through assimilation to achievement The book highlights the enormous contributions that Italian Americans the fourth largest European ethnic group in the United States have made to the professions politics academy arts and popular culture of America Going beyond familiar names and stories it also captures the essence of everyday life for Italian Americans as they established communities and interacted with other ethnic groups In this single volume readers will be able to explore why Italians came to America where they settled and how their distinctive identity was formed A diverse array of entries that highlight the breadth of this experience as well as the multitude of ways in which Italian Americans have influenced U S history and culture are presented in five thematic sections Featured primary documents range from a 1493 letter from Christopher Columbus announcing his discovery to excerpts from President Barack Obama s 2011 speech to the National Italian American Foundation Readers will come away from this book with a broader understanding of and greater appreciation for Italian Americans contributions to the United States Anti-Italianism W. Connell, F. Gardaphé, 2010-12-20 There has been an odd reluctance on the part of historians of the Italian American experience to confront the discrimination faced by Italians and Americans of Italian ancestry This volume is a bold attempt by an esteemed group of scholars and writers to discuss the question openly by charting the historical and cultural boundaries of stereotypes prejudice and assimilation Contributors offer a continuous series of cultural encounters and experiences in television literature and film that deserve the attention of anyone interested in the larger themes of American history

Seeing Cities Change Jerome Krase, 2016-04-01 Cities have always been dynamic social environments for visual and otherwise symbolic competition between the groups who live and work within them In contemporary urban areas all sorts of diversity are simultaneously increased and concentrated chief amongst them in recent years being the ethnic and racial transformation produced by migration and the gentrification of once socially marginal areas of the city Seeing Cities Change demonstrates the utility of a visual approach and the study of ordinary streetscapes to document and analyze how the built environment reflects the changing cultural and class identities of neighborhood residents Discussing the manner in which these changes relate to issues of local and national identities and multiculturalism it presents studies of various cities on both sides of the Atlantic to show how global forces and the competition between urban residents in contested terrains is changing the faces of cities around the globe Blending together a variety of sources from scholarly and mass media this engaging volume focuses on the importance of seeing and in its consideration of questions of migration ethnicity diversity community identity class and culture will appeal to sociologists anthropologists and geographers with interests in visual methods and urban spaces Guido Culture and Italian American Youth Donald Tricarico, 2018-12-24 From Saturday Night Fever to Jersey Shore Italian American youth in New York City have appropriated and been appropriated by popular American culture Here Donald Tricarico investigates how Italian ethnicity has been used to fashion Guido as a distinct youth

style that signals inclusion in popular American culture and simultaneously the making of a new ethnic subject Emerging from a wave of Italian immigration after World War II in outer borough neighborhoods such as Bensonhurst the story of the Guido is an Italian American story symbolizing the negotiation of a negatively privileged ethnicity within American society Tricarico takes up questions about the definition of Guido the role of disco and the identity politics of Jersey Shore in order to reconsider the significance of Guido for the study of Italian American ethnicity

The Routledge History of Italian Americans William Connell,Stanislao Pugliese,2017-09-27 The Routledge History of Italian Americans weaves a narrative of the trials and triumphs of one of the nation s largest ethnic groups This history comprising original essays by leading scholars and critics addresses themes that include the Columbian legacy immigration the labor movement discrimination anarchism Fascism World War II patriotism assimilation gender identity and popular culture This landmark volume offers a clear and accessible overview of work in the growing academic field of Italian American Studies Rich illustrations bring the story to life drawing out the aspects of Italian American history and culture that make this ethnic group essential to the American experience

Umbertina Helen Barolini,1998-01-01 The panoramic descriptive and solidly crafted historical novel of immigration womanhood and the feminist ideals of self reliance and self confidence Publishers Weekly This sweeping multi generational novel begins in southern Italy s Calabria region in the late 1800s as Umbertina the wife of a simple farmer persuades her husband to emigrate to the United States to pursue its promise of hope and freedom for their three children Through years of struggle on New York City s Lower East Side and then in a growing upstate New York town it is Umbertina s determination ingenuity and business sense that propel the family into financial success and security leaving her daughters and granddaughters free to sort out their identities both as Italian Americans and as women Through a dazzling interplay of American and Italian characters in both countries Helen Barolini delineates the major concerns of all thinking American ethnics This is no less true today as this republication restores Umbertina to a reading public newly attuned to the complexities of cultural inheritance and identity The Philadelphia Inquirer

Unveiling the Power of Verbal Art: An Emotional Sojourn through **Review Of Italian American Studies**

In a world inundated with displays and the cacophony of instant connection, the profound power and mental resonance of verbal artistry usually disappear into obscurity, eclipsed by the regular onslaught of noise and distractions. Yet, situated within the musical pages of **Review Of Italian American Studies**, a charming work of fictional brilliance that pulses with raw emotions, lies an unique trip waiting to be embarked upon. Composed by way of a virtuoso wordsmith, this exciting opus books visitors on a mental odyssey, softly revealing the latent potential and profound affect embedded within the intricate internet of language. Within the heart-wrenching expanse of this evocative examination, we will embark upon an introspective exploration of the book is central themes, dissect its charming publishing design, and immerse ourselves in the indelible effect it leaves upon the depths of readers souls.
