Review Of Noaas National Geophysical Da:

Review of NOAA's National Geophysical Data Center National Research Council, Division on Earth and Life Studies, Board on Earth Sciences and Resources, Committee on Geophysical and Environmental Data, Committee to Review NOAA's National Geophysical Data Center, 2003-09-19 The report reviews the National Geophysical Data Center NGDC and assesses how well the center is managing its holdings serving its users and supporting NOAA's mission It concludes that NGDC is the natural place within NOAA and the nation for stewardship and dissemination of data related to the solid Earth and space environment These subject areas are also relevant to NOAA's new priority on integrated environmental approaches For NGDC to fulfill its potential however it must first rearticulate its mission and overcome some solvable problems including obtaining effective feedback from its users and organizing the center to eliminate parallel activities and reduce scientific isolation among the divisions
