Evaluating Leadership J. Keith McKinley, 2024-02-21 Leadership is vital but how do you know which leadership theory or practice is right for you How should you go about assessing the quality of a leadership practice How can you evaluate leadership ideas to ensure that they line up with Scripture How can you assess a leadership model and know it will work in your ministry setting Evaluating Leadership provides a solution to these problems It introduces the Leadership Assessment Matrix which helps you assess whether a leadership theory principle or practice is suitable for your team and your specific context Drawing on extensive experience and research Evaluating Leadership delves deep into the problem explains the model and demonstrates how it can be applied If you have ever had questions about how to evaluate leadership ideas or practices this book is the book for you

THE DARK SIDE OF LEADERSHIP Dr Tessie Herbst, 2014 This book highlights the fact that leaders do indeed affect the performance of organizations or the well being of society for better or worse to cast either a shadow or light by the exercise of their leadership Modern psychology with its theories of human behavior which does not acknowledge the existence of the spiritual realm cannot explain the carnage and evil often associated with the dark side of leadership This book focuses on the dark side of leadership in a multidimensional manner and provides a psychospiritual approach toward understanding personality disorders and leader derailment It highlights an area that has not been exclusively studied by leadership researchers to date the influence of spiritual forces in personality disorders which lead to leadership failure and derailment This book calls for a more interdisciplinary approach and holistic understanding of the dark side of leadership

inseparably relating body soul and spirit as they function individually and relationally It highlights the fact that the restoration of personality will require sustained dialogue between theologians and the medical and psychological professions This book provides solid information and new insights for anyone seeking to understand the dark side of leadership The Kenotic Organization Brian E. Ruffner,2023-01-25 Although organizations frequently proclaim the desire for change renewal and transformation few ever fully embrace those ideas failing to rise above more than mere mediocrity and never realizing even a fraction of their true potential Certainly many pontificate on the nature of organizations as they live and breathe so to speak yet few question how the organization ought to be This ought belies the existential and ethical dimensions of organizing and as such points to a discipline not often associated with the organizational realm theology To this end the concept of the kenotic organization offers a much needed antidote to the syndrome described above Drawing on the divine Trinitarian kenosis observed in the creation event and witnessed in the Incarnation the simultaneous actions of self limiting and pouring out inform the organizational cause and expose a deeply entangled organizational mesh enveloping the entire cosmos which can serve as a catalyst to excite preferred organizational behaviors It is in fact the humility of Trinitarian kenosis the willingness to withdraw but also at once pour out the individual essence that generates the thrust necessary to escape the gravitational pull of convention which typical inhibits organizational flourishing **Leadership Ethics & Spirituality** J. Thomas Whetstone,2013-07-02 A practical guide for anyone called to be a good leader Leadership Ethics Spirituality explains why and how you can be both effective and ethical as a successful leader while walking by faith From a biblical worldview it draws upon leadership research and ethics theory to explain what practices and character qualities you need to be a good leader and how you can develop and apply them successfully to the challenges faced in twenty first century organizationseffectively ethically and with spiritual mindedness Although written primarily to Christian leaders it offers useful insights for those from other spiritual traditions and perspectives as well *Servants and Fools* Arthur Boers,2015-10-20 Leadership is a much discussed topic What does it actually mean for us as Christians Does Christian leadership have its own distinctive shape and character In *Servants and Fools* A Biblical Theology of Leadership Arthur Boers examines Jesus s pattern of leadership Boers shows how this pattern is rooted in service and sacrifice is cautious about power and hierarchies and prioritizes the vulnerable In other words it often reverses what we expect of leadership and is different from what we read in most leadership literature *Servants and Fools* is a unique resource for students and practitioners across denominations It offers a foundational perspective on leadership and guidance for practical application in the reader s daily life and ministry Arthur Boers has at last written the book we have sorely needed a book that is destined to become the main text in my seminary courses in church leadership a book that is sure to be enthusiastically received by thousands of contemporary Christian leaders Boers energetically underscores the joyful peculiarity of specifically Christian leadership His book is unique a biblically based Christologically grounded defense of leadership in the name of Christ Will

Willimon Professor of the Practice of Christian Ministry Duke Divinity School United Methodist Bishop retired and author of Pastor The Theology and Practice of Ordained Leadership Servants and Fools is a brilliant and essential contribution to any serious study of leadership Robust faithful insightful biblical teaching A judicious knowledgeable harvest of the best contributions from leadership theorists and practitioners Plus humor in the trenches experiences and practical applications I cannot imagine ever teaching another class on leadership without assigning and discussing Arthur Boers s book David W Gill Mockler Phillips Professor of Workplace Theology Ethics Gordon Conwell Theological Seminary In Servants and Fools A Biblical Theology of Leadership Arthur Boers deconstructs the contemporary cult of leadership and serves up a refreshingly Biblical alternative It is a great cautionary tale for today s churches seminaries and Christian non profits At the same time it offers great insight for secular organizations and leaders as well John Suk author former editor of The Banner and pastor of Lawrence Park Community Church Toronto Canada One of Hearts Minds Bookstore s BEST BOOKS OF 2015

Shepherding God's People Siang-Yang Tan,2019-07-16 This comprehensive textbook on pastoral ministry for pastors church leaders and students articulates a biblical model for shepherding God s people Written by a leading psychologist and seminary professor who has served as a pastor for more than two decades the book covers twelve major areas of pastoral ministry highlights the essential work of the Holy Spirit and focuses on the personal and family life of the pastor It includes cross cultural perspectives of special interest in our diverse world and a foreword by John Ortberg **UnCorinthian Leadership** David Ian Starling,2014-07-15 Amid the torrent of books on leadership that flood the marketplace of contemporary Christianity UnCorinthian Leadership takes a fresh challenging and biblical approach David Starling examines the teaching and leadership practices of Paul in 1 Corinthians and finds both a sharp critique of the Corinthianized practices that are endemic in much modern Western Christianity and a positive compelling theological vision for how leadership ought to function among the people of Christ The account of Christian leadership that emerges is grounded in careful contextual study of 1 Corinthians and thoughtfully applied to the circumstances and cultural pressures of our own times Paying close attention to the situation Paul addresses and the shape of his arguments Starling highlights the vivid relevance and enduring power of the letter Students of 1 Corinthians will find an illuminating guide to the contemporary application of the letter Christian leaders and students of leadership will find a refreshingly biblical account of what makes Christian leadership Christian
