Revision Of The Treaty:

A Revision of the Treaty John Maynard Keynes, 1922 A Revision of the Treaty Being a Sequel to the Economic Consequences of the Peace by John Maynard Keynes first published in 1922 is a rare manuscript the original residing in one of the great libraries of the world This book is a reproduction of that original which has been scanned and cleaned by state of the art publishing tools for better readability and enhanced appreciation Restoration Editors mission is to bring long out of print manuscripts back to life Some smudges annotations or unclear text may still exist due to permanent damage to the original work We believe the literary significance of the text justifies offering this reproduction allowing a new generation to appreciate it A Revision of the Treaty John Maynard Keynes, 2019 **A Revision of the Treaty** John Maynard Keynes, 2017-09-17 Excerpt from A Revision of the Treaty Being a Sequel to the Economic Consequences of the Peace The Economic Consequences of the Peace which I published in December 1919 has been reprinted from time to time without revision or correction So much has come to our knowledge since then that a revised edition of that book would be out of place I have thought it better therefore to leave it unaltered and to collect together in this Sequel the corrections and additions which the flow of events makes necessary together with my reflections on the present facts But this book is strictly what it represents itself to be a Sequel I might almost have said an Appendix I have nothing very new to say on the fundamental issues Some of the Remedies which I proposed two years ago are now everybody's common places and I have nothing startling to add to them My object is a strictly limited one namely to provide facts and materials for an intelligent review of the Reparation Problem as it now is About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *A Revision of the Treaty* John Maynard Keynes, 2021-05-19 In A Revision of the Treaty John Maynard Keynes presents a passionate and rigorous critique of the Treaty of Versailles arguing for a reconsideration that acknowledges the economic realities of post World War I Europe Keynes employs a clear persuasive style infused with economic analysis illustrating the dire consequences of the treaty's reparations on Germany and consequently on the stability of Europe This work holds a significant place within the context of early 20th century economic thought as it serves as a precursor to Keynesian economics emphasizing the interconnectedness of international economics and the social implications of fiscal policies John Maynard Keynes was a prominent British economist whose insights reshaped economic theory and policy in the 20th century His experiences during and after the war deeply influenced his views having witnessed the economic turmoil that ensued he recognized that punitive measures could

only exacerbate instability This personal and professional context informs the urgency in his call for a revision of a treaty he believed was fundamentally flawed rooted more in vengeance than in recovery I highly recommend A Revision of the Treaty to readers interested in economic history international relations and the fundamental roots of modern economic policies Keynes work remains relevant today providing valuable insights into the consequences of financial decisions made in the aftermath of conflict

A Revision of the Treaty John Maynard Keynes,1922-06-01 This reproduction was printed from a digital file created at the Library of Congress as part of an extensive scanning effort started with a generous donation from the Alfred P Sloan Foundation The Library is pleased to offer much of its public domain holdings free of charge online and at a modest price in this printed format Seeing these older volumes from our collections rediscovered by new generations of readers renews our own passion for books and scholarship

A Revision of the Treaty Being a Sequel of the Economic Consequence of the Peace Keynes John Maynard,2016-06-23 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy
