Unity, Ambiguity, and Flexibility in Theme Music for Game Shows Christopher Gage,2024-04-30 With flashing lights bright colors and big money game shows have been an integral part of American culture since the days of radio While the music that accompanies game shows is charming and catchy it presents two unique opposing challenges first it must exhibit unity in its construction so that at any point and for any length of time it is a tuneful recognizable signifier of the show to which it belongs at the same time it must also possess the ability to be started and stopped according to the needs of gameplay without seeming truncated This book argues that game show music in particular from 1960 to 1990 deploys a variety of shared techniques in order to manage these two goals including theme derived vamps saturation of motivic material and harmonic rhythmic and formal ambiguity Together these techniques make game show themes exciting memorable and perfectly suited to their role Manual of Revivals George Winfred Hervey,1884

Inside Tenement Time Kezia Page,2024-11-15 Inside Tenement Time is the first comprehensive treatment of literary and cultural texts on surveillance in the Caribbean Covering the long historical arc of the twentieth to the twenty first centuries Inside Tenement Time uses Jamaica as a case study to examine moments of crisis and particular spaces especially urban yard enclaves and their environs in the Caribbean encounter with surveillance Making the argument that the Caribbean situation reveals flexible hegemonies rather than

provinces of exclusive control the book demonstrates the countervailing force of sussveillance and spiritveillance Afro Indigenous variations on surveillance Sussveillance and spiritveillance are exemplars of vernacular arts and sciences that operate at and within the frangible borders of state power exposing the unique dynamics of surveillance in the region and marshalling the acts of imagination with which it contends For example the Smile Jamaica concert of 1976 headlined by reggae Superstar Bob Marley and the reputedly US government backed 2010 Tivoli Gardens incursion in West Kingston both moments that have dramatic even mythic residue in Caribbean and global memory are among the real life events brought into conversation with literary representations of this history

Theatre Intercontinental, 2024-08-26 Most of the essays in this volume developed from a series of lectures on the forms and functions of theatre in different cultures and correspondences between them organized by the Leiden University Department of Theatre and Film Studies Some contributions to this volume discuss origins forms and functions of theatre in the Far and in the Middle East as well as how in some cases the contemporary theatre in these cultures have managed to incorporate Western theatrical elements into their local traditions Other articles consider how such twentieth century Western dramatists as Yeats Brecht and Beckett have been inspired by Asian theatre forms how Western theatre goers have misunderstood the true nature of Russian drama how the inspiration of the best known of those Russian playwrights has manifested itself in the work of an American film maker and how African dance has helped to reshape North Atlantic modern and post modern choreography Thus this collection is arranged to take the reader on a journey of discovery or possibly recovery from China to Japan from India to Africa from Iran to Turkey to Russia and finally from Moscow to Manhattan *Theatre Intercontinental* will be of value to scholars teachers and students with an interest in how theatre manifests itself in various cultures how it originated what needs it fulfils and how it is affected by cross cultural influences It provides a few tentative conclusions some thought provoking questions and we hope the stimulus to compare the issues raised here with theatrical cultures not covered by this book
