Pursuit of Spiritual Renewal Chima E. Umejiaku, 2017-08-04 We all yearn for revival in our quest to maintain closeness with God Inside this book you will find process of achieving spiritual renewal through some pertinent elements such as studying God's word meditation discernment constant prayer fasting worship and praises and of course the Holy Spirit who is the chief agent of spiritual renewal These elements were discussed in detail to substantiate their importance in drawing individuals closer to God and also responsible in bringing positive transformation and revival within the church which will ultimately have effect on the community The first and second Great Awakenings in the United States occurred under George Whitefield and Jonathan Edwards and Charles Finney respectively These great men understood the relevance of certain elements of spiritual renewal and lived them out during their time and throughout their ministerial endeavors By so doing they not only impacted their generation but also left a wonderful legacy for the church community around the globe If these elements of spiritual renewal are employed with meditative reflection individual Christians in our time will achieve an unprecedented result just as the Old and New Testaments believers achieved under the leadership of some godly kings in Judah the Southern kingdom of Israel It was substantiated in this study that for any meaningful revival to occur within or outside Christian community the 5Rs in spiritual renewal must be present repentance return renewal revival and restoration Spiritual renewal begins from the heart Therefore there must be spiritual heart transplant for a revival to occur because a transformed heart is a renewed heart and a renewed heart is a revived life Keep your heart with all diligence for out of it spring the issues of life Prov 4:23 Chima Umejiaku is a Pastor of Christian Assembly Church in Lynn one in theology and another in special education and also first degree in Special education Recently he was co-opted as an adjunct instructor at IFCA Bible College where he teaches Evangelism Church planting and Church growth He has been married to his beautiful wife Favour Umejiaku for twenty four years and they were blessed with a wonderful and talented son JIL Chidirim Umejiaku Contact the author if you want to organize two or three day's revival in your church or a seminar on evangelism church planting and church growth

Global Awakening Mark R. Shaw,2010-05-07 The last century has seen the revolutionary remaking of Christianity into a truly world religion How did it happen What triggered the emergence of this new global faith no longer dominated by the West full of new and vital forms of devotion Mark Shaw s provocative thesis is that far flung revivals are at the heart of the global resurgence of Christianity These were not the quirky folk rituals associated with rural America and nineteenth century camp meetings that belong more to an age of plows and prairies than

of postmodernity and globalization Rather they were like forces of nature protean constantly adjusting their features and ferocity to new times and to new places speaking Spanish Portuguese Yoruba Korean Mandarin and Gujarati They crossed the equator As they traveled abroad they grabbed hold of missionaries Bible translations national evangelists globalization and glossolalia and turned them into a religious revolution In this engaging book we read the stories of Joseph Babalola and the Aladura Revival in Africa of Kil Sun Ju and the great Korean revival of 1907 of Paulo Borges Jr and explosion of neo Pentecostalism in Brazil and of V S Azariah and the mass conversions of the Dalit people in India As Shaw paints portraits of these and many more his gallery fills and we begin to see beyond isolated pictures to the sweeping landscape that we didn't realize was before our eyes all the time
