Revivalism And Separatism In New England 1740 18

Jonathan Yeager

Revivalism And Separatism In New England 1740 18:

Revivalism and Separatism in New England, 1740-1800 C. C. Goen, 1987 A foundational study of religious identity in colonial America

Revivalism and Separatism in New England 1740-1800 Clarence Curtis Goen, 1987

Adoniram Judson Jason G. Duesing, 2012 A new biography of Baptist missionary Adoniram Judson 1788 1850 written to honor the 200th anniversary of his first mission trip from the U S to the Far East that would in turn mark the start of Americans joining the modern missions movement

The Indian Great Awakening Linford D. Fisher, 2012-06-14 This book tells the gripping story of New England s Natives efforts to reshape their worlds between the 1670s and 1820 as they defended their land rights welcomed educational opportunities for their children joined local white churches during the First Great Awakening 1740s and over time refashioned Christianity for their own purposes

Theologies of the American Revivalists Robert W. Caldwell, 2017-03-04 Robert Caldwell traces the fascinating story of American revival theologies during the Great Awakenings examining the particular convictions underlying these conversions to faith Caldwell offers a reconsideration of the theologies of important figures and movements giving fresh insight into what it meant to become a Christian during this age in America s religious history

The Language of Liberty 1660-1832 J. C. D. Clark, 1994 This book creates a new framework for the political and intellectual relations between the British Isles and America in a momentous period which witnessed the formation of modern states on both sides of the Atlantic and the extinction of an Anglican aristocratic and monarchical order Jonathan Clark integrates evidence from law and religion to reveal how the dynamics of early modern societies were essentially denominational In a study of British and American discourse he shows how rival conceptions of liberty were expressed in the conflicts created by Protestant dissent s hostility to an Anglican hegemony The book argues that this model provides a key to collective acts of resistance to the established order throughout the period The book s final section focuses on the defining episode for British and American history and shows the way in which the American Revolution can be understood as a war of religion

Revivalism and Separatism in New England, 1740-1800 C. C. Goen, 1962

The Martyr and the Traitor Virginia DeJohn Anderson, 2017-05-01 In September 1776 two men from Connecticut each embarked on a dangerous mission One of the men a soldier disguised as a schoolmaster made his way to British controlled Manhattan and began furtively making notes and sketches to bring back to the beleaguered Continental Army general George Washington The other man traveled to New York to accept a captain s commission in a loyalist regiment before returning home to recruit others to join British forces Neither man completed his mission Both met their deaths at the end of a hangman s rope one executed as a spy for the American cause and the other as a traitor to it Neither Nathan Hale nor Moses Dunbar deliberately set out to be a revolutionary or a loyalist yet both suffered the same fate They died when there was every indication that Britain would win the American Revolution Had that been the outcome Dunbar convicted of treason and since forgotten might well be celebrated as a martyr And Hale caught spying on the British would likely be remembered

as a traitor rather than a Revolutionary hero In *The Martyr and the Traitor* Virginia DeJohn Anderson offers an intertwined narrative of men from very similar backgrounds and reveals how their relationships within their families and communities became politicized as the imperial crisis with Britain erupted She explores how these men forged their loyalties in perilous times and believed the causes for which they died to be honorable Through their experiences *The Martyr and the Traitor* illuminates the impact of the Revolution on ordinary lives and how the stories of patriots and loyalists were remembered and forgotten after independence

The Awakening of the Freewill Baptists Scott Bryant, 2011 The last decades of the eighteenth century brought numerous changes to the citizens of colonial New England As the colonists were joining together in their fight for independence from England a collection of like minded believers in southern New Hampshire forged an identity as a new religious tradition Benjamin Randall 1749ndash 1808 was one of the principle founders of the Freewill Baptist movement in colonial New England Randall was one of the many eighteenth century colonists that enjoyed a conversion experience as a result of the revival ministry of George Whitefield His newfound spiritual zeal prompted him to examine the scriptures on his own and he began to question the practice of infant baptism Randall completed his separation from the Congregational church of his youth when he contacted a Baptist congregation and submitted himself for baptism When Randall was introduced to the Baptists in New England he was made aware that his theology including God s universal love and universal grace was at odds with Calvin s doctrine of election that was affirmed by the other Baptists Randall s spiritual journey continued as he began to preach revival services throughout the region His ministry was well received and he established a new congregation in New Durham New Hampshire in 1780 The congregation in New Durham served as Randall s base of operation as he led revival services throughout New Hampshire and Southern Maine Randall s travels introduced him to many colonists who accepted his message of universal love and universal grace and a movement was born as Randall formed many congregations throughout the region Randall spent the remainder of his life organizing guiding and leading the Freewill Baptists as they developed into a religious tradition that included thousands of adherents spread throughout New England and into Canada
