Revived Puritan The Spirituality Of George Whitfield:

The Revived Puritan George Whitefield, Michael A. G. Haykin, 2000-01-01 **George Whitefield** Nigel D Scotland, 2019-06-21 George Whitefield proclaimed the Christian message to more people in history than anyone else before or since who spoke with an unaided voice A preacher of revival almost from his childhood when he prophesied his own destiny he had a profound impact on the social religious and political life of both Britain and America He crossed the Atlantic thirteen times and emerged as a celebrity figure whose message captivated both rich and poor alike Whitefield heralded a new kind of revival that was both spiritually powerful and entertaining at the same time He was also a man of contradictions He loved the Anglican liturgy but would happily break canon law He was a devoted Puritan yet he was also able to befriend those with more liberal morals Above all Whitefield was a driven man and his overwhelming passion was to preach New Birth in Christ the theme he was to speak on over a thousand times He valued education opposed slavery cared for orphan children and changed the course of both British and American history **27 Servants of Sovereign Joy** John Piper, 2022-09-02 From Bestselling Author John Piper 27 Biographies of Notable Figures from Church History including Augustine John Calvin and Martin Luther Throughout church history the faithful ministries of Christian leaders though full of struggle sin and weakness have magnified the worth and majesty of God Their lives and teachings are still profoundly relevant Their voices live on in the stories we read and tell today In this book John Piper celebrates the lives of 27 such leaders from church history offering a close look at their perseverance amidst opposition weakness and suffering Let the resilience of these faithful but flawed saints inspire you toward a life of Christ exalting courage passion and joy Written by Best Selling Author John Piper The author of more than 50 books including Desiring God Don't Waste Your Life Providence The Supremacy of God in Preaching Expository Exultation and Why I Love the Apostle Paul Short Biographies of 27 Inspiring Figures from Church History Features short biographies of Augustine John Calvin John Bunyan Martin Luther John Newton William Wilberforce and more Updated from 21 Servants of Sovereign Joy Includes new chapters about Martyn Lloyd Jones Jonathan Edwards Bill Piper J C Ryle Andrew Fuller and Robert Murray McCheyne **The Life and Times of the Reverend George Whitefield, M.A.** Robert Philip, 1838 **Whitefield on the Christian Life** Tom Schwanda, Ian Maddock, 2025-05-20 Biography Explores the Life of George Whitefield an Important Figure in the Early Evangelical Revival George Whitefield's bold born again theology and passionate sermons established him as a key figure during the 18th century Many Christians are familiar with evangelists of this time including Jonathan Edwards and John Wesley but Whitefield arguably the most significant member of the trio often goes unnoticed in the church today After experiencing a profound encounter with Jesus during his time at Oxford Whitefield dedicated his life to teaching the Scriptures to others and calling people to experience the joy of knowing and loving God This biography aims to restore Whitefield as a prominent figure in the early evangelical revival while addressing the complexities of the time in an honest historical and balanced way Authors Tom Schwanda and Ian Maddock

Bruce Hindmarsh,2005-03-18 In the seventeenth and eighteenth centuries thousands of ordinary women and men experienced evangelical conversion and turned to a certain form of spiritual autobiography to make sense of their lives This book traces the rise and progress of conversion narrative as a unique form of spiritual autobiography in early modern England After outlining the emergence of the genre in the seventeenth century and the revival of the form in the journals of the leaders of the Evangelical Revival the central chapters of the book examine extensive archival sources to show the subtly different forms of narrative identity that appeared among Wesleyan Methodists Moravians Anglicans Baptists and others Attentive to the unique voices of pastors and laypeople women and men Western and non Western peoples the book establishes the cultural conditions under which the genre proliferated **Wesley, Whitefield and the 'Free Grace' Controversy** Joel Houston,2019-11-06 When approaching the most public disagreement over predestination in the eighteenth century the Free Grace controversy between John Wesley and George Whitefield the tendency can be to simply review the event as a row over the same old issues This assumption pervades much of the scholarly literature that deals with early Methodism Moreover much of that same literature addresses the dispute from John Wesley s vantage point often harbouring a bias towards his Evangelical Arminianism Yet the question must be asked was there more to the Free Grace controversy than a simple rehashing of old arguments This book answers this complex question by setting out the definitive account of the Free Grace controversy in first decade of the Evangelical Revival 1739-49 Centred around the key players in the fracas John Wesley and George Whitefield it is a close analysis of the way in which the doctrine of predestination was instrumental in differentiating the early Methodist societies from one another It recounts the controversy through the lens of doctrinal analysis and from two distinct perspectives the propositional content of a given doctrine and how that doctrine exerts formative pressure upon the assenting individual s What emerges from this study is a

clearer picture of the formative years of early Methodism and the vital role that doctrinal pronouncement played in giving a shape to early Methodist identity It will therefore be of great interest to scholars of Methodism Evangelicalism Theology and Church History **Christianities in the Early Modern Celtic World** T. Wesley and Whitefield? Wesley versus Whitefield? Ian J. Maddock,2018-02-28 John Wesley and George Whitefield were in many ways larger than life figures during their own lifetimes and continue to be so today Yet our ability to appreciate their abiding influence on contemporary Evangelical theology and practice is lacking if we consider them in isolation from one another Our understanding of Wesley and the legacy of his public ministry is impoverished apart from considering Whitefield and vice versa This collection of essays explores the complex dynamics at work in the Wesley Whitefield relationship spanning a variety of theological historical and pastoral facets of their full orbbed public ministries They serve as an invitation to grow in our awareness of their undoubted affinities and significant differences all the while resisting the potential allure of either uncritically ecumenical Wesley and or uncharitably partisan Whitefield versus narratives
