Revolt Against Modernity Leo Strauss Eric Voegelin And The Search For A Postliberal Order

John J. Ranieri

Revolt Against Modernity Leo Strauss Eric Voegelin And The Search For A Postliberal Order:

Revolt Against Modernity Ted V. McAllister, 1996-01-22 Eric Voegelin and Leo Strauss are two of the most provocative and durable political philosophers of this century Ted McAllister's superbly written study provides the first comprehensive comparison of their thought and its profound influence on contemporary American conservatism Since the appearance in the 1950s of Strauss's *Natural Right and History* and Voegelin's *Order and History* conservatives like Russell Kirk Irving Kristol and Allan Bloom have increasingly turned to these thinkers to support their attacks on liberalism and the modernist mindset Like so many conservatives Strauss and Voegelin rebelled against modernity amorality personified by Machiavelli Hobbes Rousseau Kant Hegel and Nietzsche and its promotion of individualism and materialism over communal and spiritual responsibility While both disdained the reductionist conservative label conservatives nevertheless appropriated their philosophy in part because it restored theology and classical tradition to the moral core of civil society For both men modernity's debilitating disorder revealed surprising and disturbing relations among liberal communist and Nazi ideologies In their eyes modernity's insidious virus so apparent in the Nazi and communist regimes lies incubating within liberal democracy itself McAllister's thorough reevaluation of Strauss and Voegelin expands our understanding of their thought and restores balance to a literature that has been dominated by political theorists and disciples of Strauss and Voegelin Neither reverential nor dismissive he reveals the social historical political and philosophical foundations of their work and effectively decodes their frequently opaque or esoteric thinking Well written and persuasively argued McAllister's study will appeal to anyone engaged in the volatile debates over liberalism's demise and conservatism's rise

Revolt Against Modernity Ted V. McAllister, 1997

Revolt Against Modernity Ted V. McAllister, 1996 Provides the first comparison of the thought of these two political philosophers and its influence on contemporary American conservatism

Disturbing Revelation: Leo Strauss, Eric Voegelin, and the Bible John J. Ranieri, 2008 Ranieri shows how Leo Strauss and Eric Voegelin drew on biblical texts in their philosophies to explore the relationship between religion politics and violence while maintaining a deep ambivalence about the Bible's vision of life and its influence on politics and finally compares their thought with that of Ren Girard Provided by publisher

The Politics of the Soul Glenn Hughes, 1999 The Politics of the Soul Eric Voegelin on Religious Experience includes eight essays examining one of the most profound studies of religious experience to appear in the last century that of the political philosopher Eric Voegelin Voegelin is increasingly recognized as a political theorist of exceptional scope and erudition and the most important philosopher of his time since Toynbee and his treatment of religious experience is a crucial part of his overall analysis of existence and history This collection of essays by prominent Voegelin scholars is the first book to explore the relevance of that analysis to the contemporary understanding of political theory theology history and philosophy of consciousness and as such it constitutes a significant contribution not only to Voegelin scholarship but to the current quest for theoretical foundations

Leo Strauss and the Conservative Movement in

America Paul E. Gottfried, 2011-12-29 This book offers an original interpretation of the achievement of Leo Strauss stressing how his ideas and followers reshaped the American conservative movement The conservative movement that reached out to Strauss and his legacy was extremely fluid and lacked a self confident leadership Conservative activists and journalists felt a desperate need for academic acceptability which they thought Strauss and his disciples would furnish They also became deeply concerned with the problem of value relativism which self described conservatives thought Strauss had effectively addressed But until recently neither Strauss nor his disciples have considered themselves to be conservatives Contrary to another misconception Straussians have never wished to convert Americans to ancient political ideals and practices except in a very selective rhetorical fashion Strauss and his disciples have been avid champions of American modernity and timeless values as interpreted by Strauss and his followers often look starkly contemporary The Politics of Truth and Other Untimely Essays Ellis Sandoz, 1999 This volume explores the historical and theoretical underpinnings of personal liberty and free government and provides an analysis of the crisis of civic consciousness endangering both **The Emergence of Post-modernity at the Intersection of Liberalism, Capitalism, and Secularism** Matthew McManus, 2022-09-07 This book is a systematic and thorough analysis of what post modernity is and how it emerged It distinguishes between those who regard post modernity as a theoretical approach and those who regard it as a culture and argues that interpreting post modernity as a culture is more fruitful It discusses the three factors which led to its emergence namely liberalism capitalism and secularism highlighting their respective influence in generating the culture of post modernity within neoliberal societies The volume provides a lengthy analysis of neoliberal post modernity in practice arguing that post modernism is the cultural condition of neoliberal societies in the late 20th and early 21st centuries Until recently it seemed that neoliberal post modernity was here to stay framed by relationship to freedom and time which stressed individual agency but precluded the possibility of historical change at the political level However the Great Recession of 2008 opened new spaces for agitation and transformation which has resulted in the discordant politics of the last decade This book will be of interest to scholars working in a number of fields including economic policy cultural analysis political theory and social critique **Leo Strauss and Anglo-American Democracy** Grant N. Havers, 2013-10-15 Leo Strauss and Anglo American Democracy critically interprets Strauss s political philosophy from a conservative perspective Most mainstream readers of Strauss have either condemned him from the Left as an extreme right wing opponent of liberal democracy or celebrated him from the Right as a traditional defender of Western civilization Rejecting both portrayals Grant N Havers shifts the debate beyond the conventional parameters stating that Strauss was neither a man of the Far Right nor a conservative but in fact a secular Cold War liberal In Leo Strauss and Anglo American Democracy Havers contends that the most troubling implication of Straussianism is that it provides an ideological rationale for the aggressive spread of democratic values on a global basis while ignoring the preconditions that make these values possible Concepts such as the rule of law constitutional government

Christian morality and the separation of church and state are not easily transplanted beyond the historic confines of Anglo American civilization as recent wars to spread democracy have demonstrated **Right Face** Niels Bjerre-Poulsen, 2002

Right Face tells the compelling story of how the American conservative movement in the two decades following World War II managed to move from obscurity to the center stage of national politics When Dwight D Eisenhower in 1952 defeated the conservative champion Robert Taft and won the Republican presidential nomination many on the American right felt that they had become homeless within the established party system The brand of liberalism which permeated the nation s intellectual life had also become bipartisan political doctrine The feeling of cultural and political ostracism triggered a quest for an independent conservative network of organizations with the hope of either taking back the Republican Party or creating a viable alternative The first part of Right Face recounts the often bitter struggle to define the meaning of conservatism in modern America Part two concerns the search for influential national outlets for conservative opinion whereas part three focuses on the movement s actual plunge into electoral politics not least on its well planned takeover of the Republican Party machinery in 1964 and the resulting presidential nomination of Senator Barry Goldwater An epilogue attempts to trace main currents in the evolution of American conservatism since the 1960s as well as to assess the extent to which American conservatives have managed to create the Counter Establishment they set out to create more than half a century ago In a sense the conservatives actually set out on two different quests One was for intellectual respectability The other was for political power As this study reveals the two goals were not always compatible Based on extensive archival sources Right Face provides an incisive analysis of the conservative movement and the forces that shaped it With its blending of intellectual and organizational developments it adds an important chapter to the history of American political culture in the 20th century

Revolt Against Modernity Leo Strauss Eric Voegelin And The Search For A Postliberal Order Introduction

In the digital age, access to information has become easier than ever before. The ability to download Revolt Against Modernity Leo Strauss Eric Voegelin And The Search For A Postliberal Order has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Revolt Against Modernity Leo Strauss Eric Voegelin And The Search For A Postliberal Order has opened up a world of possibilities. Downloading Revolt Against Modernity Leo Strauss Eric Voegelin And The Search For A Postliberal Order provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience

allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading *Revolt Against Modernity Leo Strauss Eric Voegelin And The Search For A Postliberal Order* has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download *Revolt Against Modernity Leo Strauss Eric Voegelin And The Search For A Postliberal Order*. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading *Revolt Against Modernity Leo Strauss Eric Voegelin And The Search For A Postliberal Order*. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading *Revolt Against Modernity Leo Strauss Eric Voegelin And The Search For A Postliberal Order*, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download *Revolt Against Modernity Leo Strauss Eric Voegelin And The Search For A Postliberal Order* has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Revolt Against Modernity Leo Strauss Eric Voegelin And The Search For A Postliberal Order Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including

classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Revolt Against Modernity Leo Strauss Eric Voegelin And The Search For A Postliberal Order is one of the best book in our library for free trial. We provide copy of Revolt Against Modernity Leo Strauss Eric Voegelin And The Search For A Postliberal Order in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Revolt Against Modernity Leo Strauss Eric Voegelin And The Search For A Postliberal Order. Where to download Revolt Against Modernity Leo Strauss Eric Voegelin And The Search For A Postliberal Order online for free? Are you looking for Revolt Against Modernity Leo Strauss Eric Voegelin And The Search For A Postliberal Order PDF? This is definitely going to save you time and cash in something you should think about.
