From the pen of legendary historical novelist Jean Plaidy comes an unforgettable true story of royalty passion and innocence lost Born into an impoverished branch of the noble Howard family young Katherine is plucked from her home to live with her grandmother the Duchess of Norfolk The innocent girl quickly learns that her grandmother s puritanism is not shared by Katherine s free spirited cousins with whom she lives Beautiful and impressionable Katherine becomes involved in two ill fated love affairs before her sixteenth birthday Like her cousin Anne Boleyn she leaves her grandmother s home to become a lady in waiting at the court of Henry VIII The royal palaces are exciting to a young girl from the country and Katherine finds that her duties there allow her to be near her handsome cousin Thomas Culpepper whom she has loved since childhood But when Katherine catches the eye of the aging and unhappily married king she is forced to abandon her plans for a life with Thomas and marry King Henry Overwhelmed by the change in her fortunes bewildered and flattered by the adoration of her husband Katherine is dazzled by the royal life But her bliss is short lived as rumors of her wayward past come back to haunt her and Katherine s destiny takes another deadly turn

Victoria Victorious Jean Plaidy, 2009-02-19 In this unforgettable novel of Queen Victoria Jean Plaidy re creates a remarkable life filled with romance triumph and tragedy At birth Princess Victoria was fourth in line for the throne of England the often overlooked daughter of a prince who died shortly after her birth She and her mother lived in genteel poverty for most of her childhood exiled from court because of her mother s dislike of her uncles George IV and William IV A strong willful child Victoria was determined not to be stifled by her powerful uncles or her unpopular controlling mother Then one morning at the age of eighteen Princess Victoria awoke to the news of her uncle William s death The almost forgotten princess was now Queen of England Even better she was finally free of her mother s iron hand and her uncles manipulations Her first act as queen was to demand that she be given a room and a bed of her own Victoria s marriage to her German cousin Prince Albert was a blissfully happy one that produced nine children Albert was her constant companion and one of her most trusted advisors Victoria s grief after Prince Albert s untimely death was so shattering that for the rest of her life nearly forty years she dressed only in black She survived several assassination attempts and during her reign England s empire expanded around the globe until it touched every continent in the world Derided as a mere girl queen at her coronation by the end of her sixty four year reign Victoria embodied the glory of the British Empire In this novel written as a memoir by Victoria herself she emerges as truthful sentimental and essentially human both a lovable woman and a great queen Raising Royalty Carolyn Harris, 2017-04-08 Raising Royalty examines the struggles and successes of twenty sets of royal parents over the past thousand years as they raised their children in the public eye From Edgar and Elfrida in Anglo Saxon times to William and Kate today Raising Royalty discusses centuries of royal parenting
