Revolucionarios Por El Evangelio:

Revolucionarios por el evangelio Teófilo Cabestrero, 1983 *The Catholic Church and Politics in Nicaragua and Costa Rica* Philip J. Williams, 2010-11-23 Unlike most recent studies of the Catholic Church in Latin America Philip J Williams analyzes the Church in two very dissimilar political contexts Nicaragua and Costa Rica Despite the obvious differences Williams argues that in both cases the Church has responded to social change in remarkably similar fashion The efforts of progressive clergy to promote change in both countries have been largely blocked by Church hierarchy fearful that such change will threaten the Church s influence in society **The Catholic Church and Social Change in Nicaragua** Manzar Foroohar, 1989-01-01 This book presents an in depth uniquely historical perspective on Nicaragua focusing on the key role of the Catholic Church in the political social and religious issues that confront this country today It examines the profound transformation of the Church via the radical approach of liberation theology and the development of the clergy s socio political alliances in Nicaragua Foroohar s analysis highlights the complex role of religion in politics and social change in Latin America To Lead As Equals Jeffrey L. Gould, 2014-01-01 This book is a carefully argued study of peasants and labor during the Somoza regime focusing on popular movements in the economically strategic department of Chinandega in western Nicaragua Jeffrey Gould traces the evolution of group consciousness among peasants and workers as they moved away from extreme dependency on the patron to achieve an autonomous social and political ideology In doing so he makes important contributions to peasant studies and theories of revolution as well as our understanding of Nicaraguan history According to Gould when Anastasio Somoza first came to power in 1936 workers and peasants took the Somocista reform program seriously Their initial acceptance of Somocismo and its early promises of labor rights and later ones of land redistribution accounts for one of the most peculiar features of the pre Sandinista political landscape the wide gulf separating popular movements and middle class opposition to the government Only the alliance of the Frente Sandinista FSLN and the peasant movement would knock down the wall of silence between the two forces **Del Evangelio a los Evangelios** James D. G. Dunn, 2013 En este libro el autor considera diversos aspectos del Nuevo Testamento que por mucho tiempo han sido objeto de discusi n qu tan confiables son los evangelios el car cter oral de la m s antigua tradici n sobre Jes s el nacimiento del g nero de los sin pticos la diversidad del evangelio de Juan el paso de Jes s a Pablo la justificaci n por la fe la eclesiolog a trinitaria de Pablo entre otros James D G Diunn de formaci n protestante se dirige a un p blico cat lico y judio con la esperanza de favorecer un conocimiento acerca de Jes s de Pablo y de los evangelios de su relaci n mutua y de su importancia para la autocomprensi n cristiana y para el crecimiento del respeto y la comprensi n entre judios y cristianos **Revolutionaries for the Gospel** Teófilo Cabestrero, 1986 In this moving volume edited by celebrated Spanish journalist Te filo Cabestrero fifteen men and women explore their twofold identity as Christians and revolutionaries describing their integration of faith and political conviction within the Sandinista revolution Despite the diversity of their experiences the
