Revolution And Political Change International Library Of Politics And Comparative Government:

Revolution and Political Change Alexander J. Groth,1996 This book is a collection of essays from the scholarly literature on the causes and characteristics of political revolutions of modernity The editor s introductory chapter emphasizes increasing political mobilization and above all the acceleration of interactive changes in the fundamental context of politics social economic and cultural as a precursor to increasingly volatile world environments **The Politics of the**

Postcommunist World Stephen White,Daniel Nelson,2017-11-01 This title was first published in 2001 This series brings together the most significant journal articles to appear in the field of comparative politics since the 1970s The aim is to render accessible to teachers researchers and students an extensive range of essays as a basis for understanding established terrain and new ground **Religion and Politics** John T. S. Madeley,2019-07-15 This title was first published in 2003 This

subject area of this work cross cuts conventional sub disciplinary boundaries in the study of comparative politics Connections between religion and and politics can be identified in all of the thematic areas covered by the articles within **National**

and International Security Michael Sheehan,2018-01-18 This title was first published in 2000 This series brings together significant journal articles appearing in the field of comparative politics over the past 30 years The aim is to render accessible to teachers researchers and students an extensive range of essays to provide a basis for understanding the established terrain and new ground This volume introduces the undergraduate to a significant body of the periodical literature on the subject of national and international security **United Nations, Volumes I and II** Sam Daws,Paul

Taylor,2020-10-11 The International Library of Politics and Comparative Government is an essential reference series which compiles the most significant journal articles in comparative politics over the past 30 years It makes readily accessible to teachers researchers and students an extensive range of essays which together provide an indispensable basis for understanding both the established conceptual terrain and the new ground being broken in the rapidly changing field of comparative political analysis These two volumes include articles which examine the system the structure the function and the future of the United Nations *The Media, Journalism and Democracy* Margaret Scammell,Holli Semetko,2018-01-17

This title was first published in 2000 Offering original insights into the relationship between media and democratic theory this volume brings together a renowned collection of international specialists who examine media and democracy professional journalism the anatomy of content and the current issues which concern both institutions Challenging conventional discourse this comprehensive collection contains the most incisive and informative articles on this fundamental subject The transformation of Chinese socialism Chun Lin,2000 **Routledge Library Editions: Development**

Mini-Set J: Politics and International Relations Various,2022-01-18 Routledge Library Editions Development will re issue works which address economic political and social aspects of development Published over more than four decades these books trace the emergence of development as one of the most important contemporary issues and one of the key areas of

study for modern social science The books cover the most important themes within development and include studies of Latin America Africa and Asia Authors include Sir Alexander Cairncross W Arthur Lewis Lord Peter Bauer and Cristobal Kay An extensive collection of previously hard to access or out of print books this set presents an unrivalled opportunity to build up a wealth of material in the field of development studies with a particular focus upon economic and political concerns The volumes in the collection offer both a global overview of the history of development in the twentieth century and a huge variety of case studies on the development of individual nations For institutional purchases for e book sets please contact online sales tandf co uk customers in the UK Europe and Rest of World

Culture and Politics Jan-Erik Lane,Uwe Wagschal,2013-06-17 This concise accessible text presents an overview of the relevance of culture for politics Culture figures prominently in the theories of the great classics such as Marx Durkheim and Weber Recently the cultural approach to politics has developed quickly and the concept of political culture has played a role in these developments particularly given the emergence of large scale survey research into political value orientations Seeking to outline this rapid development the book is divided into three sections Section I of the book discusses the relevance of cultural perspectives to political analysis including discussion of the most significant concepts and methods Section II looks at the core elements of political culture tradition ethnicity and religion Section III examines emerging research avenues and opportunities including social capital value orientations in the postmodern world newer formulations of political culture such as gender and sexuality and the influence of the environment Drawing on a wealth of examples and a comprehensive analysis of comparative data this textbook is essential reading for all students of political culture research methods political sociology and comparative politics

Israel Gregory S. Mahler,2018-04-27 This title was first published in 2000 The International Library of Politics and Comparative Government brings together in one series the most significant journal articles to appear in the field of comparative politics in the last twenty five years It makes accessible to teachers researchers and students an extensive range of essays which provide an indispensable basis for understanding both the established conceptual terrain and the new ground being broken in the fast changing field of comparative political analysis A number of acknowledged experts have been invited to act as editors for the series They preface each volume with an introductory essay in which they review the basis for the selection of articles and suggest future directions of research and investigation in the subject area An invaluable resource for all those working in the field of comparative government and politics
