The Fourteen Ideas

Beauty	Courage
Equity	Freedom
Goodness	Grace
Immortality	Hope
Justice	Truth
Virtue	Wisdom
Glory & Honor	Change

In his historic work, *The Great Ideas*, Mortimer Adler discusses the importance of relating themes of literature to the great ideas and philosophies of Western culture. In order for a reader to comprehend cultural progression and the progression of history, the reader must understand the great ideas behind the stories of literature as well as the motivation for events of history. By supplying a reader with a universal idea such as beauty, truth, or goodness, the writer of a study guide facilitates the reader's understanding of the author's purpose in writing.

In Creation God's declaration of "It is good" is more than a conclusion for His completion of the work of the day. This declarative statement sets in the terms of goodness and completion. Man, with this phrase in his mind, was expected to judge his own creations by the judgment God pronounced on His own creation. For a man to declare his own work to be good, it must follow the criterion and standards of the Creator in the beginning. Likewise, the reader is asked to find the phrase in standards by each author in each work that is read.

One advantage of a Great Book reading program is to train the mind of the reader to conform not only to the mind of the writer, but also to the mind of God by comparing the Great Ideas and themes of Western literature to the Great Ideas and themes of the Creator of the Universe and Author of the Bible.

For the sake of brevity, we have selected 14 ideas in which to focus our study.

About the Book

You've probably heard of Presidents' Day, Martin Luther King Jr. Day, Reformation Day, and Groundhog Day, but have you heard of Robinson Crusoe Day? Celebrated February 1 of every year, this day commemorates the rescue of Alexander Selkirk. It is said that Selkirk, a Scottish sailor, inspired Daniel Defoe to pen *Robinson Crusoe*. Selkirk survived nearly five years on an island off the coast of Chile.

Robinson Crusoe details the title character's adventures on a faraway island as the only survivor from a shipwreck. Against his parents' wishes, Crusoe sets out for a life at sea seeking adventure and fortune. After several successful voyages, Crusoe's ship is met with a violent tornado which throws it off course. As a castaway on a seemingly deserted island, Crusoe is forced to make his own way building shelter, foraging for food, and learning how to live from day to day. As years pass, Crusoe's knowledge of survival not only from day to day, but from year to year help to provide him a comfortable life living off the land and God's provision.

Readers are given insight into the mind and feelings of Crusoe through pieces of his travel journal scattered throughout the story. Crusoe passes

time simply by surviving and enjoying the companionship of a few pets. After fifteen years on the island, he spots his first sign of another human in the form of a footprint. Would this be the companion he's longed for? Will this

help him off the island? How does the tale of Robinson Crusoe end?

Defoe continued Crusoe's adventures in two additional novels; however, neither became as popular as the original *Robinson Crusoe*.

How merciful can our great Creator treat his creatures, even in those conditions in which they seem to be overwhelmed by destruction!
