Robinson Crusoe, USN George R. Tweed, Blake Clark, 1994 **Robinson Crusoe, U.S.N.** George R. Tweed, Blake Clark, D. Turner Givens, 1945 **Guam 1941 & 1944** Gordon L. Rottman, 2013-01-20 The island of Guam was the first Allied territory lost to the Japanese onslaught in 1941 On 10 December 5 000 Japanese troops landed on Guam defended by less than 500 US and Guamanian troops the outcome was beyond doubt On 21 July 1944 America returned In a risky operation the two US landing forces came ashore seven miles apart and it was a week before the beachheads linked up Only the battles for Iwo Jima and Okinawa would cost the Americans more men than the landings on Guam and Saipan which immediately preceded the Guam operation In this book Gordon Rottman details the bitter 26 day struggle for this key Pacific island

Cultures of Commemoration Keith L. Camacho, 2011-03-31 In 1941 the Japanese military attacked the US naval base Pearl Harbor on the Hawaiian island of O ahu Although much has been debated about this event and the wider American and Japanese involvement in the war few scholars have explored the Pacific War s impact on Pacific Islanders Cultures of Commemoration fills this crucial gap in the historiography by advancing scholarly understanding of Pacific Islander relations with and knowledge of American and Japanese colonialisms in the twentieth century Drawing from an extensive archival base of government military and popular records Chamorro scholar Keith L Camacho traces the formation of divergent colonial and indigenous histories in the Mariana Islands an archipelago located in the western Pacific and home to the Chamorro people He shows that US colonial governance of Guam the southernmost island and that of Japan in the Northern Mariana Islands created competing colonial histories that would later inform how Americans Chamorros and Japanese experienced and remembered the war and its aftermath Central to this discussion is the American and Japanese administrative development of loyalty and liberation as concepts of social control collective identity and national belonging Just how various Chamorros from Guam and the Northern Mariana Islands negotiated their multiple identities and subjectivities is explored with respect to the processes of history and memory making among this Americanized and Japanized Pacific Islander population In addition Camacho emphasizes the rise of war commemorations as sites for the study of American national historic landmarks Chamorro Liberation Day festivities and Japanese bone collecting missions and peace pilgrimages Ultimately Cultures of Commemoration demonstrates that the past is made meaningful and at times violent by competing cultures of American Chamorro and Japanese commemorative practices **Guam** David T.
