In the Wake of Buccaneers A. Hyatt Verrill, 2022-10-13 Excerpt There is no more entrancing body of water in either the Western or the Eastern Hemisphere than the Caribbean Sea with a fringe of lovely tropical islands on the one side and on the other the Spanish Main and its picturesque centuries old towns and fascinating sights Aside from its beauty its delightful climate and its ever shifting scenes the Caribbean and its shores are redolent of romance It was the starting point of those brave though ruthless adventurers who carved a new world for Castile and Leon For centuries it was the treasure house of the world and the battle ground of the mightiest European powers Across this sapphire sea sailed the caravels of Columbus the Golden Hind of Drake and the stately plate laden galleons of Spain And across this same sea coursed those fierce sea rovers the buccaneers Of all the dare devil spirits who sailed the Caribbean and ravaged the Spanish Main the buccaneers were the most picturesque and romantic vi Villains though they were reddened with the blood of the innocent and helpless though their hands black hearted cutthroats beyond denial yet there is something about them that appeals to all and that despite their ill deeds fills one with admiration
