Rock A World Bold As Love:

Got a Revolution! Jeff Tamarkin, 2024-05-07 The most successful and influential rock band to emerge from San Francisco during the 1960s Jefferson Airplane created the sound of a generation Their smash hits Somebody to Love and White Rabbit virtually invented the era s signature pulsating psychedelic music and during one of the most tumultuous times in American history came to personify the decade s radical counterculture In this groundbreaking biography of the band veteran music writer and historian Jeff Tamarkin produces a portrait of the band like none that has come before it Having worked closely with Jefferson Airplane for more than a decade Tamarkin had unprecedented access to the band members their families friends lovers crew members fellow musicians cultural luminaries even the highest ranking politicians of the time More than just a definitive history Got a Revolution is a rock legend unto itself Jann Wenner editor in chief and publisher of Rolling Stone wrote The classic Jefferson Airplane lineup were both architects and messengers of a psychedelic age a liberation of mind and body that profoundly changed American art politics and spirituality It was a renaissance that could only have been born in San Francisco and the Airplane more than any other band in town spread the good news nationwide **Jimi**

Jimi Hendrix Lothar Trampert, 2025-05-22 No other musician has influenced so many artists of all genres from Rock to Blues to HipHop and Jazz with his songs guitar playing improvisations and broad horizons as Jimi Hendrix Even more than half a century after his untimely death on September 18 1970 Hendrix remains an icon of pop music with fans from all styles Jimi Hendrix Musician Popstar Icon is a journey through the music of James Marshall Hendrix through his studio albums and live performances through videos books magazines and websites but also through Jimi s collection of instruments guitars amplifiers effects devices through his musical preferences to his plans dreams and ideas the realization of which was prevented by his early death A book about music with the best soundtrack in the guitar world The author begins by briefly recounting his first encounter with the music of Jimi Hendrix in the 1970s This is followed by a biography of the artist then a look at his two most important companions drummer Mitch Mitchell and bassist Noel Redding And then it s on to the music the legendary albums that were released during Hendrix s lifetime and later After an overview of guitars amps sounds and studio work and an introduction to important aspects of Jimi Hendrix s playing technique the book examines various influences Blues R B Jazz British rock American avant garde Interview excerpts from important musicians and contemporary witnesses like rock and blues greats such as Robin Trower Carlos Santana Steve Lukather Michael Landau Joe Satriani Albert Collins Richie Sambora Billy Corgan Reeves Gabrels Jack Bruce Uli Jon Roth and Jeff Beck have their say as do jazz and crossover artists such as Mike Stern Nguy n L Christy Doran Hellmut Hattler and Caspar Br tzmahn show fans followers Finally the extensive systematic section of this book deals with the music and media that Hendrix left behind with a comprehensive highly detailed discography an overview of official videos and YouTube material tribute albums a bibliography The 40 Hendrix photos in the book in color and black and white were taken by G nter Zint a politically engaged photographer and activist who met Jimi several times in the 1960s at the Star Club in Hamburg in London and at the legendary Fehmarn Open Air You can find out more about G nter Zint in the book and on his foundation s website www.stiftung-guenter-zint.de

Instruments of Desire Steven Michael Waksman, 1998 **21st Century Guitar** Richard Perks, John McGrath, 2023-01-12 In the 21st Century the guitar as both a material object and tool for artistic expression continues to be reimagined and reinvented From simple adaptations or modifications made by performers themselves to custom made instruments commissioned to fulfil specific functions to the mass production of new lines of commercially available instruments the extant and emergent forms of this much loved musical instrument vary perhaps more than ever before As guitars sporting multiple necks a greater number of strings and additional frets become increasingly common so too do those with reduced registers fewer strings and fretless fingerboards Furthermore as we approach the mark of the first quarter century the role of technology in relation to the guitar s protean nature is proving key from the use of external effects units to synergies with computers and AR headsets Such wide ranging evolutions and augmentations of the guitar reflect the advancing creative and expressive needs of the modern guitarist and offer myriad new affordances 21st Century Guitar examines the diverse

physical manifestations of the guitar across the modern performative landscape through a series of essays and interviews
Academics performers and dual practitioners provide significant insights into the rich array of guitar based performance
practices emerging and thriving in this century inviting a reassessment of the guitar s identity physicality and sound creating
