Rock Farmers Short Stories:

Written in Stone Peter Unwin, 2020-10-17 Paul Prescott's desire to catalogue and comprehend the aboriginal rock paintings of the Canadian Shield is told through the eyes of the woman he loves and who for her own reasons accompanies him on his travels to the deep north. Her journeys with her husband and then alone returning to the north shore of Lake Superior to commend his ashes to the water draw her deeper into a history that while foreign to them both seems to offer a meaningful alternative to a world that has gone wrong. Peter Unwin turns his unique talents to a story that lies at the heart of this country and to the crucial issue of our times. *Written in Stone* maps the exhilarating and ultimately tragic consequences of one man's commitment to the land of his birth, a land whose deep and unwritten past is outside the reach of his understanding. *Written in Stone* goes beyond the surface acknowledgments of settler impacts and exists on the border of two solitudes where the known and unknown cannot be separated where mythology and reality are one and where an old and inaccessible knowledge holds the means to a possible reconciliation.

Nine Bells for a Man Peter Unwin, 2000-09 Young Robert Pachal crosses Canada by train with his brother-in-law's coffin bearing witness to a way of life that will never be seen again. When he arrives in Barry's Bay he unwittingly sets in motion one of the final and most tragic events in pioneer Canada.

The Rock Farmers Peter Unwin, 1994 In these twenty stories Peter Unwin takes a contemporary journey to a place called the north where spaghetti is served Italian style and local economies are based primarily on the sale of dew worms. Told with a barely suppressed hilarity these stories are set for the most part against the vanishing backdrop of a once bountiful Ontario. In a series of acutely drawn incidents the author strips away the ingrained romanticized version of rural life to reveal a place where people climb confidently and blind drunk behind the wheel of their pickup trucks crash through the spring ice of glacial lakes while carting a case of beer on their shoulders and happily break every hunting and fishing regulation ever invented. The intense humour of these stories is tempered only by the realities of the landscapes in which they are set. Unemployment, the collapse of a notorious forest industry, high rates of alcoholism and suicide all inform *The Rock Farmers* with its tragic counterpoint. The result is a vital contemporary portrait of a stubborn people working a hard land for a doubtful harvest.

The Stories Polly Pepper Told to the Five Little Peppers in the Little Brown House Margaret Sidney, 2023-10-20 Margaret Sidney's book *The Stories Polly Pepper Told to the Five Little Peppers in the Little Brown House* offers a delightful collection of heartwarming tales centered around the beloved Pepper family. The stories are imbued with a sense of innocence and simplicity reflecting a bygone era of American literature. Written in a charming and accessible style, the book is perfect for readers of all ages who appreciate classic children's literature. The quaint setting of the Little Brown House and the endearing characters make for a cozy and welcoming read. Sidney's engaging storytelling draws readers into the world of the Five Little Peppers, inviting them to experience the joys and challenges of family life in a bygone era. Margaret Sidney, a pseudonym for author Harriett Mulford Stone Lothrop, was a prominent figure in children's literature.

during the late 19th and early 20th centuries Her deep understanding of childhood experiences and emotions shines through in this timeless collection of stories making it a must read for fans of classic literature and nostalgic tales of family and friendship
