The Flamenco/Classical Guitar Tradition, Volume 2 Corey Whitehead, Richard Marlow, 2024-09-27

Since the 19th century beginnings of the flamenco guitar style in Spain the flamenco classical guitar relationship has always existed

this 3 book method series begun by Juan Serrano and Corey Whitehead and extended by Whitehead's collaboration with Richard Marlow is simply the first to point out and dive deep into what has always been a single cross cultural relationship

In addition to the unique classical flamenco repertoire included in this book the flamenco history presented here is essential

It makes the origins of dozens of rhythmic flamenco song and dance forms crystal clear

Why for example does the Spanish word palo stick continually pop up in flamenco literature

This book reveals that even before the guitar was used in flamenco song and dance accompaniment the actual stick from a butter churn was used to mark time

Most guitarists are familiar with the CAGED guitar chord system i.e. the use of the five basic first position key chord patterns to explore the mid and upper regions of the fretboard with or without a capo

Volume 2 includes a comprehensive introduction to fretboard harmony and explores the CAGED system thoroughly with standard notation and chord grids

Whitehead goes so far as to develop an entire scale system based on the CAGED concept

Imagine what that system might do for your intuitive fretboard knowledge and sightreading ability

While unfamiliar with rasgueado strumming or alzap a raise the thumb techniques classical guitarists already have a head start in their approach to flamenco

good guitar technique is simply good technique in

either style Through its reasoned progressive blending of history and flamenco classical repertoire this series removes the perceived barriers in thinking about and playing the two styles revealing that they are truly one tradition as the series title clearly states To encourage better sightreading The Flamenco Classical Guitar Tradition series is written in standard notation only each book includes extensive online audio tracks for authenticity and ease of learning *Kabuki Volume 2 #1* David Mack,2014-11-05 A horribly scarred woman has a vision of the afterlife in which she is visited by her dead mother and then returns to life with a new sense of purpose A personal tale of love familial duty and self discovery elegantly told through the masks and metaphors of the Japanese Ghost Story Part 1 of 4 **Popular Music** Roman Iwaschkin,2016-04-14 This is a comprehensive guide to popular music literature first published in 1986 Its main focus is on American and British works but it includes significant works from other countries making it truly international in scope *The Great Jazz Guitarists* Scott Yanow,2013-04-01 B W photos throughout *Righteousness, Volume 2* Jeffrey J.
