

Jim Weider was born at the beginning of the '50s and grabbed hold of his first guitar by age 12. After lending his talents to recording studios in Nashville, Atlanta, New York, Toronto and his hometown of Woodstock, New York, Jim became lead guitarist for The Band in 1965. He is currently at work on their next release, due out in late 1991. His instructional video "Get That Classic Fender® Sound" is one of Homespun's best-sellers.

Rockabilly Guitar 2

taught by
JIM WEIDER

with special guests
Lemon Helm, drums, Rick Danko, bass
and Chris Zaloom, guitar

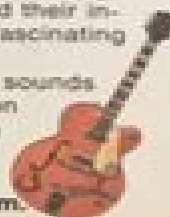

85-minute video

Rock 'n roll was born in the '50s when rhythm and blues collided with country music to form rockabilly. This exciting new music's earliest heroes played a brand new instrument — the electric guitar!

In this powerful video, the licks and techniques of two of the great early rock guitarists — **Chuck Berry** and **Eddie Cochran** — are slowed down and brought up close for learning guitarists!

Playing on the original guitars and amps to perfectly capture the sounds of the '50s and '60s, Jim Weider teaches, in detail, dozens of great licks, rhythm patterns, picking techniques, solos, scales, exercises and other invaluable playing innovations that made these two rock pioneers the legends they are today. This video is guaranteed to improve your playing skills and expand your knowledge of the guitar. Jim Weider's encyclopedic knowledge of the early rockers and their instruments makes this fascinating video a real winner!

To bring these great sounds up to date, demonstration performances and rhythm tracks are played by **Rick Danko**, **Lemon Helm** and **Chris Zaloom**.
