Cosmic Beginnings Soyinka I. Ogunbusola, 2010-12-23 This genre falls under the category of Sci fi fantasy thriller a works that is just as exciting as the adventures of Lora Croft in Tomb Raiders I chose this genre to create characters that exist outside of the everyday urban scape theme One of the main characters is a black woman a seasoned sea captain for example I wanted to create another kind of hero in another part of the world on another kind of mission based on another mindset more of a West African theme influenced by the folklore of the ancient Yoruba of Southwestern Nigeria which is deeply submerged in cosmological and celestial influences and is viewed as individual characteristic energies expressing themselves universally in allegorical narratives These legends tend to be older then Western civilization I wanted the story to be unique and the characters just as unique This is a story told by the ancestors of the war in heaven before the creation of man this a story of the battle of illumination and darkness the fight to maintain balance between good and evil *The Secret of Midway (Ghosts of War #1)* Steve Watkins, 2014-12-30 History comes alive with ghosts In the basement of his family s junk shop Anderson and his friends Greg and Julie discover a trunk full of old military stuff including a battered navy peacoat from World War II

What if you woke up to a new life every day A collision of universes leaves Abby living two lives at once and sharing them with her own double Two worlds Two guys Two selves How will she stay in control *Chasing the Rising Sun* Ted

Anthony,2007-07-13 *Chasing the Rising Sun* is the story of an American musical journey told by a prize winning writer who traced one song in its many incarnations as it was carried across the world by some of the most famous singers of the twentieth century Most people know the song House of the Rising Sun as 1960s rock by the British Invasion group the Animals a ballad about a place in New Orleans a whorehouse or a prison or gambling joint that s been the ruin of many poor girls or boys Bob Dylan did a version and Frijid Pink cut a hard rocking rendition But that barely scratches the surface few songs have traveled a journey as intricate as House of the Rising Sun The rise of the song in this country and the launch of its world travels can be traced to Georgia Turner a poor sixteen year old daughter of a miner living in Middlesboro Kentucky in 1937 when the young folk music collector Alan Lomax on a trip collecting field recordings captured her voice singing The Rising Sun Blues Lomax deposited the song in the Library of Congress and included it in the 1941 book *Our Singing Country* In short order Woody Guthrie Pete Seeger Lead Belly and Josh White learned the song and each recorded it From there it began to move to the planet s farthest corners Today hundreds of artists have recorded House of the Rising Sun and it can be heard in the most diverse of places Chinese karaoke bars Gatorade ads and as a ring tone on cell phones Anthony began his search in New Orleans where he met Eric Burdon of the Animals He traveled to the Appalachians to eastern Kentucky

eastern Tennessee and western North Carolina to scour the mountains for the song's beginnings. He found Homer Callahan who learned it in the mountains during a corn shucking; he discovered connections to Clarence Tom Ashley who traveled as a performer in a 1920s medicine show. He went to Daisy, Kentucky to visit the family of the late high lonesome singer Roscoe Holcomb and finally back to Bourbon Street to see if there really was a House of the Rising Sun. He interviewed scores of singers who performed the song. Through his own journey he discovered how American traditions survived and prospered and how a piece of culture moves through the modern world propelled by technology and globalization and recorded sound.

**Lyrics in Search of Music** Terry L. Rath, 2018-11-20 I have composed the following collection of poetry for more than four decades. This is my second published book of verse. Once again it has been inspired by people, places and life episodes that have been a large part of my life. Writing has become a great passion for me as it occupies such a large part of my life. In this book I cover several darker subjects from the less popular side of life that I didn't feature in depth in my first book. Working in downtown Denver for more than ten years I encountered people that were struggling to just survive rather than actually living life. My goal in compiling this collection is to present a strong mix of poetic subjects. Terry L. Rath

*Crosby, Stills, Nash and Young* David Browne, 2019-04-02 The first and most complete narrative biography of Crosby, Stills, Nash and Young by acclaimed music journalist and Rolling Stone senior writer David Browne. Riveting. People Magazine. This is one of the great rock and roll stories. New York Times Book Review. Even in the larger-than-life world of rock and roll it was hard to imagine four more different men. Yet few groups were as in sync with their times as Crosby, Stills, Nash & Young. Starting with the original trio's landmark 1969 debut album, their group and individual songs "Wooden Ships," "Ohio," "For What It's Worth" with Stills and Young's Buffalo Springfield became the soundtrack of a generation. But their story would rarely be as harmonious as their legendary vocal blend. Over the decades these four men would continually break up, reunite and disband again, all against a backdrop of social and musical change, recurring disagreements and self-destructive tendencies that threatened to cripple them as a group and as individuals. In *Crosby, Stills, Nash & Young: The Wild Definitive Saga of Rock's Greatest Supergroup*, Rolling Stone senior writer David Browne presents the ultimate deep dive into rock and roll's most musical and turbulent brotherhood.

Featuring exclusive interviews with band members, colleagues, fellow superstars, former managers, employees, and lovers, and with access to unreleased music and documents, this is the sweeping story of rock's longest running, most dysfunctional yet pre-eminent musical family, delivered with the epic feel their story rightly deserves.
