### **The Biographical Cyclopaedia of American Women ,1924      Women's Culture Kathleen D. McCarthy,1991**

Kathleen McCarthy here presents the first book length treatment of the vital role middle and upper class women played in the development of American museums in the century after 1830 By promoting undervalued areas of artistic endeavor from folk art to the avant garde such prominent individuals as Isabella Stewart Gardner Gertrude Vanderbilt Whitney and Abby Aldrich Rockefeller were able to launch national feminist reform movements forge extensive nonprofit marketing systems and feminize new occupations

*Higher Education for Women in Postwar America, 1945-1965* Linda Eisenmann, 2006-01-19 Outstanding Academic Title for 2007 Choice Magazine This history explores the nature of postwar advocacy for women s higher education acknowledging its unique relationship to the expectations of the era and recognizing its particular type of adaptive activism Linda Eisenmann illuminates the impact of this advocacy in the postwar era identifying a link between women s activism during World War II and the women s movement of the late 1960s Though the postwar period has been portrayed as an era of domestic retreat for women Eisenmann finds otherwise as she explores areas of institution building and gender awareness In an era uncomfortable with feminism this generation advocated individual decision making rather than collective action by professional women generally conceding their complicated responsibilities as wives and mothers By redefining our understanding of activism and assessing women s efforts within the context of their milieu this innovative work reclaims an era often denigrated for its lack of attention to women

**The House the Rockefellers Built** Robert F. Dalzell, Lee Baldwin Dalzell, 2013-08-13 What it was like to be as rich as Rockefeller How a house gave shape and meaning to three generations of an iconic American family One hundred years ago America s richest man established a dynastic seat the granite clad Kykuit high above the Hudson River Though George Vanderbilt s 255 room Biltmore had recently put the American country house on the money map John D Rockefeller who detested ostentation had something simple in mind at least until his son John Jr and his charming wife Abby injected a spirit of noblesse oblige into the equation Built to honor the senior Rockefeller the house would also become the place above all others that anchored the family s memories There could never be a better picture of the Rockefellers and their ambitions for the enormous fortune Senior had settled upon them The

authors take us inside the house and the family to observe a century of building and rebuilding the ebb and flow of events and family feelings the architecture and furnishings the art and the gardens A complex saga The House the Rockefellers Built is alive with surprising twists and turns that reveal the tastes of a large family often sharply at odds with one another about the fortune the house symbolized *Notable American Women, 1607-1950* Radcliffe College, 1971 Vol 1 A F Vol 2 G O Vol 3 P Z modern period **Historical Dictionary of Women's Education in the United States** Linda Eisenmann, 1998-07-17 The history of women's education in the United States presents a continuous effort to move from the periphery to the mainstream and this book examines both formal and informal opportunities for girls and women Through an introductory essay and nearly 250 alphabetically arranged entries this reference book examines institutions persons ideas events and movements in the history of women's education in the United States The volume spans the colonial era to the present exploring settings from formal institutions such as schools and colleges to informal associations such as suffrage groups and reform organizations where women gained skills and used knowledge A full picture of women's educational history presents their work in mainstream institutions sex segregated schools and informal organizations that served as alternative educational settings Educational history varies greatly for women of different races classes and ethnicities The experience of some groups has been well documented Thus entries on the Seven Sisters women's colleges and the reform organizations of the Progressive Era convey wide historical detail Other women have been studied only recently Thus entries on African American school founders or women teachers present considerable new information that scholars interpret against a wider context Finally some women's history has yet to be adequately explored Hispanic American women and Catholic teaching sisters are discussed in entries that highlight historical questions still remaining Each entry is written by an expert contributor and concludes with a brief bibliography The volume closes with a timeline of women's educational history and a list of important general works for further reading **Governor Rockefeller's Report on Latin America** United States. Congress. House. Committee on Foreign Affairs. Subcommittee on Inter-American Affairs, 1970 **Women of ... International**, 1924 *Rockefeller's Cleveland* Sharon E. Gregor, 2010-01-01 John D Rockefeller arrived in Cleveland in 1853 a boy of 14 and spent six decades in his adopted hometown With the Standard Oil Company's incorporation in 1870 Rockefeller became the city's most well known industrialist and from 1885 to 1917 its foremost summer resident at his Forest Hill estate Here he raised his children laid the foundation of a financial and industrial empire and established a commitment to charitable giving At the end of the Civil War Cleveland was a crucible from which would be cast the fortunes of many None were greater than Rockefeller's Rockefeller's Cleveland captures the visual panorama of a dynamic city that literally reinvented itself in the 1800s and in doing so emerged a major business and industrial center Missionary Review of the World, 1921 **The Missionary Review**, 1921 *The Missionary Review of the World*, 1921 The Geopolitics of the Cold War and Narratives of Inclusion K. Coogan-Gehr, 2011-11-03 This book illuminates intricate and unexpected

connections among the past of academic feminism the geopolitics of the Cold War and the concept of intersectionality as it is articulated in scholarship on and by U S women of color      *Encyclopedia of Women in American History* Joyce Appleby,Eileen Chang,Joanne Goodwin,2015-07-17 This illustrated encyclopedia examines the unique influence and contributions of women in every era of American history from the colonial period to the present It not only covers the issues that have had an impact on women but also traces the influence of women s achievements on society as a whole Divided into three chronologically arranged volumes the set includes historical surveys and thematic essays on central issues and political changes affecting women s lives during each period These are followed by A Z entries on significant events and social movements laws court cases and more as well as profiles of notable American women from all walks of life and all fields of endeavor Primary sources and original documents are included throughout      **Better Living by Their Own Bootstraps**

Cherisse Jones-Branch,2023-04-28 The first major study to consider Black women s activism in rural Arkansas *Better Living by Their Own Bootstraps* foregrounds activists quest to improve Black communities through language and foodways as well as politics and community organizing In reexamining these efforts Cherisse Jones Branch lifts many important figures out of obscurity positioning them squarely within Arkansas s agrarian history The Black women activists highlighted here include home demonstration agents employed by the Arkansas Agricultural Cooperative Extension Service and Jeanes Supervising Industrial Teachers all of whom possessed an acute understanding of the difficulties that African Americans faced in rural spaces Examining these activists through a historical lens Jones Branch reveals how educated middle class Black women worked with their less educated rural sisters to create all female spaces where they confronted economic educational public health political and theological concerns free from white regulation and interference Centered on the period between 1914 and 1965 *Better Living by Their Own Bootstraps* brings long overdue attention to an important chapter in Arkansas history spotlighting a group of Black women activists who uplifted their communities while subverting the formidable structures of white supremacy      **The Educational Work of Women's Organizations, 1890-1960** A. Knupfer,C. Woyshner,2008-03-18

This book explores women s organizations and their various educational contributions through local state and national networks from 1890 to 1960 Contributors investigate how women united to support and sustain education in both formal and informal settings and examine various associations      *Amelia Stone Quinton and the Women's National Indian Association* Valerie Sherer Mathes,2022-03-17 This first full account of Amelia Stone Quinton 1833 1926 and the organization she cofounded the Women s National Indian Association WNIA offers a nuanced insight into the intersection of gender race religion and politics in our shared history Author Valerie Sherer Mathes shows how Quinton like Helen Hunt Jackson was a true force for reform and progress who was nonetheless constrained by the assimilationist convictions of her time The WNIA which Quinton cofounded with Mary Lucinda Bonney in 1879 was organized expressly to press for a more just protective and fostering Indian policy but also to promote the assimilation of the Indian through Christianization and civilization Charismatic

and indefatigable Quinton garnered support for the WNIA's work by creating strong working relationships with leaders of the main reform groups successive commissioners of Indian affairs secretaries of the interior and prominent congressmen The WNIA's powerful network of friends formed a hybrid organization religious in its missionary society origins but also political using its powers to petition and actively address public opinion Mathes follows the organization as it evolved from its initial focus on evangelizing Indian women and promoting Victorian society's ideals of true womanhood through its return to its missionary roots establishing over sixty missionary stations supporting physicians and teachers and building houses chapels schools and hospitals With reference to Quinton's voluminous writings including her letters speeches and newspaper articles as well as to WNIA literature Mathes draws a complex picture of an organization that at times ignored traditional Indian practices and denied individual agency even as it provided dispossessed and impoverished people with health care and adequate housing And at the center of this picture we find Quinton a woman and reformer of her time

*International Women's Year* Jocelyn Olcott, 2017-06-01 Amid the geopolitical and social turmoil of the 1970s the United Nations declared 1975 as International Women's Year The capstone event a two week conference in Mexico City was dubbed by organizers and journalists as the greatest consciousness raising event in history The event drew an all star cast of characters including Soviet cosmonaut Valentina Tereshkova Iranian Princess Ashraf Pahlavi and US feminist Betty Friedan as well as a motley array of policymakers activists and journalists International Women's Year the first book to examine this critical moment in feminist history starts by exploring how organizers juggled geopolitical rivalries and material constraints amid global political and economic instability The story then dives into the action in Mexico City including conflicts over issues ranging from abortion to Zionism The United Nations provided indispensable infrastructure and support for this encounter even as it came under fire for its own discriminatory practices While participants expressed dismay at levels of discord and conflict Jocelyn Olcott explores how these combative unanticipated encounters generated the most enduring legacies including women's networks across the global south greater attention to the intersectionalities of marginalization and the arrival of women's micro credit on the development scene This watershed moment in transnational feminism colorfully narrated in *International Women's Year* launched a new generation of activist networks that spanned continents ideologies and generations

**Private Wealth and Public Life** Judith Sealander, 1997-04-21 An analysis of the role played by private philanthropic foundations in shaping public policy during the early years of this century focusing on foundation sponsored attempts to influence policy in the areas of education social welfare and public health Winner of the Outstanding Book Award from the Ohio Academy of History In *Private Wealth and Public Life* historian Judith Sealander analyzes the role played by private philanthropic foundations in shaping public policy during the early years of this century Focusing on foundation sponsored attempts to influence policy in the areas of education social welfare and public health she addresses significant misunderstandings about the place of philanthropic foundations in American life Between 1903 and 1932 fewer than a dozen

philanthropic organizations controlled most of the hundreds of millions of dollars given to various causes. Among these, Sealander finds seven foundations attempted to influence public social policy in significant ways; four were Rockefeller philanthropies, joined later by the Russell Sage, Rosenwald, and Commonwealth Fund foundations. Challenging the extreme views of foundations either as benevolent forces for social change or powerful threats to democracy, Sealander offers a more subtle understanding of foundations as important players in a complex political environment. The huge financial resources of some foundations bought access, she argues, but never complete control. Occasionally a foundation's agenda became public policy, often it did not. Whatever the results, the foundations and their efforts spurred the emergence of an American state with a significantly expanded social policy-making role. Drawing on a wealth of archival materials, much of it unavailable or overlooked until now, Sealander examines issues that remain central to American political life. Her topics include vocational education, policy, parent education, juvenile delinquency, mothers' pensions, and public aid to impoverished children, anti-prostitution efforts, sex research, and publicly funded recreation. Foundation philanthropy's legacy for domestic social policy, she writes, raises a point that should be emphasized repeatedly by students of the policy process: Rarely is just one entity a policy's sole author; almost always, policies in place produced unintended consequences.
