Passion of the Infant Christ Caryll Houselander, 2017-03-20 Although forgotten until quite recently Caryll Houselander who died in 1954 was a sensitive and profound English Roman Catholic writer on Christian spirituality In this critical edition of her 1949 book *The Passion of the Infant Christ* Houselander argues that the physical world is an inscaped revelation of the mind of the Creator Every concrete object and every temporal event mirrors the eternal just as the circumstances surrounding the birth of Jesus mirror the circumstances surrounding his death and resurrection Editor Kerry Walters discusses both Houselander's life and the primary themes of *The Passion of the Infant Christ* in his introduction to this critical edition of one of Houselander's most insightful books *Reading the Bible in a Secular Age* Julius-Kei

Kato, 2023-07-24 In a secular age which dismisses once revered matters such as Bible reading is there still a point to reading and studying Christianity's foundational text This book will answer an unequivocal Absolutely Why For us located in the West the Bible is a vital part of our spiritual ancestry a dominant idea of the book Hence learning how to read and interpret the Bible properly particularly the New Testament is like getting to know our spiritual ancestry better The main strategy that this work will suggest is to treat the New Testament as a metaphorical textual village where some of our most important spiritual ancestors continue to live If we learn some good strategies to communicate with them we will be able as it were to visit this village have meaningful conversations with our spiritual ancestors and thus become better grounded in our spiritual ancestry here in the West With that we can return to our secular context better equipped both to embrace and wrestle with that spiritual ancestry Hopefully that will also help us to create for ourselves a meaning system or spirituality that would be appropriate for our present world while being well grounded in our spiritual tradition **Caryll Houselander: A**

Biography Coady, Mary Frances, 2023-10-13 A biography of the elusive 20th century English writer who wrote such classics of Catholic spirituality as *The Reed of God* and *The Flowering Tree* *Called by God: Discernment and Preparation for Religious Life* Rachael Marie Collins, 2017-08-01 In *Called by God: Discernment and Preparation for Religious Life* Rachael Marie Collins provides an overview of the spiritual life both its joys and its challenges and guides women as they discern whether they are called to be religious sisters or nuns In a series of letters written by the author to a trusted friend discerning whether to enter religious life *Called by God* explores both discernment and spirituality The key to discernment Collins argues is to prepare for religious life by entering deeply into a life of prayer and sacrifice so that one experiences and begins to understand the work of a religious before entering the convent *Called by God* draws heavily on the wisdom of great Catholic women such as Teresa of Avila Thérèse of Lisieux Zélie Martin Edith Stein Teresa of the Andes Elizabeth of the Trinity Miriam Teresa Demjanovich Elizabeth Leseur and Caryll Houselander among others Women discerning a vocation will benefit immensely from the discussions about the difference between religious life and marriage the nature of a vocation the supernatural superiority of religious life and spiritual motherhood in *Called by God* **Paperbound Books in Print**, 1992

Women Marie Anne Mayeski, 1988 In *Women Models of Liberation* Marie Anne Mayeski presents women of spirit

intelligence and accomplishment from the Christian heritage With this anthology of selected writings of well known women Mayeski recaptures the importance and relevance of these Christian heroines The Catholic Periodical and Literature Index ,1992 Turning Points Russell Shaw,2025-02-26 This book examines how thirteen extraordinary men and women from apostolic times to the present most of them canonized saints came to see how God wanted them to organize their lives and seeing that set out to shape their lives accordingly It adopts a new and illuminating approach to a familiar literary genre the lives of the saints and what the turning points were in their dedicating themselves to God Instead of concentrating on the question of vocation the book situates the thirteen notable men and women in the context of their lives as a whole and profiles them in this broader framework Turning Points probes the stories of highly motivated individuals who in a variety of ways committed their lives to wholeheartedly following Christ and it discusses a number of issues as timely for the Church now as they were then It is engagingly written for all who are interested in serious religious ideas as well as in the inspiring stories of thirteen outstanding people whose lives shed fresh light on living the faith in their times and our own Among those whose stories are told are Saint Paul the Apostle Saint Augustine of Hippo Saint Ignatius Loyola Saint Thomas More Saint Therese of Lisieux Saint John Henry Newman Saint Josemaria Escriva Caryll Houselander and Dorothy Day **Wrecked for God** Dianne Leman,2021-03-02 Growing up in a Christian home dictated by legalism and religious ideals Dianne Leman set out to find something more than the fear of not being enough or doing enough to earn God's favor In her search she found that Jesus was bigger better and more beautiful than she had ever dared to dream and it wrecked her for good In her faith altering book Leman guides believers out of Christian lives of doing into union with the Lord Jesus Christ that provides rest freedom delight and grace that is not exhausting but exhilarating This non striving guide will help you lose your religion and strengthen your faith pray in power offer mercy to the messy people and much more Break the shackles of religion and embrace the fruitful fulfilling life with Jesus that you never thought possible The Universal Christ Richard Rohr,2019-03-05 NEW YORK TIMES BESTSELLER From one of the world's most influential spiritual thinkers a long awaited book exploring what it means that Jesus was called Christ and how this forgotten truth can restore hope and meaning to our lives Anyone who strives to put their faith into action will find encouragement and inspiration in the pages of this book Melinda Gates In his decades as a globally recognized teacher Richard Rohr has helped millions realize what is at stake in matters of faith and spirituality Yet Rohr has never written on the most perennially talked about topic in Christianity Jesus Most know who Jesus was but who was Christ Is the word simply Jesus's last name Too often Rohr writes our understandings have been limited by culture religious debate and the human tendency to put ourselves at the center Drawing on scripture history and spiritual practice Rohr articulates a transformative view of Jesus Christ as a portrait of God's constant unfolding work in the world God loves things by becoming them he writes and Jesus's life was meant to declare that humanity has never been separate from God except by its own negative choice When we recover this fundamental truth faith becomes less

about proving Jesus was God and more about learning to recognize the Creator's presence all around us and in everyone we meet. Thought provoking, practical and full of deep hope and vision. *The Universal Christ* is a landmark book from one of our most beloved spiritual writers and an invitation to contemplate how God liberates and loves all that is.
