Rocky For God:

God and Necessity Brian Leftow, 2012-09-06 Brian Leftow offers a theory of the possible and the necessary in which God plays the chief role and a new sort of argument for God's existence. It has become usual to say that a proposition is possible just in case it is true in some possible world roughly some complete history a universe might have and necessary just if it is true in all. Thus much discussion of possibility and necessity since the 1960s has focussed on the nature and existence or not of possible worlds. God and Necessity holds that there are no such things nor any sort of abstract entity. It assigns the metaphysical work such items usually do to God and events in God's mind and reduces broadly logical modalities to causal modalities replacing possible worlds in the semantics of modal logic with God and His mental events. Leftow argues that theists are committed to theist modal theories and that the merits of a theist modal theory provide an argument for God's existence. Historically almost all theist modal theories base all necessary truth on God's nature. Leftow disagrees he argues that necessary truths about possible creatures and kinds of creatures are due ultimately to God's unconstrained imagination and choice. On his theory it is in no sense part of the nature of God that normal zebras have stripes if that is a necessary truth. Stripy zebras are simply things God thought up and they have the nature they do simply because that is how God thought of them. Thus Leftow's essay in metaphysics takes a half step toward Descartes view of modal truth and presents a compelling theist theory of necessity and possibility.

A Path Called Compelling K. Bradley Watson, 2023-04-12 While hiking in 2010 an ill advised off trail climb left debut author K Bradley Watson dangling precariously over the edge of a cliff. Narrowly escaping disaster Watson then found himself lost in the woods bushwhacking for hours before he found his way out of a dense canyon forest. The haphazard hiking moment became an epiphany for him underscoring the importance of following trails. As in hiking so it is in life and faith to find our way we need the direction of a path to guide us. In *A Path Called Compelling* Watson reimagines the Christian faith as the Jesus Path where three key events from Jesus's life birth baptism temptations are revealed to be more than events to believe in but a path meant to be entered travelled and lived. Acting as an expedition guide raconteur and pastor Watson weaves masterful storytelling with thoughtful reflections on Scripture that will have readers chuckling to themselves in one moment while readying themselves to travel the Jesus Path in the next. Fresh and urgent the book invites readers to rediscover faith as they walk and explore. *A Path Called Compelling* God's Psychology

Hidden Babylon and God's Last Warning Mark Davidson, 2023-05-30 Who is Babylon the Great in the book of Revelation Perhaps you've read God's warning to Come out of her my people and asked yourself if that warning applied to you Mark Davidson approaches this question from a unique angle He makes the scriptural case that Babylon the Great is the exact opposite of the Bride Just as those who make up the Bride follow Christ those who make up Babylon the Great follow their own idols and desires The implication is that Babylon the Great comprises the entire world of people who do not follow Christ nor make Christ the highest love of their lives Babylon the Great encompassing the whole world is why Revelation 18:24 says all the blood of those slain on the earth is found in her Therefore God's call in Revelation 18:4 to Come out of her has ominous implications for every person whether Christian or not Churches call for people to repent of their sins However sin is the result of idolatrous desires Idolatry is subtle in

everyone's hearts whether atheist or churchgoer and its manifestations are everywhere Everyone is susceptible God's last warning in the Bible to Come out of her my people comes with consequences Ignore this exhortation at your own peril Praise for Hidden Babylon and God's Last Warning Mark's unique gift of looking at the Scriptures with a fresh and dynamic perspective will open the eyes of all of us as we look at the challenges of living in the last days and help us not succumb to fear and bondage Carl Sutter senior pastor Foundations Church Loveland Colorado This book will force believers to take a much deeper look at culture as it unfolds right before our eyes Mark Davidson brilliantly brings together a fresh biblical perspective this book confronts the major cultural issues of our time by spotlighting them with sound biblical proofs Al Fadi pastor preacher and teacher founder of CIRA International I encourage you to spend time in personal reflection reading through Mark's book Take advantage of Mark's study bringing insight to the idols that bind us and it will move you to a deeper experience with God as it did for me Jon Voget development director Multiplication Network
