## Rocky Mountain Warden:

*Rocky Mountain Warden* [by] Frank Calkins, 1971      Guardians of the Wild Robert J. Burns, Michael J. Schintz, 2000 A Canadian historian and a 39 year veteran of the Warden Service collaborate on this history of the Warden Service from its formative years to the present Covers evolving National Park philosophies and how the expanding park system changing societal expectations and technological change brought change to the role of the park warden Annotation copyrighted by Book News Inc Portland OR

**Ecology & Wonder in the Canadian Rocky Mountain Parks World Heritage Site** Robert W. Sandford, 2010 Ecology and Wonder celebrates Western Canada's breathtaking landscape The book makes several remarkable claims The greatest cultural achievement in the mountain region of western Canada may be what has been preserved not what has been developed Protecting the spine of the Rocky Mountains will preserve crucial ecological functions Because the process of ecosystem diminishment and species loss has been slowed an ecological thermostat has been kept alive This may well be an important defence against future impacts of climate change in the Canadian West

Wolf Mountains Karen R. Jones, 2002 This book documents the changing tenets of landscape preservation and species protection in preserves of the United States and Canada through a capacious study of canine history

both scholars and activists *Bucking Conservatism* highlights the individuals and groups who challenged Alberta's conservative status quo in the 1960s and 70s. Drawing on archival records, newspaper articles, police reports, and interviews, the contributors examine Alberta's history through the eyes of Indigenous activists protesting discriminatory legislation and unfulfilled treaty obligations, women and lesbian and gay persons standing up to the heteropatriarchy, student activists seeking to forge a new democracy, and anti-capitalist environmentalists demanding social change. This book uncovers the lasting influence of Alberta's nonconformists, those who recognized the need for dissent in a province defined by wealth and right-wing politics, and poses thought-provoking questions for contemporary activists.
