## **Roger Corman Metaphysics On A Shoestring:**

**Roger Corman** Alain Silver,James Ursini,2006 From a certain perspective Corman just might be one of the most influential filmmakers in the history of motion pictures That s because along the way to directing and producing more than 200 films he ran a de facto school for young filmmakers the alumni of which have garnered more awards and made more money than any other group in film history Illustrated **The Cinematography of Roger Corman** Pawel

Aleksandrowicz,2016-09-23 Roger Corman is an ambiguous artistic figure On the one hand he is notorious for shooting and producing his films quickly cheaply and with blatant disregard for safety measures which together with his ability to issue a dozen new films every year and his impressive filmography have earned him the titles of shlockmeister and the King of the B s among film journalists On the other hand he became the youngest American director to be given a film retrospective at the prestigious Cin mat que Fran aise in Paris one of his directorial efforts House of Usher was selected for preservation in the National Film Registry by the Library of Congress and the Academy of Motion Picture Arts and Sciences awarded him with an Academy Honorary Award for his rich engendering of films and filmmakers This book investigates this duality and explores whether Corman is indeed a shlockmeister or an artist whose works are worthy of the highest cinema awards The scope of analysis is limited to his directorial efforts only still encompassing 50 features excluding the 400 films he produced The methodology adopted here is based on the auteur theory in its structuralist version by Geoffrey Nowell Smith and Peter Wollen and focuses on three areas of interest work ethic personal elements in the films personal control over and commitment to the production process outside direction themes topics and concerns common for many of the films regardless of the genre and style recurring stylistic motifs and elements in the camerawork editing and framing *Fifty*

**The Horror Film Reader** Alain Silver,James Ursini,2000 These essays offer a broad overview of the horror film genre from the silent screen to Scream 3 demonstrating how it remains defiantly frighteningly alive **Focus On: 100 Most Popular English-language Film Directors** Wikipedia contributors, *The Vikings on Film* Kevin J. Harty,2014-01-10 Factual and fanciful tales of the Nordic warriors known as Vikings have proven irresistible to filmmakers for nearly a century Diverse prominent actors from Kirk Douglas Richard Widmark and Sidney Poitier to Tim Robbins and John Cleese and noted directors including Richard Fleischer Clive Donner and Terry Jones have all lent their talents to Viking related films These fourteen essays on films dealing with the Viking era discuss American British and European productions Analyzed in detail are such films as The Vikings 1958 The Long Ships 1964 Alfred the Great 1969 Erik the Viking 1989 and Outlander 2008 as well as two comic strip adaptations the 1954 and 1989 films of Prince Valiant and the animated Asterix and the Vikings 2006 A comprehensive filmography is also included **The Forbidden Body** Douglas E. Cowan,2022-05-17 Throughout history the religious imagination has attempted to control nothing so much as our bodies what they are and what they mean what we do with them with whom and under what circumstances how they may be displayed or more commonly how they must be hidden Religious belief and mandate affect how our bodies are used in ritual practice as well as how we use them to identify and marginalize threatening religious Others This book examines how horror culture treats religious bodies that have stepped or been pushed out of their proper place Unlike most books on religion and horror This book explores the dark

spaces where sex sexual representation and the sexual body come together with religious belief and scary stories Because these intersections of sex horror and the religious imagination force us to question the nature of consensus reality supernatural horror especially as it concerns the body often shows us the religious imagination at work in real time It is important to note that the discussion in this book is not limited either to horror cinema or to popular fiction but considers a wide range of material including literary horror weird fiction graphic storytelling visual arts participative culture and aspects of real world religious fear It is less concerned with horror as a genre which is mainly a function of marketing and more with the horror mode a way of storytelling that finds expression across a number of genres a variety of media and even blurs the boundary between fiction and non fiction This expanded focus not only deepens the pool of potential examples but invites a much broader readership in for a swim

Gothic Cinema Xavier Aldana Reyes, 2019-12-12 Arguing for the need to understand Gothic cinema as an aesthetic mode this book explores its long history from its transitional origins in phantasmagoria shows and the first trick films to its postmodern fragmentation in the Gothic pastiches of Tim Burton But what is Gothic cinema Is the iconography of the Gothic film equivalent to that of the horror genre Are the literary origins of the Gothic what solidified its aesthetics And exactly what cultural roles does the Gothic continue to perform for us today Gothic Cinema covers topics such as the chiaroscuro experiments of early German cinema the monster cinema of the 1930s the explained supernatural of the old dark house mystery films of the 1920s and the Female Gothics of the 1940s the use of vibrant colours in the period Gothics of the late 1950s the European exploitation booms of the 1960s and 1970s and the animated films and Gothic superheroes that dominate present times Throughout Aldana Reyes makes a strong case for a medium specific and more intuitive approach to the Gothic on screen that acknowledges its position within wider film industries with their own sets of financial pressures and priorities This groundbreaking book is the first thorough chronological transhistorical and transnational study of Gothic

cinema ideal for both new and seasoned scholars as well as those with a wider interest in the Gothic The Gangster Film Reader Alain Silver, James Ursini, 2007-02 In the 1930s the gangster film in the United States coincided with a very real and very sensational gangsterism at large in American society Little Caesar 1931 The Public Enemy 1931 and Scarface 1932 borrowed liberally from the newspapers and books of the era With the release of just these three motion pictures in barely more than a year's time Hollywood quintessentially defined the genre The characters the situations and the icons from fast cars and tommy guns to fancy fedoras and fancier molls established the audience expectations associated with the gangster film that remain in force to this day As with their Film Noir Reader series using both reprints of seminal articles and new pieces editors Silver and Ursini have assembled a group of essays that presents an exhaustive overview of this still vital genre Reprints of work by such well known film historians as Robin Wood Andrew Sarris Carlos Clarens Paul Schrader and Stuart Kaminsky explore the evolution of the gangster film through the 1970s and The Godfather Parts 2 and 3 comprise two dozen newer articles most of them written expressly for this volume by Ursini and Silver These case studies and thematic analyses from White Heat to the remake of Scarface to The Sopranos complete the anthology **From the Moment They Met It Was Murder** Alain Silver, James Ursini, 2024-04-02 The behind the scenes story of the quintessential film noir and cult classic Billy Wilder's Double Indemnity its true crime origins and crucial impact on film history is told for the first time in this riveting narrative published for the film's 80th anniversary From actual murder to magazine fiction to movie the history of Double Indemnity is as complex as anything that hit the screen during film noir's classic period A 1927 tabloid sensation crime of the century inspired journalist and would be crime fiction writer James M Cain to pen a novella Hollywood quickly bid on the film rights but throughout the 1930s a strict code of censorship made certain that no studio could green light a murder melodrama based on real events Then in 1943 veteran scriptwriter and newly minted director Billy Wilder wanted the story for his third movie With tentative approval from the studio he hired hardboiled novelist Raymond Chandler to co write a script that would be acceptable to industry censors Director Wilder then cajoled a star cast into coming aboard the incomparable Barbara Stanwyck in her unforgettable turn as the ultimate femme fatale alongside Fred MacMurray going against type as her accomplice and Edward G Robinson as a dogged claims investigator Wilder kept Chandler on for the entire shoot and other key collaborators were cinematographer John Seitz costume designer Edith Head and composer Miklós Rózsa With all these talented contributors the final film became one of the earliest studio noirs to gain critical and commercial success including being nominated for seven Oscars It powerfully influenced the burgeoning noir movement spawned many imitators and affected the later careers of all its cast and crew Double Indemnity's impact on filmmakers and audiences is still felt eight decades since its release Authors Alain Silver and James Ursini tell the complete never before told history of writing making and marketing of Double Indemnity in their latest and most provocative work on film noir **From the Moment They Met It Was Murder** Film Noir Light and Shadow Alain Silver, 2023-12-12 Despite a glut of black and white

filters the digital revolution in videography has all but abandoned the art science beauty and power of cinematic lighting that literally illuminated the Golden Age of motion pictures

**Film Noir Light and Shadow** explores an era before CGI a time when every photon mattered and the lighting of a set served a grander purpose than simply rendering its subjects visible Edited by Alain Silver and James Ursini the duo behind numerous critically acclaimed studies of other aspects of noir this anthology presents a series of essays that examine the visual style of the filmmakers of cinema s classic period Some focus on individual pictures or directors others discuss elements of style or sub groups of movies within the movement All are sharply focused on what makes the noir phenomenon unique in American and global cinematic history Aside from highlighting the innovative work of its editors and their late colleague Robert Porfirio **Film Noir Light and Shadow** also shares its light with a bevy of contributors who have written and edited their own books on the subject a list of luminaries that includes Sheri Chinen Biesen Shannon Clute and Richard Edwards Julie Grossman Delphine Letort Robert Miklitsch R Barton Palmer Homer Pettey Marlisa Santos Imogen Sara Smith and Tony Williams As befits the topic this volume is lavishly illustrated with 500 images that capture the richness and breadth of the classic period s imagery making it an ideal companion for students of the genre film historians sprocket fiends and the retrospectively inclined
