Role Of Police In American Society A Documentary History:

The Role of Police in American Society Bryan Vila, Cynthia Morris, 1999-05-30 Contains ninety five primary documents grouped into seven different time periods that chronicle the history and development of police policy and the role of police in American society *An Introduction to American Policing* Dennis J. Stevens, 2017-05-08 An Introduction to American Policing Second Edition connects the US criminal justice system criminology and law enforcement knowledge to the progress of the police community It is the perfect resource for a Police Science course *Police in a Multicultural Society* David E. Barlow, Melissa Hickman Barlow, 2018-04-10 Social political and economic relationships played key roles in the historical development of the police The authors present policing strategies from the vantage points of marginalized communities and emphasize the intersection of attitudes about class race ethnicity gender and sexual orientation with policies Police practices cannot be class neutral in a class society nor can they be race neutral or gender neutral in a racist sexist and heterosexist society The key to understanding the relationship between the police and society is to think critically about the role of power and interests The second edition includes a new chapter in the section on the police and rebellion covering recent events There is also a new chapter on Latino a police officers and an expanded chapter on LGBTQ police officers Without meaningful social change toward greater justice police reforms such as community policing and training in cultural diversity will fall short of creating an institution characterized by fairness and equality for all members of society A clear view of history is essential for understanding the challenges a more diverse police force faces in today s multicultural environment

The Midnight Assassin Skip Hollandsworth, 2016-04-05 A New York Times bestseller *The Midnight Assassin* is a sweeping narrative history of a terrifying serial killer America's first who stalked Austin Texas in 1885 In the late 1800s the city of Austin Texas was on the cusp of emerging from an isolated western outpost into a truly cosmopolitan metropolis But beginning in December 1884 Austin was terrorized by someone equally as vicious and in some ways far more diabolical than London's infamous Jack the Ripper For almost exactly one year the Midnight Assassin crisscrossed the entire city striking on moonlit nights using axes knives and long steel rods to rip apart women from every race and class At the time the concept of a serial killer was unthinkable but the murders continued the
