The Athletic Skills Model René Wormhoudt,Geert J.P. Savelsbergh,Jan Willem Teunissen,Keith Davids,2017-10-12 The Athletic Skills Model offers an alternative to dominant talent development theories in the form of holistic broad based movement education focusing on health and wellbeing It places the emphasis on physical intelligence including attributes such as agility flexibility and stability through adaptable and varied training programmes creating a skilled athlete before introducing sport specialization The book sets out the scientific underpinnings of the ASM before going on to offer practical guidance on the content of the programme how to adapt and vary the programme and how to apply the approach to different age groups and sports The ASM s application in the youth development programme at AFC Ajax is explored in depth before a future of talent development with an emphasis on athletic rather than sport specific expertise is imagined The Athletic Skills Model introduces an important and timely challenge to conventional wisdom in talent development and is a fascinating read for any upper level student or researcher interested in youth development skill acquisition motor learning or sports coaching and any coaches wanting to refresh their approach to talent development

Managing Martians Donna Shirley,2010-06-09 Donna Shirley s 35 year career as an aerospace engineer reached a jubilant pinnacle in July 1997 when Sojourner the solar powered self guided microwave oven sized rover was seen exploring the Martian landscape in Pathfinder s spectacular images from the surface of the red planet The event marked a milestone in space but for Donna Shirley the leader of the mostly male team that designed and built Sojourner and the first woman ever to manage a NASA program it marked a triumph of another kind *Managing Martians* is Shirley s captivating memoir of a life and career spent reaching for the stars From her seemingly outlandish aspiration at age ten to build aircraft to abandoning high school Home Ec in favor of mechanical drawing and at sixteen becoming a licensed pilot Shirley defied expectations from the beginning In a vivid narrative rich with anecdotes and thrilling turning points Shirley recounts the intense battles she waged to defend her vision and the ingenuity and resourcefulness of her committed team Her moment by cliffhanging moment account of Pathfinder s landing and Sojourner s first tentative foray across the sands of Mars brilliantly captures the fulfillment of a lifelong dream as it heralds a brave new era of space exploration *The*
