Roll On Texas Moon:

Roll On Texas Moon MNTEX Entertainment,1990 Classic Western starring Roy Rogers and Gabby Hayes **Roll On, Texas Moon** ,1946 *Roy Rogers* Robert W. Phillips,1995-05-01 This is the definitive work on Roy Rogers the King of the Cowboys The lives and careers of Rogers and his wife Dale Evans are thoroughly covered particularly their work on radio and television The merchandising history of Roy Rogers reveals that his marketing of character related products was second only to that of Walt Disney Roy Rogers memorabilia are still among the most popular items Includes a comprehensive discography filmography and comicography Heavily illustrated The Exhibitor ,1947 Some issues include separately paged sections Better management Physical theatre extra profits Review Servisection **Moon** Edgar Williams,2014-06-15 Long before a rocket hit the Man in the Moon in the eye in Georges M li s early film *Le Voyage dans la Lune* the earth s lone satellite had entranced humans We have worshipped it as a deity believed it to cause madness used it as a means of organizing time and we now know that it manipulates the tides our understanding of the moon continues to evolve Following the moon from its origins to its rich cultural resonance in literature art religion and politics Moon provides a comprehensive account of the significance of our lunar companion Edgar Williams explores the interdependence of the Earth and the moon not only the possibility that life on Earth would not be viable without the moon but also the way it has embedded itself in culture In addition to delving into roles the moon has played in literature from science fiction and comics to poetry he examines how Elizabeth I was worshipped as the moon goddess Diana the moon s place in folklore and astrology and humanity s long standing dream of inhabiting its surface Filled with entertaining anecdotes this book is the kind of succinct witty and informative look at everything lunar that only comes around once in a blue moon **King of the Cowboys, Queen of the West** Raymond E. White,2005 For more than sixty years Roy Rogers and Dale Evans personified the romantic mythic West that Americans cherished Blazing a trail through every branch of the entertainment industry radio film recordings television and even comic books the couple capitalized on their attractive personas and appealed to the nation s belief in family values an independent spirit and community Raymond E White presents these two celebrities in the most comprehensive and inclusive account to date Part narrative part reference this impeccably researched highly accessible survey spans the entire scope of Rogers s and Evans s careers and highlights their place in twentieth century American popular culture In a dual biography he shows how Rogers and Evans carefully husbanded their public image and of particular note incorporated their Christian faith into their performances Testifying to both the breadth and the longevity of their careers the book includes radio logs discographies filmographies and comicographies that will delight historians and collectors alike Motion Picture Series and Sequels Bernard A. Drew,2013-12-04 In 1989 alone for example there were some forty five major motion pictures which were sequels or part of a series The film series phenomenon crosses all genres and has been around since the silent film era This reference guide in alphabetical order lists some 906 English Language motion pictures from 1899 to 1990 when

the book was initially published A brief plot description is given for each series entry followed by the individual film titles with corresponding years directors and performers Animated pictures documentaries and concert films are not included but movies released direct to video are Houston, Space City USA Ray Viator,2019-02-13 On July 20 1969 humanity paused with attention locked to television and radio broadcasts as the astronauts of the Apollo 11 mission dramatically touched down on the dusty face of the moon The first word from the lunar surface Houston Houston Space City USA is a visual celebration of the city's historic ties to the US human space program When President Kennedy declared We choose to go to the moon in this decade and do the other things not because they are easy but because they are hard he did so from the campus of Rice University More than half a century later Houston continues to serve as the nerve center of the American human space program Author and photographer Ray Viator a longtime Houstonian has lovingly captured the spirit of a city's devotion to space exploration from then to now Using striking photographs of the full moon as a visual motif of Houston's connection to spaceflight Viator also weaves together historic images to show how former cow pastures transformed into mission control Some connections are obvious the Houston Astros or the Houston Rockets Others are hidden in plain sight like the arm patches on the uniform of every Houston police officer that read Space City U S A Viator's lens captures this and more Houston Space City USA not only marks the important milestone of the first lunar landing but it also helps readers discover and rediscover a city's constellation of connections to one of humankind's greatest achievements The author's proceeds from the sale of this book will benefit Houston Public Media Billboard ,1948-07-03 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *Motion Pictures From the Fabulous 1940's* Terry Rowan,2016-01-06 In Europe the war was already old but while feeding nickels into roadhouse jukeboxes the Presidential conventions where the biggest question would be whether That Man in the White House would shatter yet another precedent and run for a third term To many Americans there seemed little else worth worrying about As with all time periods the 1940s had a set of specific fads that were popular around the country Read this book and find out about the films of this decade and more
