Rum and Reggae's Puerto Rico Jonathan Runge, 2003-03 This guide to the island of salsa, heat and piña colodas includes everything savvy and sophisticated travelers need to know From hotels, restaurants, casinos and the bustling nightlife of San Juan to the calm waters of Boqueron and the fabulous links at Dorado Beach all the major attractions of Puerto Rico are discussed in sassy, honest prose

Rum and Reggae's Dominican Republic Jonathan Runge, 2002-04 An essential guide to this stimulating and gyrating developing country this book helps travelers navigate this often chaotic place with the strength, style and grace of Pedro Martinez With wit, attitude and pizzazz this entertaining and fun to read book will appeal to in the know and savvy travelers The information and recommendations included cover everything from hotels, resorts, beaches, activities and historic sights to branch cafes, hot clubs and tryst hideaways

Africa's Quiet Revolution Observed from Niger Dominic Okereke, 2012-07 This book prescribes rapid revolution in principal sectors of this African economy through radical paradigm changes And the resultant comprehensive transformation will guarantee significantly higher productivities and double digit annual economic growth Included in this paradigm shift is the joint reindustrialization of the African economy and the US ailing industries via a new

Strategic trans Atlantic Alliance modeled on the balanced Euro US cooperation after World War II But it first takes readers through a thorough evaluation of the familiar subject corruption which haunts Nigeria the principal economy in the continent The fundamental difference with other texts on the subject is that this book identifies the most debilitating variant of that corruption That variant causes massive capital flight from a post colonial soft economy that is neither capitalist nor socialist The Nigerian corruption thrives on the native Philosophy of Commission hardened by intractable tribalism that coagulated and ossified with the imports substitution pattern preferred by European firms since independence The book then proceeds to earn its priced revolutionary credential by inventing very novel scientific methods that will skillfully turn this insidious source of structural rigidity and arrested development into a force for economic growth A new apex political leadership culture is recommended and to be fortified with a unifying lingua franca An inter ethnic marriage melting pot is advised for intensified nigerianization of Nigerian youths at birth Spiritual diversity is envisaged to significantly diminish religious intolerance and sectarian violence Modern bureaucracy and inward looking tourism are reformulated to reduce effervescent insecurity and minimize capital flight The resultant economic stability will enlarge domestic foreign investment inflow and will reverse the current dis industrialization and massive job loss and the conditions of under full employment Technological Functionalism Economic pan Africanism and the Alternative Policy of Inputs Substitution are among the several brand new blueprints that this book offers for the extensive transformation of Africa s economy into the robust emerging economy that will rival its counterparts in India and China in the immediate future
